

O'Brien Reins Winner In Little Brown Jug Classic

JOE O'BRIEN

DELAWARE, Ohio (AP)—Shadow Wave, which did not race as a 2-year-old flashed a pair of 2:01 miles Thursday over Delaware County fairgrounds' half-mile oval to capture the country's No. 1 classic for three-year-old pacers, the Little Brown Jug.

The chestnut son of Adios, driven by Canadian-born Joe O'Brien, was never in trouble as he made all but one post a winning one in capturing two straight heats.

Bye Byrde, the world record holder at 1:57.45 and a pre-race favorite, never figured in the 13th annual classic. He finished sixth in each heat, once eight lengths off the pace, and once 11 lengths back.

Shadow Wave, owned by the S. A. Camp farm of Shafter, Calif., and superbly handled by O'Brien, a native of Alberton, P.E.I., was off the pace only at the end of the first quarter of the first mile, where O'Brien Hanover led by a head.

Shadow Wave moved out front at the half and won going away from Thorpe Hanover by two and a quarter lengths. In the second heat, Shadow Wave broke in front and was never seriously challenged. He finished a length and

WE'RE OFF TO Saint John today for the annual meeting of the Maritime Amateur Hockey Association.

Indications are that it will be one of the liveliest sessions in quite some time and delegates from every section of the Maritimes are expected to be on hand.

There was, as we indicated earlier in this column, a lot of dissatisfaction concerning last season's playoffs and this undoubtedly will be one of the sore spots that delegates will touch upon.

CAPE BRETON ALWAYS has a large delegation at the annual get-together and this year promises to be no exception.

NEW GLASGOW RANGERS were tossed into a series with Amherst Ramblers who had eliminated Summerside and the teams must have made a few dollars on this affair.

When the Rangers finally were eliminated by Upper Canada, they wanted to play North Sydney. The M.A.H.A. had promised the Royals that Charlottetown would go against the Cape Breton winner.

AS IT TURNED OUT, the Royals would have been better off if the M.A.H.A. had sent the Combines and Rangers at each other's throats.

WILF SHEPHERD had quite an afternoon for himself Wednesday at Memorial Field.

The left hander who starred for Rollaway Aces in the City Softball League all season, tried his luck at baseball and it turned out to be pretty good.

WIFF was complete master of the situation as he cooled the hot bats of the Peakes Bombers with a three hitter. The only solid base knocks the Bombers got all afternoon was Phouze Smith's double in the ninth.

PEAKES' BOYS were shaking their heads at the way Shepherd had them baffled. They were loud in their praise of the young lefty but they were at a loss to figure out what he was fooling them with.

And that will be Sunday afternoon at Peakes. Willis Hennessey may come right back with Wiff and hope for a quick conclusion to the series.

PEAKES, HOWEVER, are far from out of this baseball picture. They're sure the familiar surroundings Sunday will make all the difference in the world.

THERE'S GOOD NEWS for local television viewers as far as football is concerned.

Commencing this Saturday, CFCY-TV will carry the last half of the Nova Scotia Football League games.

This series of telecasts will run through to November 1.

Here is the schedule: Sept. 20—Stadacona at Shearwater; Sept. 27—St. F.X. at Dalhousie; October 4—Dalhousie at Stadacona; Oct. 13—St. F.X. at Shearwater; Oct. 18—Stadacona at Dalhousie; Oct. 25—Shearwater at Dalhousie; Nov. 1—St. F.X. at Stadacona.

Del Miller, in the sulky behind Thorpe Hanover as the latter chased Shadow Wave across the finish line, finished second in the Jug for the fourth straight year for a \$13,050 payoff.

fourth twice and sixth once. O'Brien Hanover, half of Thursday's Miller entry, staged a 3-4 finish for third place and Meadow Bucky, with Johnny Simpson in the sulky, was fourth.

Legion Nips Cape Traverse 6-5 To Win Softball Crown

SUMMERSIDE — A dropped fly on the edge of the grass in right field spelled victory in the game and the series for Summerside at Queen Elizabeth Park last evening and made the Legionnaires 1958 champions of the Prince County Softball League.

Des Roberts, who had hit a home and a double previously, hit a long fly to deep right field. The fielder got under the ball but couldn't hold it and Des reared around the sacks with the winning run.

Because of the early darkness the teams agreed that even innings would constitute a game regardless of how many were played. The contest went only four frames.

Joe Bernard, on the mound for the Legion, had a little trouble

with control, walking six batters, but he allowed only two hits, singles by Ced MacFadyen and George Campbell. The Legion touched Ray Barrett for seven safeties.

Roberts hit 2 for 3, Art Sonier had a single and double in three tries, Joe Bernard hit a home run and single for a perfect effort in two trips to the plate.

Best fielding efforts were a smooth pick-up by Des Callaghan of a low throw to first in the first inning to retire the runner, and a grab by first baseman Dale Williams after a hard run in the second frame.

Gord Sullivan was plate umpire, Ulric Gallant and Frank Savidant handled the bases.

Large Armada Expected At America's Cup Yacht Races

NEWPORT, R.I. (AP) — An armada of 1,500 craft puts to sea Saturday for the first of the America's Cup yacht races.

An estimated 6,000 to 9,000 spectators will be at the starting line aboard craft ranging in size from an ocean liner to the family runabout.

They all had better bring binoculars because the cup races are rather like an atom — everyone knows they're there but they're not easy to see.

To keep the competing yachts, Sceptre and Columbia, far from any disturbing wind eddies, the coast guard is maintaining a picket line of 14 patrol craft.

SHOO AWAY PLANES Even aircraft will be shooed away by a coast guard amphibian if they come lower than 1,500 feet above Columbia and Sceptre Wind eddies again.

Gump Worsley Signs Again With Rangers

NIAGARA FALLS, Ont. (CP) — Goalie Gump Worsley signed a new contract with New York Rangers Thursday and then announced he is going on a self-imposed diet to cut his weight to 167 pounds from 175.

There appeared to be amicable relations between Worsley and coach Phil Watson at the National Hockey League club's training camp in nearby Stamford Arena.

Worsley has taken many barbs — especially on the subject of his weight — from Watson in the past.

Argos Loaned Football Glamor Boy For Season

TORONTO (CP) — Ronnie Knox, the one-time glamor boy of football in the United States and Canada was to report to Toronto Argonauts of the Big Four Union Thursday, it was announced by Managing Director Lew Hayman.

Hayman said the 23-year-old quarterback has "verbally agreed to certain terms and he will discuss further arrangements on his arrival by plane from Chicago."

Hayman said that the young player, property of the Chicago Bears of the National Football League, has been loaned to Argonauts for this season.

"Everything is in order," Hayman said. "Ronnie's transfer has been cleared by NFL Commissioner Bert Bell."

Hayman hoped Knox would arrive in time for Thursday night practice but he added there was no possibility he would play against Olt's as a Rough Riders here Saturday.

Knox is no stranger to Canadian football.

Manager Says Rain A Very Welcome Break For Royals

MONTREAL (CP) — When the rains came, forcing a postponement of the International Baseball League series, manager Clay Bryant of Montreal Royals said, "It's merciful. Maybe it's a break for us — a very welcome one."

Rain Thursday, for the second time, washed out the opening game of the best-of-seven battle between the Royals and Toronto Maple Leafs for the Governor's Cup.

But Wednesday's postponement didn't sit too well with the Leafs.

The Toronto club charged that decision Frank Shaughnessy's president F. R. A. K. Shaughnessy said a "premeditated action designed to rest the Montreal club."

Shaughnessy ordered the game postponed half an hour before the scheduled start when a light rain was falling.

SPORT OF KINGS' Peakes Bombers Still Very Much In Picture

Peakes Bombers have annexed the Rural Baseball championship of Prince Edward Island. It was a struggle, but the boys were equal to the task.

The Bombers are at present tangling with Rollie's Arrows for the P. E. I. Intermediate title.

Most of the players on the Arrows played softball all summer, and if the Arrows had any baseball games, we haven't heard any results of these encounters.

Although they had one defeat against them in the regular schedule of the King's County League, Peakes, in reality were undefeated. The one loss charged against them was a defaulted game to Souris.

All players on the team can equally share in the credit for the victories. They have two top-notch hurlers in Jack Hughes and Fred Handrahan.

Tommy Ivan Is Disappointed With Hawks

ST. CATHARINES (CP) — Tommy Ivan, general manager of Chicago Black Hawks, says he is "extremely disappointed" in the practice of the National Hockey League club's A squad Thursday.

"After the way they went Wednesday, I expected they'd be flying out there today," said Ivan. "Instead they seemed to let down and this is particularly true of the veterans."

Ivan added that perhaps "we'll have to go along with more youth than we had planned."

Bosox Bow To Athletics Pale Hose Defeat Orioles

By THE CANADIAN PRESS Big Ted Williams slammed out a double Thursday as Boston Red Sox bowled 4-1 to Kansas City Athletics. It didn't score a run, but it served to tighten up the already tense American League batting race.

It left Williams' average at .318 while teammate Pete Runnels, league batting leader, went hitless in four tries and dropped to .319.

In the only other American League game scheduled Thursday Chicago White Sox won 6-2 over Baltimore Orioles.

Milwaukee Braves played at St. Louis in a National League night game.

FOUR POINTS APART The five top contenders in the AL batting race are now only four percentage points apart.

Tied for third spot with .315 are Vic Power of Cleveland Indians, Harvey Kuenn of Detroit Tigers and Kansas City's Bob Cerv.

Back-to-back homers by Bill Tuttle and Roger Maris in the first inning and another by Cerv shaped the Kansas City victory. It was Cerv's 37th homer of the season.

The setback was the ninth for Red Sox in their last 10 games. The Sox took over possession of sixth place, two and one-half games behind Boston.

Bud Daley chalked up his third win in five tries with a five-hitter for As. Ted Bowsfield started for Boston and was the loser.

Chicago's Barry Latman, a 22-year-old right-hander, turned in a brilliant relief pitching effort to turn back the Orioles.

Latman relieved veteran Ray Moore in the first. Relying chiefly on a blazing fast ball, he gave up only three hits until the ninth inning when he walked the first man up and was replaced by Turk Lown.

Jack Harshman was the loser. Ray Boone hit his 13th homer of the year for Chicago.

ST. LOUIS (AP) — Milwaukee Braves, aided by 13 hits, scored a 9-3 victory over St. Louis Cardinals Thursday night.

Ex-Cardinal Red Schoendienst hit safely four out of five times, including three doubles.

Now any combination of two Brave victories or two Pittsburgh Pirates losses will bring a National League pennant to Milwaukee for the second season in a row.

The Braves spotted the Cards two runs in the first inning but came back with a four-run, five-hit attack in the fourth.

IITH HOMER In the sixth, Johnny Logan slapped out his 11th homer of the year for the Braves.

The fourth inning scoring started after Red Schoendienst's double. He came in on Hank Aaron's single. Wes Covington then singled and Frank Torre drove both in with a triple. He in turn came home safely on Johnny Logan's single.

Schoendienst scored again in the seventh after he doubled, took third on a wild pitch and was squeezed in by Eddie Mathews. The biggest blow of the game, in the ninth, was Andy Patko's two-men-on-homer but it was just icing on the cake.

Aaron's one-for-four mark at the plate kept his average at the same mark .332. He remains in fourth place in the NL batting

race. Richie Ashburn of Philadelphia leads with .342 Stan Musial of St. Louis, didn't play in the game, and his mark for second spot stays at .338. Willie Mays of San Francisco is third with .336.

Hopes To Sign Johansson For Title Match

NEW YORK (AP) — Promoter Bill Rosenzohn returned from Sweden Thursday hopeful of making a title fight between heavy weight champion Floyd Patterson and Sweden's undefeated Ingemar Johansson next June.

"Johansson is red hot now after his one round knockout of Eddie Machen," said Rosenzohn. "He and Patterson could draw a \$1,000,000 gate and maybe twice that on theatre television."

"I think I can make the match. I'm sure going to give it a great try. New York, Los Angeles or Chicago seem to be the best possible sites," he said.
