NOTICE

I have been able to secure another car Cocksbutt Tractors. Cocksbutt Tractors have elevators, in motor, ruxel gears, 8 speeds forward, 28 1-2 H.P. on drawbar, 33 on belt. Remember it takes 30 H.P. or more to run large Thrashers. Why buy smaller tractors, and lose money by trading in a few months. (No farmer ever trades large tractor for smaller one). Cocksbutt Tractors now has 2 world records—most power developed for gas consumption (153 in displacement); not over a gal. an hour; most power on drawbar for tractor weight. 35 of those tractors sold at Charlottetown since beginning of year; ask the farmer who owns one, after having used them, makes, about their performance. Sold R. E. White & Son 2 tractors—No. 30 & No. 40. Mr. White is the largest grower of Register Seed Grain east of Prairies (300 acres grain). Our terms are Cash. 3 year contract. Live stock taken in trade. This car may be last available in time for cropping. WEEKS FARM EQUIPMENT
