Local and Other Items.

A O H.—Dont miss the concert tonight. The programme is a choice one. It appears elsewhere.

THEY STOPPED THEIR PAPERS.—A newspaper, reporting the speech of a politician, intended to add, as a comment, "And the masses believed him;" instead of which, by a typographical error, the addition read as "Tnem asses believed him!"

ANOTHER STAMP IDEA.—It is darkily hinted that "I William Mulock" is hard at work preparing another stamp to commemorate the failure of the Washington negotiations, and a contemporary suggests that an appropriate legend to place thereon would be: We have a vaster fizzle than has been.

OUR BOYS ABROAD.—Mr. Duncan M. Macdonald, son of John J. Macdonald, Esq., and one of the most energetic young men of Montague, left Georgetown on Thursday, March 2nd, by the Stanley en route to the far west. He is accompanied by Mr. D. McDonald, of Orwell. We wish the boys a successful trip.

MILITIA PROMOTIONS.—82nd Queen's County Battalion of Infantry.—To be Captain: 2nd Lieutenant V. L. Goodwill, vice D. Stewart, promoted. 18th January, 1899. To be 2nd Lieutenant, provisionally: Sergeant L. Stewart, vice W. L. Goodwill, promoted. 18th January, 1899. —Canadian Gazette.

MR. BELL'S STUD.—The New Glasgow Enterprise says: Mr. A. G. Bell, who had done more than any other individual in the interests of stock breeding, has broken up his famous stud. He has sold his famous stallion Israel, to Mr. Charles Rodd. Israel was the best horse ever raised in Nova Scotia and has a record of 2 19¼. He has also sent his stallion Musgrave, a prominent son of Allerton, to New York, where he will be sold along with other Allertons at Fasig & Co's sale to be held next month. The Canadian breeder considers the loss of this fine young stallion a great blow to the breeders of Canada.

BEAN SOCIAL.—On Monday night last a bean social was held in the vestry of the Methodist Church at Kensington, prepared by the Mission Band of that church, to which quite a number gathered, despite the unfavorable state of the weather, which had interfered with the programme gotten up, to such an extent that a new one was rendered ex tempore, which in the opinion of all was a pleasing surprise, both the musical and literary parts receiving great applause. After the eatables had been partaken of by the company, a social hour was enjoyed, and the meeting then dispersed. The funds of the Band were considerably increased by the proceeds of the social, which, by good luck, is to be repeated Friday evening.

REMARKABLE LONGEVITY.—Two remarkable cases of longevity have recently been reported in the district of Cork, Ireland. In Bantry, on the route to Glengariff, there has just died a woman named Mary Spilland, who is certified to have been at least 112 years old. She had been a widow for fifty years and boasted of having many grandchildren and great grand-children in the United States. She maintained all her faculities to the last. She remembered the French invasion of Bantry Bay in 1796, and she was married in the year of the battle of Waterloo. The second case is reported from Coachford, about sixteen miles west of Cork. The woman is still alive and in extreme want. Her maiden name was O'Sullivan (Gow), and she married a man named Mountjoy. She is reported to be 115 years of age. She has been confined to her bed for the last two years and is a bit deaf and of weak slight. She speaks Gaelic and knows no English.

Success comes to those who persevere. If you take Hood's Sarsaparilla faithfully and persistently, you will surely be benefitted.

Brahmin Tea

The Most Popular and Best Seller in Canada.

Imported Direct from the Tea Gardens

It challenges comparison with any other Tea now offered here regardless of price.

Hundreds of letters praising Brahmin have been received of which the following are a few samples:—

NEW YORK, October 20

Would it be too much trouble for you to send me a chest of that India Tea that we are so fond of? If you can send it to Boston it will be forwarded to me.

BROOKLYN, N. Y, 4th December.

We liked the tea purchased from you last summer so well that I should like to order the same kind again if we can get it without too much trouble.

PROVIDENCE, R. I., 26th May.

I like the Brahmin Tea, so do my friends. I would like an 80 lb. box same as before; but I don't want any other.

OTTAWA, November 4th.

The Tea you sent is excellent, so much do we like it that I want you to send another box before navigation closes.

TORONTO, December 26.

We are simply delighted with the Tea; if anything, it is better than the sample sent. I may have a larger order for you next time, as friends who have tasted it here thought it very fine.

MONTREAL, April 20.

Do you remember sending me two boxes of tea last September. Kindly send me six boxes. I would like exactly the same quality as we had before, which would be very difficult to beat. Do you want an Agent here. I believe I could do a good business for you.

ST. JOHN, N. B. October 30.

Enclosed please find the amount of your bill for the Tea which was most satisfactory and much liked by my family. I will send for another box when this is finished.

MONCTON, N. B. November 2.

Sample of Brahmin Tea received. Please send me one box. I enclose P. O. order for the amount.

HALIFAX, N. S. November 6.

Please send me four chests of Tea, same quality and size as previously sent me, and oblige.

WINDSOR, N. S. February 1st

The two boxes Tea which you advised having shipped have arrived. The Tea gives much satisfaction, and is also approved by friends who have tasted it.

The originals can be seen on application.
