

After Dangers of the "Grip."

Boston papers facetiously remark that "La Grippe" is seldom fatal unless you use all the remedies recommended for it. They are correct. The writer fully believes that the end of the poor "grip" victim, if he tried all the patent medicines that have adorned the pages of our leading newspapers as "sure cures for 'La Grippe,'" would be like Mark Twain, who for his famous cold tried every remedy advised by friends, until his stomach became so weak that he began to vomit, and continued until, as he avers, "he was like to throw up his immortal soul."

A RARE CHANGE

TO PROCURE A VERY VALUABLE FARM L. at North River, Franklin Point, directly opposite, and only a mile and a half from Charlottetown.

I have decided to sell my Farm of one hundred acres - eighty acres clear and in a very high state of cultivation, balance covered with hard and soft wood. Grand situation for general farming and stock-raising, and commanding a beautiful view of the North River, Harbor's Mouth and the City.

There is a good, comfortable Dwelling House, 3 1/2 x 8, and Kitchen, 16 x 20.

Also - Large convenient and well-built Barn, Granary and other outbuildings, and a never-failing Well of W. a. r.
