Yacht Club To Hold Open House Thurs.

This Thursday evening the Charlottetown Yacht Club plays host to the public with its annual open house. Starting at approximately 6.30 p. m. the grounds will be open and various types of boats will be available for sightseeing trips about the harbour.

The public will have a choice ranging from the speedy outboard runabouts to the sleek comfortable, large inboard cruisers, and those who really enjoy the salt spray may even be able to have a sail if the weather is fit. Life jackets for all those going in the smaller boats will be supplied by the club. The larger cruisers will have their own supplies available.

All craft will be leaving from the two main floats at the club and each float will be supervised by a member of the Charlottetown Police Dept. ensuring maximum safety to all those out for the evening.

Everyone is welcome to attend although children under 16 years of age must be accompanied by their parents. This is to prevent any unnecessary accidents which can occur around the water. (The Yacht Club is going all out to make this a gala evening by giving the public the opportunity to enjoy club facilities, the opportunity to sail the harbour, and the chance to see first hand the ways of the mariners.

The best thing about it is that it's all free.

Final Two Tennis Titles Decided Tues. In Ottawa

By ALEX MORIN

OTTAWA (CP) — The final two of eight closed Canadian junior tennis championships were decided Tuesday at the Rideau Lawn Tennis Club.

The closed section of the 21-event 14th tennis championships wound up with finals in the boys' 18 and 16 year-old divisions.

Andre Tielemans,18, of Montreal won the senior event by defeating Bob Moffatt, 16, of Vancouver, 3-6, 6-3, 6-4.

Moffatt took the junior event by defeating Barry Shakespeare, 15, of Halifax, 6-3, 6-0.

As the matches were in progress, early eliminations in 13 open events were in high gear with more than 50 foreign entries added to the 200 Canadians.

LIST OTHER CHAMPS

Other Canadian closed singles championships decided in four previous days of play in this tournament were: Bill MacDonell. 11, Downsview, Ont., winner of the boys' 12; Terry Leach, 14, Ottawa, boys' 14; Donna Shakespeare, 12, Halifax, girls' 12; Andree Martin, 14, Montreal, girls' 14; Rosemarie Fletcher, 16.

Ottawa, girls' 16; and Fay Urban, 16, Windsor, girls' 18.

In the open competition, the new Canadian champions will be tested by some of the best young tennis players in the world.

Mike Belkin, 17, of Miami Beach, Fla., a Canadian by birth, is top foreign seed in the boys' 18 open. Formerly of Montreal he now is top junior in the United States.

INDIAN WINS AWARD

TORONTO (CP) — Melvyn Ross Lavallee, of Broadview, Sask., 18-year-old grandson of the late Chief Lavallee of the Comesseas band, has been awarded a Hudson's Bay Company scholarship for a university education. The four-year scholarship, worth $10,000, is awarded to outstanding Indian and Eskimo students.

Speculation Arises Tues. Over Don Clark's Injury

MONTREAL (CP)—Speculation arose Tuesday that star halfback Don Clark may be lost to Montreal Alouettes for the rest of the Big Four season because of a dangerous kidney injury, despite the club's insistance Clark will be back in action in 30 days.

Clark is in hospital with what club Doctor Gordon Young described as "a serious tearing of the capsule which holds the kidney in place."

The club previously described the injury as a bruised kidney.

The 190-pound star was put on the club's injury reserve list Monday night—only hours after the club said he would be sidelined for two weeks and would not be placed on the list. Players on the injury reserve list cannot play for 30 days after being put on it.

Clark, the Big Four's leading rusher last season and counted the key player in the team's ground attack this year, received the injury in the fourth quarter of the Als 29-18 loss to Ottawa Rough Riders last Thursday.

TAKEN TO HOSPITAL

After returning to his house, he collapsed with a hemorrhaging kidney and was hurried to hospital early Friday morning.

Dr. Young said Tuesday: "Don was in serious condition."

"Any time a kidney is so jostled—so dislodged—it is a dangerous situation."

Asked whether Clark had a badly bruised kidney, Dr. Young said, "oh, it is worse than that. It is not really a torn kidney, it's a hemorrhaging kidney."

"There was bleeding into the kidney and the surrounding tissues," said Dr. Young. "This is a serious injury and complications can occur. However, the time for those complications has almost passed. Clark's day-to-day recovery is expected and he should play football again this year. No operation is being considered."

Clark himself told a reporter that for 48 hours after being admitted to hospital doctors were considering an emergency operation to remove the kidney —a move that would almost certainly have ended Clark's career.

After the doctor's statements were made public Tuesday, the club admitted that Clark did have a tearing of the sack around the kidney.

An Alouette official insisted, however, that Clark will be back in action in 30 days.

NOT WORRIED

"We're not even worried about Don being out for the rest of the year—as far as we know, he'll definitely be back in 30 days."

He said the club was basing this estimate on Dr. Young's reports and those of specialists called in on the case.

The spokesman said sidelining Clark would open up an import spot for Dave Grosz, quarterback and corner linebacker who was obtained Monday by the club after being waived out of the Canadian Football Roughriders.

Science Now Shrinks Piles Without Pain Or Discomfort

Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own home without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment* form called *Preparation H*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.
