TROTTING.—Should enough horses enter there will be trotting races on Summerside Driving Park on Dominion Day.

IMMERSION.—The Journal says that seven persons—two men and five women—were baptised by immersion at Dunk River, on Sunday morning last, by Rev. Mr. Cahill.

WANTED.—At this office copies of THE DAILY EXAMINER of February 4th and April 4th and 5th. Also, copies of THE WEEKLY EXAMINER of April 5, 1889.

SOCIAL.—We understand that Captain Longworth, No. 2 Battery, G. A., will entertain the members of his battery and a number of other volunteer militia men at his residence this evening.

ISLAND HORSES.—The Summerside Farmer says: Thirty-one horses—21 by Mr. McGraw and 10 by Mr. Keefe, both of St. John—were taken across in the Princess last Wednesday morning for the St. John market.

TEMPERANCE.—We are glad to hear that anyone who wishes to sign the temperance pledge, will have an opportunity of doing so at the Public Temperance Meeting to be held in McLeod's Hall, on Monday evening next.

BAD FOR THE TOES.—The Summerside Journal reports that Mr. Alex. McDonald, while working on the railway wharf at that place on Monday last, accidentally cut off one of his toes and split another with an axe with which he was working.

MILITIA PARADE.—The members of Nos. 1 and 2 Batteries Artillery, the Engineer corps and 82nd Battalion, with one of the military bands, will parade to the Methodist (Brick) Church, on Sunday morning next, where they will be addressed by Rev. John Read.

DIED ABOARD.—The news of the death of Mrs. Joseph H. McNeill (nee Miss Sadie Wilson) will be received with regret by her many friends in this city. The sad event occurred at Denver, Col., on Tuesday last. The body will be brought home for interment.

BIG TROUT.—Says the Halifax Herald: Isaac Hiltz and George Cunningham have returned from Hubbard's Cove with 54 trout, weighing from 2 1/2 lbs. to 3 1/2 lbs. each. They are among the finest ever seen in this city, and the lucky fishers are the envy of a host of less fortunate exodians to the lakes.

CRICKET.—The annual meeting of the Park Cricket Club will be held in the parlor of the Y. M. C. A., on Friday evening next, at 8 o'clock. All members are requested to be present, and any person wishing to become a member of the club will please notify the secretary.—C. Leigh, jr., Sec'y P.C.C.

A CREDITABLE MOVE.—We learn from the Journal that the parishioners of Misconche have taken steps towards the erection of a monument, during the ensuing summer, to their late beloved pastor, Rev. N. C. A. Boudreau. Such a move is highly creditable to them, and should be crowned with success.

PEDESTRIANISM.—The six days' go-as-you-please race in Madison Square Garden, New York, was finished on Saturday night. Herty was first, with 550 miles, and Cartwright second, several miles less. Seven of the contestants covered the required 500 miles, which entitles them to a share of the gate receipts.

THEY MUST MARRY.—The strike at Cox's broom factory, Duluth, Mich., has been settled in a rather singular manner. The employer increased the wages of all his married employees, and gave the single men notice that they would not be wanted after the end of the month unless they were married by that time, in which event they would be retained at an increased salary.

OFFICIAL RETURNS.—According to an exchange, a township assessor in Western Ontario has just made the following returns: No. of persons, 2,296; dogs, 274; children between five and twenty-one, 858; between 7 and 13, 329; cattle, 3,863; sheep, 2,194; hogs, 3,692; horses, 1,473. Can the assessor be a crusty old bachelor, or has he a mania for "man's trusty friend"—the dog?

A UNIQUE IMPORTATION.—Says the Summerside Farmer: One of the importations which was brought over in the Princess of Wales last Monday evening was the head of an American buffalo. It was consigned to Supt. Unsworth, and was an enormous size. The immense horns measured from tip to tip, 6 feet, and each girted near the head about 15 inches. The horns measured each in length 3 feet two inches. It had the grim appearance of some old Jewish piece of sculpture.

INTERESTING SHIPMENT.—The brig, Hattie Louise, Capt. Barnard, cleared to-day, from Summerside for Trinidad, with a cargo of white oats, potatoes, hay, etc. On her deck she took thirty horses. Twenty of these are fillies, three and four years old, of the light roaster class. They are intended for breeding purposes, and nineteen of them have been stunted to our best standard-bred horses. They were carefully selected by Hon. Donald Ferguson for the Government of Trinidad, under instructions as to size and age. The other ten horses were owned by Capt. Barnard. Dr. Bagnall and Richard Hunt, Esq., Altogether, these horses are a fine lot, and will, we trust, contribute to the reputation of Island horses in the West Indies.

FROM BOSTON.—The steamer Worcester, Captain Ives, arrived from Boston at an early hour this morning, after being detained outside Canso some twenty-two hours. She brought the usual general cargo and the following passengers: Mr. Coughlan, Mrs. Coughlan and Miss Coughlan, Mrs. J. D. Lucas, Mrs. Sanderson and daughter, Mr. W. H. Adams, Mrs. MacDonald, Mrs. Murchison, Miss Murchison, Mr. C. P. Henderson, Mr. Michael, Miss McDonald, Mr. Thomas Cadwallader, Mr. B. T. Eaton, Mr. R. S. Neill, Miss T. Howard, Miss Mobbs, Miss McMillan, Mrs. Manning, Miss J. McDonald, Mrs. Graham, Mr. J. H. Campbell, Mr. Graham, Miss Belle McIntyre. The steamer will sail on return during the night or early to-morrow morning.

PHILHARMONIC SOCIETY.—It is pleasing to learn that twenty-seven new pupils have lately begun to take instruction from Mr. Frieze in his voice building and singing classes, and out of this number there are fourteen or fifteen excellent voices that will make really good material for the new Philharmonic Society. Mr. Frieze says he considers that the society will be of great benefit to all the professional musicians in the city, and hopes that it will become thoroughly successful. The first regular practice of the Society will be held this evening at eight o'clock, and it is hoped that all the members to whom circulars were sent relative to the enrolment meeting, will be present. After the first two or three practices all names on the committee instruction list will probably be struck out and admission will have to be obtained by ballot and examination.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER. Bennett's Latest Freak

NEW YORK, May 15. A story is in circulation here this afternoon that James Gordon Bennett has undertaken a journey to Khartoum, based upon the belief that Chinese Gordon is yet alive and held a close prisoner by the Mahdi, who demands a large ransom for his distinguished prisoner. As the story goes the subject was recently under discussion at Moreton Club, Paris, when Bennett and a number of Egyptian officers were present, the latter saying that the idea was preposterous, and further that a journey for the relief of Gordon, if he was a prisoner in the hands of the Mahdi, presented so many obstacles that its accomplishment by any one person was preposterous. A bet of \$50,000 was then made between Bennett and a syndicate, and the former at once started for Cairo, from which place the latest news has been received from him through cable to the New York Herald.

The Fast Atlantic Service.

OTTAWA, May 15. In an interview to-day regarding the report that the Anderson Co. were unable to make financial arrangements to carry out their proposed fast Atlantic service, Hon. Mr. Foster said: "I have not heard anything which would lead me to suppose there is any foundation in fact for the report. So far as I know, the Andersons are progressing fairly in the negotiations, and hope to be able in a little while to definitely announce the formation of a company."

Shot and Killed Himself.

PHILADELPHIA, May 15. General Adna Anderson, of New York, shot and killed himself here to-day in his room at the Lafayette Hotel. He was a well known railroad man, having seen service as chairman of the New York & New Haven railroad many years ago, and has since served in high positions on several eastern roads. No cause is known for the deed beyond the fact that of late he had been drinking heavily.

The Samoan Conference.

BERLIN, May 15. The sub-committee of the Samoa Conference has decided that the municipal council of Apia shall comprise six members, Germany, England and the United States each to appoint one member, and the other three shall be elected by the residents of Apia. This displeased the English Commissioners, who call it the Phelps compromise.

Told to Leave.

KINGSTON, Ont., May 15. Rev. J. A. Dowler, of Inverary (Methodist), has been notified to leave inside of two months, or else "you will meet the same fate that Stillwell did, only you will find your house on the other side of the street." If he did not go, he was threatened with "dynamite."

Pleasing News.

OTTAWA, May 15. From reports received in the Department of Indian Affairs, the majority of the Indian tribes are paying far more attention to the sowing and cultivation of wheat than they have ever done before.

Tax Exemptions.

OTTAWA, May 15. The Mayor of Ottawa has issued a circular to the Mayors and Reeves of Ontario, urging a convention to promote united action to abolish tax exemptions.

Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alternative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyson, (of Fernandina, Fla.) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. B. Wiley, 143 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

Ayer's Sarsaparilla,

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Price \$1; six bottles, \$5. Worth \$5 a bottle.
