FUR GOODS A SPECIALTY.—Beer Bros

I. O. O. F.—St. Lawrence Lodge meets to-night.

H. B. C.—Postponed special meeting this evening.

LABOR DAY.—The Sons of England will hold a picnic at Eldon, in the steamer Jacques Cartier, on Sept. 3rd (Labor Day) Particulars later.

MR. BAYFIELDE'S RECITAL.—Miss May Kelley has kindly volinteered her services for Mr. Bayfielde's farewell recital, and will render, in conjunction with Mr. Bayfielde, the curse scene from "Leah, the Foresaken".

A THING OF BEAUTY IS A JOY FOREVER.—The very nicest novelty is a painted portrait. You look so much more real in natural colors. Call with your photograph to Cloud Hill's studio, Queen Street, and have it done in first-class style.

KILLED BY LIGHTNING.—A horse owned by Archibald Macdonald, of Nine Mile Creek, was killed by lightning on Saturday morning between nine and ten o'clock. The horse had only been turned into pasture a few minutes before being killed.

Y. M. C. A.—The meeting of the Executive Committee of the Y. M. C. A., called for to-morrow evening, will be held to-night instead at 8 o'clock. All members are requested to take notice of the change and endeavor to be in attendance, as important business will be submitted.

HEAVY WEATHER.—A severe storm of rain, thunder and lightning passed over the province early on Sunday morning. In the city houses were shaken and the glass in the windows rattled. The eastern telephone line is unworkable to-day as a result of the storm, but we have not heard of any other damage.

COUNTY COURT.—The August Term of the County Court opens in this city to-morrow with 204 suits on the docket. A number of these will be settled before the opening of the Court. Among the cases standing for trial are several slander suits and an action for the recovery of the commercial travellers' tax, already referred to in our columns.

THE DORIS AFLOAT.—The Steamer Doris which went ashore off Cape Bear on Friday morning last was floated yesterday at 4 a. m. She is only slightly injured and is now on her way to Montreal. About two hundred tons of coal were thrown overboard to highten the vessel. Mr. Wm. Batt who had made preparations to take the vessel off, lost the job owing to the high tide of Sunday morning which floated the steamer without any assistance from the tug.

THE COBAN.—The steamer Coban, Capt Fraser, arrived from Montreal at 1 o'clock this forenoon. She brought a large general cargo. She had the following passengers, none of whom were for this port: Mr Evans, Mrs Evans, S Birmingham, Mr Anderson, Mrs Anderson, John Campbell, J Charlson, Wm Hall, Chen Yuen Sing, Wm Roberts, She sails this evening for Sydney and St. John's with a cargo of produce, butter etc. There are two outgoing passengers Dr. and Mrs. Bell.

MARRIAGE BELLS. — Two well-known and popular young people—Mr. M. W. Murphy and Miss Susie Reddin—were united in marriage in St. Dunstan's Cathedral at an early hour this morning, the interesting ceremony being performed by His Lordship Bishop Macdonald assisted by Rev. D. B. Reid. The bridesmaid was Miss Annie Reddin, sister of the bride, and the groom was supported by Mr. Gerald McLean. Miss Lucy Caven presided at the organ. After the ceremony, the happy couple left on a bridal trip to the Seaside. The flag is flying on the Post Office building to-day in honor of the event. THE EXAMINER joins in the congratulations.

POLICE COURT.—At the Police Court to-day the summons against William Heartz, for breach of the Canada Temperance Act, on the 31st ult., was dismissed. This case has been adjourned several times for the want of an important witness, Abraham Harper. The witness has since died, and the Magistrate therefore dismissed the case. Bridget Trainor, Queen St., was also charged with a breach of the Act. Four witnesses were examined and the case adjourned for a week. John McDonald, an inmate of the Government Poor House, appeared on complaint of the keeper, John Allen, charged with disorderly conduct, and otherwise disturbing the inmates. He was remanded to jail for eight days to be examined as to his sanity. One drunk, a countryman named John McInnis, was fined $4 or 20 days.

NEW CHURCH FOR SOURIS.—The Church of England services yesterday at Souris were well attended. About thirty-five people attended the morning service and sixty in the evening. The services were held at the residence of Mrs. Knight, and on both occasions the officiating clergyman, Rev. E. T. Woolard, Rector of Georgetown, announced that it was intended that a new Church should be built at Souris for the members of the Church of England. The building, plans of which will shortly be prepared, will be situated opposite the residence of Captain Macdonald, facing Colville Bay, the land having been kindly given by the late John Knight. The work of building will be at once begun, as quite a sum of money is already collected and more is promised. Until the completion of the new Church, services will be held fortnightly, if possible, in the W. C. T. U. Hall.

THE NEW MAIL ARRANGEMENT.—Commencing at 2.40 p. m., to-day, a supplementary foreign mail will be forwarded to Cape Traverse, to go by the steamer Alaneda and the N. B. and P. E. I. Railway to Sackville, making connections with the night trains east and west. Charlottetown and Summerside will make up for Halifax, St. John, Halifax and Amherst mail clerk, and St. John and Vanceborough mail clerk. Return mails will be received in Charlottetown at 9.40 a. m., daily, and at Summerside at 8.15 a. m., which will include matter from Halifax and that arriving at Sackville from the west by the C. P. R. Train, making an earlier delivery of about 9 hours. The old route will still be continued. Another advantage of this new arrangement is that letters posted here before 2 o'clock for Halifax or St. John, will reach their destination by 7 o'clock the next morning.

THE WEATHER.—Fair; not much change in temperature.

GENERAL TELEGRAPHIC NEWS.

LONDON, Aug. 24.—A despatch to the Central News from Shanghai stating that James Wylie, a Scotch missionary, had been murdered by Chinese soldiers at New Chwang is confirmed by later advices. These advices assert that the attack upon Mr. Wylie was entirely unprovoked. The missionary was clubbed, kicked and stabbed to death in a public street. A demand was made upon the authorities that the persons concerned in the crime be turned over to the civil magistrate, but the officials refused to surrender the guilty parties. The British residents of New Chwang, it is stated, have petitioned their minister to send a war vessel to the scene of the trouble.

WASHINGTON, Aug. 24.—In fulfillment of its pledge that the valuable Columbian relics now in the custody of the state department shall be returned to the vatican on a ship of the navy, the department has decided that the Machias shall perform this service. The Machias is at the New York navy yard, where she has been many months undergoing the operation of being cut in two and lengthened, to correct instability. She is nearing completion, and will go into commission Sept. 15, under command of Capt. Houston, and it is expected will sail about Oct. 1st. She was chosen because she will be the first vessel available for the service, and as she is going to China by way of the Mediterranean and Suez Canal, she will not be diverted from her course.

SHANGHAI, Aug. 24.—A letter from Chemulpo, Corea, received at Chee-foo today reports that nineteen Japanese warships and thirteen transports arrived in the Taung river on the 18th inst. They landed 6,000 men, who proceeded inland, and were attacked by a thousand Chinese cavalry, who succeeded in dividing the Japanese force into two parts. The Chinese artillery, located on an eminence, poured a heavy fire into the ranks of the Japanese, making great havoc. The Japanese were compelled to retreat to the sea, where the guns of the fleet prevented further pursuit by the Chinese. The Japanese loss is reported to have been over thirteen hundred men.

WASHINGTON, Aug. 24.—A bill has been introduced by Representative O'Neill to settle the question of the duty under the new tariff act on goods held in bond. It provides that on and after the day on which the tariff act of 1894 goes into effect all wares previously imported, for which no entry has been made, and all goods in bond, for which a permit of delivery has been issued, shall be subject to no other duty than if they were imported after that day. It is extremely unlikely that action can be had on the bill before the new law goes into effect.

THE AMHERST RACES.—In the final heat of the free-for-all at Amherst last week the little stallion Pilot Jr., by Black Pilot, won quite easily in the magnificent time of 2.21, making a new record for the Maritime Provinces. The owners of Pilot Jr., seeing that he was not trotting as fast as they thought he could, changed drivers, and placed Mr. P. S. Brown, the veteran driver, behind him in the last heat, with the result stated above. Horsemen who were present are of opinion that if necessary Pilot Jr. could have trotted five or six seconds faster. In the 2.45 class Brown also piloted Pilot Jr. to victory, and in the three-year-old class he won handily with Hatasu. In the 2.29 class Francis P. won first money; best time 2.29¼, not 2.39¼, as stated by this morning's Guardian. The running race was won by Monmouth in 1.51¼.

ANOTHER RECORD BREAKER.—The American liner New York arrived at Quarantine, S. I., on Friday evening after a phenomenal passage, beating all previous records, having made the passage from Southampton to New York in six days, eight hours and 38 minutes. This beats the record of her sister ship the Paris by 59 minutes, and the New York steamed 17 miles further than the Paris when she made her record of six days, nine hours and 39 minutes.

COMPARISON.

The true test of any article is comparison with similar goods. One bottle of Johnson's Quinine Wine contains twice as many doses as some other popular wines, and is made with Howard's English Quinine, while others are made from cheap German Quinine. Compare
