WAR IN EGYPT.

A Critical Situation.

THE NATIVES ALARMED.

CAIRO, July 31.

The advance of Nad el Jumi's forces', combined with the continual departure of British troops for the front has excited great uneasiness among the natives of the Delta, which region is almost completely denuded of troops. Only two battalions of infantry are left, while the cavalry and artillery have departed.

Col. Woodhouse reports that the main body of the insurgents, under command of Nad il Jumi, is encamped on the hills three miles north of Aba Sumbel. Active skirmishing still proceeds between the Egyptian patriots and Dervish outposts. The Dervishes who occupied the village of Toski were driven out by the Egyptians, leaving thirty-four of their number killed. A number of Dervishes were captured. Gen. Grenfell and his staff have left Koroski for Toski.

Action in Respect to Behring Sea.

OTTAWA, July 31.

A meeting of the Dominion cabinet was held to consider the seizure of Canadian sailing vessels by America cruisers in Behring Sea. It was decided to forward to the Governor-General the telegrams received from the Collector of Customs at Victoria, giving particulars of the latest seizure with a request that they be sent to the Imperial Government, and that the latter be urged to adopt prompt measures to protect the rights of Canadians on the high seas.

International Courtesies.

LONDON, July 31.

The Massachusetts Rifle team left London last night for Livorpool and will sail to-day for New York. Last night the team was given a farewell dinner at Tholbort Restaurant by Major Williams. Besides the team and host there were present several members of the London Artillery Company, Sir John Puleston, M. P., the Consul General, the new assistant Consul General Moffatt, Gen. Woodman and Capt. Gratwicke.

Treaty With Japan.

ST. JOHN, N. B., July 31.

Inland Revenue receipts for July show an increase of $1,855.81 as compared with the same month last year; while the Customs revenue shows an increase of $14,-426.25 in the same comparison.

We are agreeably surprised to see such fine celery, cabbage, cauliflower, green and butter beans, beets, carrots, onions, lettuce, etc. at Gay's stalls, Market House. He has certainly taken time by the forelock this season. We would advise those who have not already done so to change their diet and make one meal each day at least of vegetables, not forgetting Gay's Extra Early Celery, which is unquestionably the best nerve quietor known. This is not a quack medicine advertisement, but simply a reminder that summer is at hand, and that the human system requires something more than meat, bread and such heat-producing food, but just the opposite. We would say to hotel proprietors and others to order a market day ahead and thereby secure the best, and at a discount on retail prices. The advantage of this is, orders are filled at home and the best are not culled, as is sometimes the case purchasing from the market. Order by mail or call at the Market at Gay's Stalls, No. 23, 24, 25 and 26—a daily mail to Pownal.—J. J. GAY & SON, Pownal. jy29 dwlm my th

The Favorite

Medicine for Throat and Lung Difficulties has long been, and still is, Ayer's Cherry Pectoral. It cures **Croup, Whooping Cough, Bronchitis,** and **Asthma**; soothes irritation of the **Larynx** and **Fauces**; strengthens the **Vocal Organs**; allays soreness of the **Lungs**; prevents **Consumption,** and, even in advanced stages of that disease, relieves Coughing and induces Sleep. There is no other preparation for diseases of the throat and lungs to be compared with this remedy.

"My wife had a distressing cough, with pains in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Glenn, had the measles, and the cough was relieved by the use of Ayer's Cherry Pectoral. I have no hesitation in recommending this

Cough Medicine

to every one afflicted."—Robert Horton Foreman *Headlight*, Morrillton, Ark.

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days. Every one pronounced me in consumption. I determined to try Ayer's Cherry Pectoral. Its effects were magical. I was immediately relieved and continued to improve until entirely recovered."—Joel Bullard, Guilford, Conn.

"Six months ago I had a severe hemorrhage of the lungs, brought on by an incessant cough which deprived me of sleep and rest. I tried various remedies, but obtained no relief until I began to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me." Mrs. E. Coburn, 19 Second st., Lowell, Mass.

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invaluable in cases of Whooping Cough."—Ann Lovejoy, 1257 Washington street, Boston, Mass.
