S'side Y's Men Regular Meeting

The Summerside Y's Men turned out 100 per cent to their regular weekly meeting last evening at the Y Center. Two most important and worthwhile projects were given the attention of the members during the business period. The club approved two recommendations from the executive, the first re the setting up of a Christmas tree in the lobby of the Y Center. The second, re a message to all patients in the hospital at Christmas time from the Y's Men's Club. Two members of the club, George Meikle and Ralph Emery, were appointed to investigate the possibility of erecting a "nativity scene" in the vicinity of the Town Hall. This was in support of the "Put Christ Back in Christmas" movement which is receiving so much support from various organizations in various other towns and cities throughout the continent. The guest speaker at last night's meeting was Lieut. Omdr. Wilton of H.M.C.S. Stadacona, who is Sea Cadet officer of the Maritime area. With him was his assistant Lieut. Prescott. The speaker gave an excellent address on the advantages of Sea Cadets, illustrating his talk with a twenty minute film with color and sound of Sea Cadets at camp. He was introduced by Y's Clarence Mercer and thanked by Y's Ross MacKenzie. President Y's Harold Rodd was in the chair, all members were present except one who was in attendance at the Charlottetown meeting thereby getting credit for his attendance and giving the local club their second one hundred per cent meeting in the past three weeks. There were seven guests introduced, Robert Archer, introduced as a new Y man, Robert Hogan, Earl Hickey, Charles Hogan, Bill Warwick, Lieut. Prescott and Lieut. Omdr. Wilton, the guest speaker. Y's Ivan Vaughan conducted a very lively sing-song after which the business session was held. A delicious supper was served by the Y's menets with Mrs. Frank Cameron, Mrs. Roy Boates, Mrs. Henry Moyse and Mrs. Harry Bishop doing the honors. Finesmaster for the evening was Y's Wendell Muttart.

Leadership School Is Held At Kensington

Some 150 persons from districts in a 20-mile radius attended the evening session of a leadership school held in the King George Hall, Kensington, yesterday. This school or short course was the last of a series of seven held throughout the Province, and sponsored jointly by the Department of Agriculture, the Department of Education, and the Provincial Farm Radio Forum. The afternoon session dealt in part, with the conduct of a meeting and a discussion on parliamentary procedure. Through discussion and dramatization the poorly conducted meeting was contrasted with the proper conduct of a meeting. Following the afternoon theme "What's wrong with our meetings", a group discussion considered the best methods for conducting a meeting. A film was shown as the first part of the evening meeting, "The World At Our Feet", which told the story of soil and plant growth. A short one-act play by Farm Forum members dramatized the important part the Farm Radio Forum, Women's Institutes, and other similar organizations play in the every aspect of community life. The cast included Mrs. Hilda Ramsay, C.D.A., (director), Mrs. Justin MacLellan, Bernard MacLellan, George MacLeod, George Mac-
