

AUCTION SALE

Libe. —OF A—
Farm on the Hillsborough, Lot 34.
Fine Wood Land and Excellent Farm Land.

THE Subscriber will offer for Sale, by Public Auction, his Farm of 110 acres, situate on the Hillsborough River, Township No. 34, on WEDNESDAY, the 30th day of JUNE next, at the hour of 12 o'clock, noon.

This Farm is 6 1/2 miles distant from Charlottetown, in the near neighborhood of Churches, Schools, Wharves and the Railway, within a mile's reach of an abundance of the best Mussel Mud, and contains many quantities of good Marsh Mud. There is between fifty and sixty acres covered with the best and most valuable wood on the Island, consisting of the finest Pine, Hemlock, Spruce and Fir, which has been valued at from \$1,500 to \$2,000. There is no such wood anywhere on the Island for No. 1 boards, shingles and scantling.

The remaining portion of the land is clear, while all is of excellent quality and has not been exhausted by oyster shell mud. There runs through the whole length of the farm a good stream of excellent water, easily available for a Saw Mill and invaluable for general farm purposes, while a marsh on the shore adds to its many other advantages. There is also a most beautiful site, where the residence stands, which overlooks the river and surrounding country. On the whole the Farm is most desirable and the title is guaranteed.

Terms—\$150 cash down, on day of sale, and the balance on execution of deed.
For further particulars apply at the office of Mr. W. S. Stewart, Solicitor, Charlottetown, or to the undersigned on the premises.

WE ARE
often asked, "How close will your Watches run?" We answer by stating how close they have run and are running in the hands of those who carry a Rockford.

NEW CASTLE, PA., March 10, 1886.
ROCKFORD WATCH CO.:
Gentlemen—Mr. S. J. Frisbie, telegraph operator at Youngstown, O., to whom we sold one of our eleven Jewels a little over two years ago, is frequently in our store rating his watch. The greatest variation we have been able to observe in this watch was thirteen seconds fast in two months.

Yours truly,

MR. J. KERR, 629 Penn. Ave.,

Sir—The silver watch I purchased from you in March, 1885, after being regulated by you, has not varied more than two seconds a month. I therefore take pleasure in testifying to the excellence of the Rockford Watch for which you are agent.

Yours respectfully,
RICH. M. HARVEY.
Hundreds of other testimonials can be shown at our store. The Watches we have sold are doing very well and our customers are well pleased with them.

STRICT ATTENTION

to Business, Honesty and Square Dealing, and paying Cash every time, is what has placed

L. E. PROWSE

to the front of all competitors, in CLOTHING, HATS, &c. He does not advertize to sell goods at cost, but he guarantees to sell from 10 to 25 per cent less than those who do advertize to sell at cost.

He does not try to deceive the people by making a big blow and offering paltry rewards, but tries to do things right and has the goods to back him up in what he advertizes.

He has now about 6,500 HATS and \$4,000 worth of CLOTHING, which he guarantees to sell from 10 to 25 per cent less than any house in the trade. A lot of this Clothing was bought less than half price, and will be sold less than half price.

He does not ask the people to believe his advertisement until they see his prices; he knows then they will believe, and knows that the goods and prices back him up every time.

All goods freely shown, or sent to any part of the town.

Please don't forget to call.
