**Burke Hurls Five Inning  
No-Hitter As Knights  
Wallop Junior Vics 9-0**

Jackie Burke's no-hit, no-run pitching for the abbreviated ball game backed by nine runs scored in the last half of the second inning gave the Knights of Columbus Juniors a 9-0 win over Vics in a regular Junior League fixture. The losers committed five errors in the five inning game, all coming in the second frame which was highlighted by Donnie MacLean's home run with two aboard. The winners made four other hits in the ball game and these together with one walk and two hit batsmen paved the way for the Vics' downfall.

Elmer McNeill, Knights' outer gardener led the batters with two for three. Currie gave up five hits, walked five and hit two. He struck out one batter. Burke did not allow a man to reach first base until the top of the fifth when he hit Lund, but Lund was retired on a force play to the plate. The next two batters were put out on ground balls. Burke did not walk anybody and whiffed six batters.

**Phils Lead N. L. After Double Win Over Cubs**

**By STEVE ROBERTSON**  
Canadian Press Staff Writer  
The dashing young Philadelphia Phillies rode back into undisputed possession of first place in the National Baseball League Tuesday night with a double win at home over Chicago Cubs, 7-0 and 1-0.

**32,726 See Phillies Win**  
Richie Ashburn's single with two out in the ninth scored Ralph Caballero from second and gave the Phillies their 1-0 decision in the second after they had won the opener 7-0 behind the three-hit pitching of Bubba Church, before a crowd of 32,726.

In the first game the Phils ran rampant over Chicago's John Klippelner. The second contest was a pitching duel between Robin Roberts and Bob Rush.

Roberts, who walked with one out in the ninth and then was lifted for pinch-runner Caballero, allowed six hits, all singles, in chalking up his 12th victory. He has lost five.

The twin shutouts ran the Cubs' losing streak to five straight and their scoreless streak to 27 innings.

**Rice's Homer Helps Cards**  
At Brooklyn Del Rice's home run with two on in the eighth inning helped St. Louis Cardinals to a 9-5 victory over the Dodgers before 31,013 fans.

Stan Musial hit safely in his 25th straight game as the Cards finally won after eight straight reverses at Ebbets Field. Preacher Roe, who had beaten the Birds four times this season, was the loser.

**Braves Club Pirates**  
At Boston the Braves clubbed three rival pitchers for 13 hits while topping Pittsburgh Pirates 7-2 as they launched a 22-game National League home stand.

Johnny Sain, who failed on three previous tries, notched his 15th pitching triumph and his fifth in a row over the last-place Pirates.

**Giants Win On Error**  
At New York, Bob Usher's miff of Don Mueller's liner with two out in the bottom half of the ninth inning enabled Eddie Stanky to score from second with the run that gave the Giants a 7-6 victory over Cincinnati Reds.

**Feller Wins 10th**  
At Cleveland, the Indians won their eighth straight American League victory over Philadelphia Athletics, 7-6.

Bob Feller collected his 10th win of the season, although he had to have help from Bob Lemon in the ninth to halt a two-run rally. Luke Easter clouted with a home run and Joe Gordon one for the Tribe. Sam Chapman and Joe Tipton smacked four-baggers off Feller.

**Overmire Beats Yanks**  
At St. Louis a ninth-inning rally spoiled Stubby Overmire's shutout, but he tightened up to give the Browns a 4-3 American League victory over New York Yankees tonight. Overmire batted in two of the Browns' tallies.

Stubby, who now has two of the club's three victories this season over the Yanks, had a three-hitter going into the last frame.

Then Hank Bauer beat out a hit to Tommy Upton and Johnny Mize homered to break into the scoring column. A double by Joe DiMaggio, a scratch single by Yogi Berra and a long fly by Bill Johnson accounted for the third New York run.

**When his team took the field in the first half of the ninth inning, there was a new left fielder, rated a far better fielder than the regular custodian of that position. With two down and men on second and third, the batter hit a line drive to left field, on which a sensational catch was made, retiring the side and ending the ball game. Not until then did the team at bat realize a new left fielder was in the game. The visiting manager protested the third out, claiming the player not having been announced was never legally in the game and the catch was thereby voided.**

**"The umpire overruled both protests under the rule covering the play, which states that a substitute player is considered in the game the moment, in the case of a batter, that he takes his place in the batter's box; a fielder when he takes the place of the fielder substituted for, and any play made by the unannounced substitutes shall be legal under the rules. Thus, the pinch home run and the sensational catch, both made by unannounced substitutes, were legal under the playing code. The umpire in charge so held."**

**Games Here And At S'side Today In Island League**

All four teams in the Island Physical Fitness Baseball League will swing into action again today when the Abbies clash with Falcons over Memorial Field and the R.C.A.F. Royals meet with Curran and Briggs at the Western Capital. Both games are slated to get underway at 5:30.

In the local game it will be a case of the second place team against the cellar dwellers, the Falcons having played ten, won five, drawn one and lost four, while the Abbies have won two, tied one and lost seven in ten starts.

The all-Summer side clash will see the league leading C. and B. brigade and the third place Royals both gunning to improve their league standings, the former looking for their tenth victory in twelve starts, having won nine, tied one and only one lost to date. The R.C.A.F. have won three, lost seven and drawn one.

**Lewis Drives Three Winners**

Lewis scored three victories, two with P. J. Cadegan's Ohio Hal in the feature classified pace. More than 2,000 ladies' night patrons applauded changing fields and close finishes in all eight dashes. Several upsets contributed to heavy pay-offs at the pari-mutuel windows. The daily double, comprising Miss Bonnie Grattan in the first and Judy Richards in the second, returned \$114.30 for two dollars.

**Sport Echoes  
From  
Prince County**

Baseball rules and their interpretation seems to be one of the favorite topics of sports writers and baseball fans this summer. So let's do some more of it. A point in scoring arose in the last game between the Charlottetown Falcons and the Curran & Briggs ball team. A Charlottetown batter, who can't give you his name, hit a line drive to Syl Bernard and a Charlottetown runner was caught off second base, but Hank Landry, of all people, dropped the throw and the double play was not completed. We credited, or should we say, debited Hank with an error, announced it that way through the P. A. system, and heard murmurs of dissent in one of the dugouts. (How the umpires would love it if the fans would confine their dissent to murmurs instead of "Why don't you get a horse? Jesse James had a horse!" and "Where is Al' Baba and the other thirty nine?" and other more obvious and therefore more insulting remarks.)

Today when reading the column of our esteemed and respected contemporary, the column known as "The Realm of Sport", our eyes encountered the following: "...and Landry was the same old smoothie figuring on many plays without an error." This may have been a strictly innocent remark, but on the other hand, it might have been a polite way of saying to us: "Why don't you learn to score, you bum?" Now it is true that, if the pivot man in a double play does not complete the double play because his throw is a bit off the target, it is not an error unless the runner advances an extra base, but—well, suppose we quote the rule:

**Rule 70, sec. 9.—(in part)—**"An error shall not be scored against the catcher or an infielder who attempts to complete a double play, unless the throw be so wild that an additional base be gained. This, however, does not exempt from an error a player who drops a thrown ball when by holding it he would have completed a double play."

The reason for all this is pretty close a pivot man in a double play must nearly always throw in a hurry. If he is a second baseman or shortstop he has the further handicap of having a runner charging down at him. If his throw is a little off under these circumstances it seems only fair to exempt him from a miscue. But a player dropping a thrown ball! Tut, tut! Well, we will say Hank doesn't do it very often. Once in a dog's age, we should say.

The R.C.A.F. Royals have come roaring out of the basement and have started housekeeping on the ground floor. Their double victory over the Abbies in Charlottetown looked very impressive from a pitching standpoint, and it is possible they may cause the other teams in the league, yes, even the high-flying Curranites, a lot of grief and anxiety from now on. If their pitching continues to stand up, we'll change that "possible" to a "probable". Barlow and McCulloch turned in fine performances and as we see it, that's the only worry the arm men had. If their best players can be assembled on the field all at one time, they've got a strong-hitting, fine-fielding outfit.

Someone reminded us that in that last game between C & B and the Falcons we omitted to
