Meaningful Diatribes

Garras Dos Sentidos
Agustina Bessa-Luís

Não quero cantar amores,
Amores são passos perdidos.
São frios raios solares,
Verdes garras dos sentidos.

São cavalos corredores
Com asas de ferro e chumbo,
Caídos nas águas fundas.
Não quero cantar amores.

Paraísos proibidos,
Contentamentos injustos,
Feliz adversidade,
Amores são passos perdidos.

São demência dos olhares,
Alegre festa de pranto.
São furor obediente,
São frios raios solares.

Da má sorte defendidos
Os homens de bom juízo
Têm nas mãos prodigiosas
Verdes garras dos sentidos.

Não quero cantar amores
Nem falar dos seus motivos.

The Claws of the Heart
Agustina Bessa-Luís

I don't want to sing of love;
Love is like stray steps,
Cold rays of sunlight,
The green claws of the heart.

Each love is a racehorse
With iron and lead wings
Fallen into the deep sea.
I don't want to sing of love.

Forbidden paradise,
Unjust satisfaction,
Glad adversity--
Love is like stray steps.

It is the gaze of madness,
A feast of weeping,
An obedient frenzy,
Cold rays of sunlight.

Protected from bad luck,
Prudent men have
On their awesome hands
The green claws of the heart.

I don't want to sing of love
Nor speak of its reasons.
