Charlottetown Literary and Debating Society.—The debate on Friday evening last—on the question of granting a bounty to encourage Mackerel fishing—was more than usually interesting. It was opened by I. C. Hall, Esq., than whom no one here has a more thorough knowledge of all matters connected with the Fisheries. Mr. Hall argued strongly in favor of granting a bounty, and, with few exceptions, the speakers who followed appeared to substantially agree with him. In order to afford the public an opportunity to hear this matter discussed in all its bearings, the debate was postponed until Friday evening next, the 22nd inst., at 8 o'clock. The meeting will be held in the upper Temperance Hall, and the public will be admitted on payment of two-pence at the door.

Holloway's Pills.—The Law of Life.—The present is a fitting opportunity for drawing attention to the few points on which health hinges. All impurities must be expelled from the system immediately their presence is discovered. Wear and tear must be compensated by suitable food, which, when thoroughly digested, must enrich the blood with its nutritive elements. The alterative virtues exerted by Holloway's purifying Pills exactly meet these requirements, and they further exercise distinctive and peculiar powers in strenghtening the nerves and regulating the circulation, whereby secretion and excretion are accurately adjusted. These excellent Pills keep all the natural functions so fairly balanced that they prevent, or speedily subdue, headache, dizziness, nausea, bilious attacks, fevers, diarrhœa, dysentery, and similar maladies.

Never-failing Safety and Success.—MRS. WINSLOW'S SOOTHING SYRUP is a safe and certain remedy for all diseases with which children are afflicted during the process of teething. It has stood the test of thirty years. Never known to fail. Gives rest to the mother and relief to the child. Cures wind colic and regulates the bowels. 35 cents a bottle.

Cure for Cough or Cold.—As soon as there is the slightest uneasiness of the Chest, with difficulty of breathing, or indications of Cough, take during the day a few of *"Brown's Bronchial Troches."* Containing demulcent ingredients, they allay Pulmonary irritation. Have them in readiness upon the first appearance of a Cold or Cough.

Hostetter's Stomach Bitters.—Who is there that does not desire to be always exempted from indigestion—to have a good appetite, a painless stomach, a clear head, a regular pulse, a healthy complexion? If this meets the eye of any who are not thus blessed, let them try HOSTETTER'S STOMACH BITTERS. We guarantee that this delightful tonic will restore any stomach, however weak, to a healthy condition; that it will bring back the truant appetite and give permanent vigor to the whole system. The feeble and emaciated, suffering from dyspepsia or indigestion in any form, are advised for the sake of their own bodily and mental comfort, to try it. Ladies of the most delicate constitution testify to its harmlessness and its restorative properties. Physicians everywhere, disgusted with the adulterated liquors of commerce, prescribe it as the safest and most reliable of all stomachics, and it is certainly much more agreeable than any of the other spirituous preparations of the day. For sale by all Druggists.

FOR A KIND YOUTH AND LOVING BOY.

BY HIS FATHER.

A youth, so kind and loving, from his parents he has fled,
To join a host of angels—he is numbered amongst the dead;
With sisters four in number and a brother before him too,
Saying your welcome up to heaven, the Almighty sent for you,
The parents are outwitted for that dear and manly boy,
His behaviour was enticing and in him was former joy;
Until the dart approached his heart; now his father he may rue,
For the parting of his loving boy when he bid them all adieu
O! he is gone, my heart is breaking for the boy that is no more,
And now I am desolated far from my native shore;
No kindred or relation, no comfort when I roam,
Since the Almighty took my children I am here a bird alone.
If it was the will of Providence and God so kind would be,
To leave that boy as comfort and hereafter take me;
But as the Lord was pleasing what so good he called his own,
So he called my boy to heaven to dwell forever more.
And now I must be content, although its loathsome to my heart,
Since the twentieth of December, the day young James from me did part;
He is gone on a worthy mission, his prayers may lighten sin,
And save his loving father, that heaven he may win.
At Christmas was approaching he was wishing for that day,
To get his Christmas presents with his comrades to go play;
He did not enjoy such treasure, for better was in store,
And left us a sorrowful Christmas—young James he is no more.

GEORGE LEWIS, Market Clerk.

NEW ADVERTISEMENTS.

To the Electors of Charlottetown and Royalty.

GENTLEMEN;

IN compliance with the request of a large number of my fellow citizens, I am induced to offer myself as a Candidate to represent you in the next General Assembly. My political opinions are so well known to you that I need not enlarge on that subject. On the important question of Confederation, however, I deem it incumbent on me to make known my sentiments. I have always been opposed to the terms of the Quebec Scheme as I consider them neither just nor liberal to this Island. In the event of a modification of that Scheme being proposed, I should, as your Representative, feel bound to submit it for the decision of the country at the Polls; and I would strenuously resist any attempt to carry out confederation in opposition to the wishes of the people. At the same time, I consider that any suggestion from the Imperial Government should be treated with the consideration due to the high authority whence it emanates.

If elected, I shall always endeavor to promote the general interests of the country. Agriculture and the prosecution of the Fisheries, being our chief sources of wealth, I would encourage and develope as far as possible. The means of transit in a new country is also a subject of the utmost importance, and demands most serious consideration, and for this service I would advocate as liberal an expenditure as the resources of the Colony may admit.

I regret that the short time that will elapse before the day of Election prevents my making a personal canvass to secure your support.

I am, Gentlemen,
Your obedient servant,
J. T. JENKINS.

To the Independent Electors of Charlottetown and Royalty.

GENTLEMEN;

HAVING been solicited, by a large and influential number of my fellow-citizens, I have resolved to become a Candidate for your suffrages at the approaching Election.

My object, Gentlemen, is not the support of party, but the advocacy of such measures—irrespective of party bias—as are best adapted to the requirements of the Colony.

My humble efforts and best energies shall be more especially directed to the obtaining of a Loan, in the payment of Proprietary lands, thereby securing for the Tenantry of this Colony the fee simple of their farms, without embarrassing and depressing our mercantile interests.

Any legitimate means that can be devised for the protection and fostering of that invaluable branch of our industry—the Fisheries—with a view of placing our own people on a level with American Fishermen, will receive my best support.

I shall also encourage protection to Home enterprise, the extension and development of every branch of Trade and Commerce, and shall further any measure calculated to stimulate the industrial classes and benefit the material interests of the Colony generally, but more especially Charlottetown and Royalty.

On the Confederation Question I am opposed to any measure committing this Island to the Quebec, or any other Scheme, until my constituents shall have first decided in favor of it at the Polls.

I have the honor to be,
Gentlemen,
Your most obedient servant,
P. W. HYNDMAN.

REQUISITION.

To Thomas W. Dodd, Esq.

Sir:

WE, the undersigned Electors of Charlottetown and Royalty, deeming it inexpedient that any further delay should transpire in choosing some gentleman to be put in nomination as an additional candidate for Charlottetown and Royalty, and having every confidence in your ability and integrity, have to request that you will reconsider the determination you came to at the recent meeting at the Temperance Hall, and consent to be nominated as one of the candidates for said Town and Royalty; and we pledge ourselves to use our best exertions to ensure your return, feeling assured that you will not only further every measure that will promote the prosperity of the City, but faithfully maintain the interests of the Island in all constitutional measures required by the well-understood wishes of its people.

REPLY:

To the Free and Independent Electors of Charlottetown and Royalty:

GENTLEMEN;—In compliance with the above requisition, received this day, I have decided to allow myself to be placed in nomination as a candidate for Charlottetown and Royalty, to represent you in the next General Assembly. With my political views you are well acquainted. I am a decided opponent to the proposed scheme of Confederation, so far as it is intended to include this Island with the other British North American Provinces. Should you honor me with your Confidence by electing me one of your Representatives, I shall use my utmost endeavors to promote the interests and prosperity of Charlottetown and Royalty, also of the Island in general.

With many thanks for your expression of confidence in me, I have the honor to be, gentlemen,

Your obedient servant,

LEMUEL McKAY.
Charlottetown, Dec. 17, 1866.

To the Electors of the First Electoral District of King's County.

GENTLEMEN:

THE House of Assembly having been dissolved by Proclamation of His Excellency the Lieutenant Governor, you will, on the 26th of the present month, be called upon to elect two Members to represent your interests in the Lower Branch of the Legislature. It is a matter of regret that the period of the year selected is one so inconvenient both for Electors and Candidates; but the Government alone are responsible for this, and also for the additional serious inconvenience which they have unnecessarily imposed upon a large number of the Electors of King's County, by appointing the General Election to be held on the day by law ordained for the sitting of the Supreme Court in Georgetown. Grand Jurors, Petit Jurors, Suitors and Witnesses must either attend at Georgetown and thus be deprived of their franchise, or they must neglect their duties, run the risk of being fined, or postpone the trial of their causes and suffer inconvenience and expense.

The recent elections of members of the Legislative Council indicate an entire absence of confidence in the Government. The strange want of cordiality which for some time past has existed and been openly evinced between the members of the Government, has been little calculated to inspire the conviction that the affairs of the country can any longer be safe in their keeping. Divided among themselves, constantly forgetful of the first principles of Responsible Government, having no confidence in each other individually, how can they expect you to have confidence in them collectively?

I thank you for the very cordial reception which you extended to me when I visited the District and held Public Meetings last week and in the month of July last. The assurances of support which I then received were most gratifying to me, and, in accordance with the invitation almost unanimously given, I again offer myself with confidence as a candidate for your suffrages. It will be my sincere desire, should I be again returned as your representative, to devote myself in, I trust, a spirit of moderation to the furtherance and support of all measures calculated to advance the general interests of the Island or supply the local wants of the District. I hope to see the Education Act altered and remodelled in many respects; I think that the Teachers should be placed in a better and more independent position with respect to the payment of their salaries, and that the mode of making assessments for building Schools and other educational purposes should be simplified, so as to render the office of a Trustee less burdensome and dangerous than it is at present. The provisions of the Land Purchase Bill should be extended as much as possible, and efforts made to induce the yet remaining Proprietors of rented Township Lands to sell to the Government. This measure of the Liberal party has been now adopted by its opponents, who have failed to produce any other one equally good. Had the Loan Bill been allowed to pass, it would have proved a very valuable adjunct to the Land Purchase Bill; particularly at the present time, and enabled the Government to pay the purchase money for the Cunard Estate without that serious inconvenience to the mercantile community which has been caused and yet will be caused by the mode adopted, and, moreover, would have enabled them to resell to the Tenantry at a lower figure than under present circumstances they can, perhaps, afford to do.

The enlargement of trade with the United States and other countries, the improvement of the system of road-making, the general extension of the benefits of Steam communication as far as possible to all parts of the Island, the encouragement of the fisheries, an increase of efficiency in all branches of the Public Service, as well as a careful economy in the expenditure of the Public Revenue, are all objects which will require and be well worthy of the serious attention of the incoming Legislature.

I am, as you know, an opponent to the proposed Confederation of this Island with the other British North American Provinces. I have always felt confident that the Imperial Government would not compel us to adopt the scheme so long as we clearly and pointedly evinced our repugnance to it. The Bill now before the Imperial Government confirms this opinion,—it leaves it optional with the inhabitants of the Island to confederate or remain out; and I hope that a sufficiently large majority of members opposed to the measure will be returned at the coming Election to prevent any danger of its consummation through local Legislation.

I have the honor to be, Gentlemen,
Your ob't. serv't,
JOSEPH HENSLEY.

Charlottetown, 2nd Feb'y, 1867.

To the Electors of the Second Electoral District of King's County.

GENTLEMEN:

Having been nominated at several influential meetings recently held in your District, as a candidate for your suffrages at the forthcoming Elections, and the House of Assembly having been now dissolved, I avail myself of the earliest opportunity to say that I accept these nominations. In politics, I need scarcely say that I am a Liberal from conviction, and to that party I will give my hearty support in the future as in the past. All measures having a tendency to ameliorate the condition of the people, and to promote the prosperity of the Colony, will receive my warmest support. Believing that self-government is one of the greatest privileges that can be enjoyed by a people, I have been, and still am, opposed to the Quebec scheme of Confederation. I am, in fact, opposed to any closer political connection with Canada than that which already exists in a common allegiance to the British throne; but if the Imperial Government should hereafter submit for our consideration another plan of Colonial Union, based upon more favourable terms than those of the Quebec scheme, I would deem it my duty to refer the same to you before taking any definite action thereon.

Should I succeed, Gentlemen, in my election, whilst I shall always be anxious to serve, to the best of my ability, the general interests of the Colony, my attention will be more especially devoted to the local wants of the District. In conclusion, I will say that, if at any time during my representation, I should be so unfortunate as to forfeit your confidence, or act contrary to your views and wishes upon any question of local or general interest, I would deem it incumbent upon me, upon being unequivocally notified of the fact, to immediately resign and place my seat at your disposal.

I am, Gentlemen,
Your obedient servant,
EDWARD REILLY.
