Mackay - Toombs Wedding

A beautiful wedding took place at Tryon Sunday, February 18th at five o'clock when Margaret Eleanor, youngest daughter of Mrs. Walton and the late Walton Toombs, and David Arthur, only son of Mr. and Mrs. Arthur MacKay, Albany, were joined in holy matrimony. The Rev. R. L. Bacon officiated at the ceremony, which took place at the home of the bride. The young bride, given in marriage by her mother, looked very lovely. She wore a street-length gown of shell-pink taffeta with overdress of pink net lace, pink lace mitts, and a halo of pink roses. Her corsage was pink roses. Her bridesmaid was Miss Ferne Howatt, who chose a blue taffeta with overlace, blue lace mitts, and halo of blue roses. Her corsage was of white roses. The groom was supported by Allister MacLeod. The Wedding March was played by Miss Dorothy Bacon as the bridal party took their places under an arch of pink and white streamers and a large wedding bell. In the soft glow of the late afternoon sunlight, the double ring ceremony was performed. During the signing of the register, Miss Bacon again played very effectively Mendelssohn's Wedding March. The wedding luncheon was served to immediate families and friends of the bride and groom, under the direction of Mrs. Spurgeon Clark and Miss Dorothy Taylor. Assisting in serving were Myrtle Mayhew, Carol Clark and Elaine Chisholm. The beautifully decorated three-tier wedding cake, topped by a miniature bride and groom, was cut in the traditional manner. Mr. and Mrs. MacKay left amid showers of confetti and good wishes for Toronto, where they expect to make their future home, the bride travelling in a deep rose gabardine suit with black accessories. Her topcoat was of all-wool beige.

att at her home here is regretted, and all join in wishing her a speedy recovery.

TEN-TEST INSULATING SHEATHING

THE "SENSIBLE" INSULATION FOR ANY EXTERIOR FINISH BRICK • STUCCO • SIDING

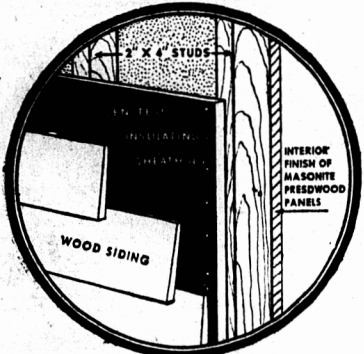

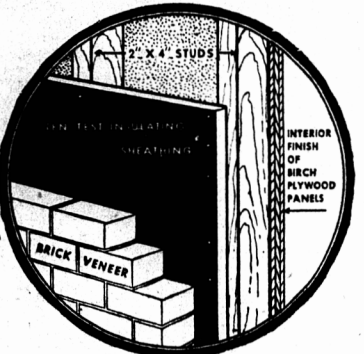

It's good sense to use TEN-TEST Insulating Sheathing — Asphalt Coated both sides and edges to prevent moisture penetration — insulates efficiently and strengthens the walls in one application.

- 1. Save as much as one-third on application. Speedy installation lowers labor costs.
2. Save on waste by using all cut-off pieces with this modern sheathing! Large 4' x 8' and 4' x 9' panels are economical, easy to handle.
3. Save on fuel through strong, draft-free construction. 1" of TEN-TEST is equal to 3" of solid lumber in fuel-saving value.
4. Save valuable time! All panels are white-routed at 16" nailing centres, to go up fast in any kind of weather.
