## Cherry Valley Notes.

The people of this vicinity are in expectation of an oratorical treat, being a continuation of a series of lectures on the early English Church, to be delivered on Thursday, 14th inst., by E. J. Hodgson, Esq. Rev. Fred. E. J. Lloyd opened this course of lectures, followed by Hon. T. H. Haviland, and continued by the above mentioned gentleman; but owing to the roads being almost impassible, people will likely be disappointed for the present time.

What might have proved a fatal accident occurred to Mr. Alex. McDonald, Second Creek. While on his way with a load of mud from Oak Point, horse, load and driver were precipitated into the river. But through presence of mind, a gift not possessed by many in so perilous a situation, he instantly vacated his seat, and before assistance arrived, succeeded in saving his horse.

Wetherbie Brothers, the enterprising machinests and blacksmiths of this place, have of late renovated their forge and workshop, adding thereto a special paint shop, in which stands a piece of workmanship which can hardly be surpassed in the Lower Provinces for neatness and durability in the line of driving buggies. They have a wide and well-merited reputation as builders of potato diggers, being of the latest improvement, designed by themselves.

Mr. John Herbert Franklin Beers possesses one of the finest specimens of a driving beast in this locality. He has been offered for "Daisy" the handsome sum of $180, which he refused.

The most popular and widely circulated newspaper in this vicinity is THE EXAMINER. It is eagerly sought after by the unprejudiced men of all political parties, for the perusal of the debates of the Dominion House of Commons and other interesting topics.

## Vanity in Horses.

It has often been observed by those who have to do with horses that these animals have their proper pride in regard to the look of their harness and trappings. The horse is quick to show his pleasure and displeasure, and he does this at times with marked emphasis. His sensitiveness is not limited to the delight of the eye, but he is equally moved by the sensation of sound. Horses seem in many cases to be conscious of the tuneful melody of the jangling discord, as the case may be, made by the bells which are put upon them in the winter when they are driven to sleigh and sled.

Mr. Hissey, an Englishman, who has made a trip through his own country and has written a book about it, found bells in use all the year around on the narrow country roads of Derbyshire. A driver of one of these teams told him that once, being in a hurry, he neglected to put on the bells. The consequence was that the horses were so indignant they refused to start. As soon as the bells were fixed on the horses started and went contentedly on their way.

These simple tastes of the horse appear much like vanity. The animal feils wholly insensible to the charms of landscapes but its fancy is taken by the glitter and flash of a bit of tinsel worn by itself. It takes no notice, apparently, of the sweetest notes of singing heard in the thickets about its pasture, but is delighted with the ringing of bells, with which it makes music by its prancing step and by the tossing of the neck.

Never allow any one to tickle or tease your horse in the stable. The animal only feels the torment, and does not understand the joke. Never beat the horse when in the stable, as nothing so soon makes him vicious.

## Eczema. Itchy, Scaly, Skin Tortures.

The simple application of SWAYNE'S OINTMENT, without any internal medicine, will cure any case of Tetter, Salt Rheum, Ringworm, Piles, Itch, Sores, Pimples, Eczema, all Scaly, Itchy Skin Eruptions, no matter how obstinate or long standing. It is potent, effective, and costs but a trifle.

**$500 REWARD**

is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of **Catarrh, "cold in the head," Coryza,** and **Catarrhal Headache.** Sold by druggists everywhere; 50 cents.

**"Untold Agon." from Catarrh."**

Prof. W. HAUSNER, the famous mesmerist, of *Ithaca, N. Y.*, writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

**"Constantly Hawking and Spitting."**

THOMAS J. RUSHING, Esq., *2902 Pine Street, St. Louis, Mo.*, writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

**Three Bottles Cure Catarrh.**

ELI ROBBINS, *Runyan P. O., Columbia Co., Pa.*, says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
