A Remarkable Offer.

For several years a Boston business house has made persons on farms, in towns and the suburbs of cities who keep poultry, few or many, remarkable offers of premiums payable in gold, some as high as fifty dollars to the first and not less than five dollars to any winner of a premium. The best thing about these annual offers, is that the firm making them is strictly reliable and the premiums have always been promptly paid as agreed in gold coin. Fifty dollar premiums do not "grow on every bush" as the old saying is, and we have no doubt to many who competed for them, the amount received came in handy to help pay the necessary bills of a hard winter, or if not, buy some luxury that the family absolutely needed, but otherwise could no afford. This same firm, I. S. Johnson & Co., 22 Custom House St., Boston, Mass., authorize us to state to our readers that they have prepared an offer of similar premiums this year as heretofore, with one very important improvement and that is, so that the first winner stands a fair chance of getting premiums amounting to one hundred and fifty dollars in gold. Why! that is as good as fifty dollars per month for the three winter months. Its worth trying for any way.

Another valuable feature of the offers this year is that no one who competes need fail to get something out of the several offers; either in premiums or commissions. Johnson & Co., will send full particulars free to any person who sends them their address on a postal card. These premium offers are made in connection with the use of Sheridan's Condition Powder to make hens lay. That Powder has been manufactured and sold for over thirty years. I. S. Johnson & Co., 22 Custom House St., Boston, Mass., (the only makers of Sheridan's Condition Powder,) will send for 50 cents, two packs of Powder: for $1.00 five packs; for $1.20 a large 2 1-4 lb. can, post paid; six cans for $5, express prepaid. Six cans will pay a good dividend. I. S. Johnson & Co., will also send to anyone asking for it a copy of the best poultry magazine published, free; The paper one year and a large can of Powder for $1.50.

Prolific Quebec.

A Quebec despatch says: The following interesting information in regard to fathers of twelve or more children claiming 100 acres lots, is obtained from an advanced copy of the report of the Minister of Agriculture. The total number of applications was 1000, of which seven, with a total of eighty-four children, come from the United States. The father of the largest number in one family is John Hope of Vaudreuil, who lays claim to twenty-three children living. Amongst the applicants besides Hope are four with eighteen children, six with seventeen, one with sixteen, twenty-seven with fifteen, forty-five with fourteen, and twenty-seven with thirteen. In regard to the number of applications, Megantic comes first with sixty, at total of 723 children. Beauce fifty-one, with a total of 634, Wolf fifty-one, a total of 628, and Ottawa 49, a total of 593 children.
