MAILS.—The foreign mail arrived in town about half-past twelve this afternoon.

PROGRAMME.—Read the programme of the Oratorio Concert. Every piece is a gem and the hall should be crowded.

I. O. O. F.—Regular session of Witley Lodge to-night; gavel struck at 8 o'clock sharp. The initiatory and other degrees will be conferred.

JOURNALISTIC.—Mr. Robert E. Armstrong, of the St. John Globe staff, has purchased the St. Andrew's N. B. Bay Pilot, which he will shortly issue as a daily.

THE STANLEY arrived in Georgetown from Pictou, at about nine o'clock this morning. She will not make the return trip until to-morrow morning.

DEATH.—By telegram to-day news was received of the death at Berwick, N. S., on Monday, 18th inst., of Robert McNair Lydiard, aged 37 years, son of E. L. Lydiard, of Charlottetown.

OPEN WATER.—To-day there is open water from wharf to wharf between Charlottetown and Southport, and passengers are being taken to and from in row boats. The steamer will begin plying shortly.

POLICE COURT.—A countryman named John Darrach, was the only candidate for justice this forenoon. He was charged with drunkenness, and was fined therefor the sum of \$1, which he paid.

CORRECTION.—We are requested to state that the man Kelly, struck in the head with the brick on Sunday night last, was not drunk at the time, but was on his way to the Post Office to mail a letter when assaulted.

ANNUAL MEETING.—The annual meeting of the Young Women's Christian Association will be held on Friday next, the 22nd of March, at 3 o'clock in the basement parlour of the Y. M. C. A. Friends and members are requested to attend.

PRESENTATION.—At the close of the regular meeting of Union Lodge, No. 24, I. O. G. T., Sister Sims handed C. S. Rev. A. F. Mahon a pair of handsome mottoes from his Honor Judge Young, for which a unanimous vote of thanks to his Honor was tendered for his handsome present.—A. G. Sims, Secretary, Marshfield.

THEIR FIRST ROW.—President Harrison and James G. Blaine have commenced hostilities. Blaine, as Secretary of State, submitted the names of a number of friends as foreign ministers. The President demurred, but Blaine now determined to push his claim, and provoked the President to declare that he (Harrison) was now "the McGregor at the head of the table," and would, throughout his term of office, be the one person who would run the Government.

LEVELLED EIGHT HOUSES.—Advices from Braxton, West Virginia, dated March 13, state that an organization, headed by Rev. A. B. Cunningham, was recently effected to rid the community of bad characters. A few days ago they met and made a raid upon those whom they considered objectionable, levelled eight houses and drove the inmates away. Warrants for 36 of the man engaged in the affair were sworn out, and 27 arrests followed. The accused have been held for examination.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub smiles as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. [April 1 '88]

SENSATION AT SHELBURNE.—The Cape Sable Advertiser contains an account of the unearthing by some workmen in a field at Shelburne the other day of the skeleton of a man, which lay about fifteen inches beneath the surface. The top of the skull was crushed in as if from some blunt instrument, and a small hole in the side of the head might have been made, it is thought, by a bullet. The discovery created a sensation, and conjectures are rife, but no clue as to the identity of the remains is forthcoming. Some old residents of the place connect the mystery with the disappearance nearly 60 years ago of a man named Williams, and the skeleton appears as if it had been in the ground quite that length of time.

TWO CASES DISMISSED.—Judgment was given by the Supreme Court of Canada, yesterday, in two appeals from Prince Edward Island. The appeal in Trainor vs. Black Diamond S. S. Co. was dismissed with costs. This case was argued by Mr. Davies for the appellant. Peters & Peters for respondent. The appeal from the Court of Appeal in Equity, of this province, in the case of the Halifax Banking Company vs. Matthew, McLean & Co., was also dismissed with costs. Palmer & McLeod for appellants; Peters & Peters for respondents. We understand that the court was divided in both cases.

Concert at Emerald. The entertainment under the auspices of the Emerald Branch of the Benevolent Irish Society, in their hall at that place last evening, was, in the opinion of those who thronged, a decided success. The hall was thronged, and the audience enthusiastic. Mr. George R. McMahon presided. The programme was a lengthy one, occupying some three hours in its rendition. The performances of the "Summerside Noisy Boys," and of Messrs. W. F. Clarke, P. Flahavin, James Hickey, F. P. Murphy and A. M. McKay were exceedingly amusing, while Jerry Noonan's clog dance "Bright down the house." The instrumental music was also good. Hon. D. Ferguson's address was short and pointed, and well received. He referred to his visit to Ireland in 1886, and gave a brief sketch of the political situation there at that time, also touching upon the Home Rule agitation as affected by the Parnell-Times case. The amount realized was between \$40 and \$50.

DOMINION PARLIAMENT

Summary of Proceedings.

OTTAWA, March 18.

Hon. Wilfred Laurier asked if Col. O'Brien would state to the House what day he intended to bring up his motion on the Jesuits' bill.

Col. O'Brien said the motion would be made the first time there was a motion to go into committee of supply after the conclusion of the budget debate, which he hoped would come to an end to-morrow. If it was proposed Thursday to go into supply he would make his motion then.

Hon. Mr. Laurier asked if the papers on the subject would be laid before the House before that time.

Sir John said they would likely be presented to-morrow.

Mr. Platt moved the House into committee of the whole to consider the following resolutions: "That it is expected to remove the duty on and place upon the free list all grains and seeds which do not ripen in Canada, but which are now largely imported and sown for the production of food for cattle, under the system of 'feeding cattle, soiling and ensilage, now largely adopted by the farmers of Canada.'"

After some discussion, Hon. Mr. Bowell said he was disposed to do whatever lay in his power to encourage the ensilage system, and if it was found practicable to do anything in the direction of the resolution it would be done. As, however, the Government could not accept the resolution as it stood, he asked that the mover withdraw it.

Dr. Platt then withdrew the resolution. At 10.50 Sir Hector Langevin moved the adjournment of the House, as he said there would be a very late sitting to-morrow.

NOTES.

The chief topic of talk continues to be the Globe's flop on the Jesuit question. Grit members of Commons are in despair over it. Hon. David Mills said to-day it was the maddest thing he ever heard of.

A large and influential delegation to-day interviewed the Government, and asked that a grant of \$500 be made to each of the Art Schools of the Dominion.

An Important Circular.

MONTREAL, March 18.

Archbishop Fabre has just addressed an important circular letter to his clergy denouncing the action of several of his priests who, during His Grace's absence, have been writing letters to L'Etendard, approving of that paper's political and religious course. The Monsignor says that the paper in question has been sowing discord and going against the wishes of the Bishops of the Province. The Archbishop also, while in the parish, asked Louis Viuillot, editor of the great clerical organ, to procure for the future his information Canadian affairs from the Bishop's dual, instead of from the *semi-aisant* ultramontane school of religious thought in this country.

The "Globe" Condemned.

TORONTO, March 18.

The Globe's advocacy on Saturday of the disallowance of the Jesuits' estates bill is still the talk of politicians. Liberal members of the House of Commons, now on a visit to their homes here, freely denounce it, and say they cannot comprehend it. J. D. Edgar, M. P., one of the board of directors of the Globe, writes to its disapproving of its position, affirming his belief in the constitutionality of the Jesuit state act, and declaring that the only question for the Liberals to ask is whether the Quebec legislature had the right to pass such a measure.

The Union of the Cities.

ST. JOHN, March 19.

The vote on the question of the union of the cities of St. John and Portland takes place to-day. Commissioners will meet this evening at 8 o'clock to count the votes and officially ascertain the result. If either city votes against union then the matter drops, but if both cities want union the commissioners will right away employ a lawyer to draft a bill under their direction, and in accordance with the scheme to be submitted to the legislature making the two cities one.

Pleaded Guilty.

MONTREAL, March 18.

After the trial of Luber McGrath, for killing Hilton with a razor in Mrs. Ennis' boarding house, had proceeded for a few hours in the Queen's Bench Court to-day, counsel for the defence announced that their client had decided to substitute for his plea of not guilty of murder, one of guilty of manslaughter. The Crown, in view of the great provocation, accepted the plea.

Got Life Imprisonment.

MONTREAL, March 18.

John Chandler, the colored porter, who shot and nearly killed Mr. Sheffield, of the C. P. R., was sentenced to imprisonment for life at St. Vincent de Paul penitentiary.

St. Patrick's Day.

MONTREAL, March 18.

St. Patrick's Day was loyally celebrated here by the Irish-Canadian citizens. High Mass was celebrated in St. Patrick's Church, at which Archbishop Fabre took part.

Not Captured after all.

WINNIPEG, March 18.

It turns out that Tascott, the Chicago murderer, was not captured on Lake Winnipeg after all, the telegrams from Selkirk being misleading.
