

Lewisville Cubs Meet Summerside Today In NB-PEI Junior Play Offs

The Lewisville Cubs, New Brunswick junior baseball champions, will be at the Recreation Centre ball diamond in Summerside today to take on the Prince Edward Island junior champions in the first game of a best two out of three series for the two-province crown.

The Cubs are said to be the best junior ball club to come out of New Brunswick in a good many years, and if this is so, the Johnny Carroll-coached C and B club will have a real battle on their hands to take this important first game of the series.

The local boys feel confident, however, that they will give the Lewisville Club a real tussle for supremacy, and this game should be the highlight of a very successful baseball season. It is expected that Carroll's young right-hander, Donnie Simmons, will be on the mound against the visitors. Donnie has been having a little trouble with a blister on his throwing hand, but Carroll believes he will be okay for the umpire's opening "Play ball."

The probable line-up for this first game is as follows: Paul Schurman c. Don Simmons p. Maurice Cannon 1b. Johnny Whalen 2b. Benny Grady 3b. Coke Grady ss. Neil Walker lf. Joe Dalton cf. Bill Purcell rf. The only member of the team who will not be present for the game is Dee Lafurque, relief pitcher, who won one ball game in the Island finals.

Dee is attending Horton Academy in Wolfville, N. S. but it is expected he will be ready for relief action when the teams play in Lewisville over the week-end.

The game starts today at 2:30 p. m.

Wins Blind Golfers Tourney

HAMILTON, Ont., Sept. 9 — (CP)—Nick Genovese of Hamilton won the Canadian blind golfers championship today, shooting a 113 over his home Dundas Valley course.

The long-hitting Hamilton player had a nine-stroke edge over defending champion Phil Lederhouse of Prince Albert, Sask., and Harold Mitchell of Hamilton Glendale who tied for second with 122.

Genovese, who has been known to tour the 18-hole course in the high 80s, had a slight touch of the jitters. But his putter was still hot enough to bring him down in front. He needed only 37 putts and had five one-putt greens on the home nine. He had two birdies.

Lederhouse, the only contestant from outside the Toronto-Hamilton area, couldn't find the range. He hit well off the tees but his second shots and putting were below par.

Seek World's Record Tuna

WEDGEPORT, N. S., Sept. 9 — (CP)—Although few admit it, the big quest of anglers here for the ninth international tuna tournament is to capture a world's record bluefin.

If weather and previous catches on nearby tide-tortured Soldier's Rip are any indications, their chances this year are good. Weather has been perfect and the tuna, although in less quantity, have been larger.

Some of the world's best anglers, representing 11 countries, will be on hand tomorrow when the starting gun booms over the turbulent shoal at 7 a. m. A.D.T.

Among them will be Dr. T. Harold Pettit, Auckland, N. Z., former holder of the world's record for tiger shark, and Cmdr. Duncan M. Hodgson, Montreal, who caught a record 977-pound tuna in 1950 on Cape Breton's St. Ann Bay. Both are members of the British Commonwealth team.

Loran E. Baker, Ottawa, was eliminated from the team after being injured in an auto accident last week.

Brazil, Cuba, United States, Mexico and Venezuela have also entered squads of expert anglers.

Abbies Play Peakes Today

Casey Stengel Out With Illness

ST. LOUIS, Sept. 9 — (AP)—Manager Casey Stengel of New York Yankees was confined to his hotel room tonight with a virus infection of his stomach.

He placed coach Jim Turner in charge of the team as the Yanks opened a two-night stand against St. Louis Browns.

Stengel may be out two days or more, it was reported.

RE BASEBALL CONTROVERSY

Sir,—The letter signed D. R. Rhodenizer was most instructive. However, since no such governing body to examine complaints exists, I would suggest that we use Mr. Rhodenizer's simile re the potatoes as a sound basis for dealing with the players in question. I most certainly agree that I should not want to see a dealer in Quebec or Ontario refusing to buy 95,000 bags of potatoes because he found one or two bad ones. But, it does seem logical that, having located the offending potatoes, he would quickly dispose of them rather than allow them to contaminate the remainder. The reply of E. S. H. is made ineffective by its anonymity, and is completely confounded by his own "yak-yak" (if I may be permitted to use Mr. Rhodenizer's words). To summarize this sorry situation: A worthy byproduct of sport should be its contribution to moral as well as physical health.

I am, Sir, etc.

Smythe Dislikes Draft System

TORONTO, Sept. 9 — (CP)—Conny Smythe drew a bead today on a new National Hockey League draft system drawn up by President Clarence Campbell for presentation to the League's Board of governors in Chicago Thursday.

The Toronto club manager said he is agreeable to a draft, but he doesn't go along with the President's plan because it covers only professional hockey players. Smythe wants the amateurs subject to draft too.

The plan calls for each club to name 15 players and a goalie as exempt from the draft. April 30 was suggested as the draft date and \$10,000 as the price. The team finishing last in the league race would have first draft choice and so on up to the top.

Smythe disagreed with the price, because it costs \$100,000 to develop a player, and with the date, because he favored a time at the end of the fall training season.

Obeck Is Not Too Optimistic

MONTREAL, Sept. 9 — (CP)—Coach Vic Obeck isn't optimistic about the showing his senior McGill Redmen will make in the Intercollegiate Football Union this fall.

The 1952 version of the Redmen will be built around a nucleus of experienced veterans, mainly around quarterback Geoff Crain, who Obeck says is the best forward passer in the league.

The McGill coach said his team is short on experience, but long on speed and youth.

"We'll use the wing-back and T-formation, but will toss in plenty of hipper-dipper patterns. You can't expect a group of young coils to fit into a series of slow-moving plays."

Giants Cut Dodgers Lead To Four Games; Indians One Game Down

By The Canadian Press

The on-rushing New York Giants chopped Brooklyn Dodgers' National League lead to four games Tuesday, moving down Pittsburgh Pirates 11-6 in a day game while the Dodgers were drubbed 7-1 by Chicago Cubs in a night game.

Homers figured largely in the New York-Pittsburgh contest. Don Mueller, Monte Irvin and Al Dark hit four-baggers for the Giants. Ralph Kiner and McCullough clouted one each for the Pirates. Kiner's good for three runs.

Kiner's homer in the eighth chased Bill Connelly, who had pitched four-hit ball for the first seven innings. George Spencer finished, but Connelly, a rookie right-hander, got credit for his fifth straight victory.

Knuckleball expert Warren Hacker pitched Chicago to their triumph over Brooklyn. A five-run outburst by the Cubs in the fourth inning broke up a scoreless pitching duel between Hacker and Brooklyn's Ray Moore. A triple by ex-Dodgers Dee Fondy, sandwiched between singles by Frank Baumholtz and Toby Atwell, another ex-Dodger, sent Moore to cover. Rookie Joe Landrum took over but yielded a two-run double to Randy Jackson to put the Cubs far in front.

The defeat was the Dodger's 11th in the last 16 games.

Cleveland Indians sliced New York Yankees' lead in the American League pennant battle to one game. The Indians romped to a 6-1 victory over Philadelphia Athletics behind pitcher Early Wynn while St. Louis Browns nipped the Yankees 5-4.

Cleveland now has won six games in a row in their feverish drive to overhaul the World Champions. Victim of the loss was Bobby Shantz suffered his fourth setback against 22 victories. Wynn allowed only five hits and struck out seven.

Managers Al Lopez of Cleveland and Jimmy Dykes of Philadelphia were both thumbed out of the game—a riotous affair that also saw the banishment of Allie Clark and Eddie Joost and an injury to George Strickland, Indians' shortstop who suffered a sprained thumb.

Lopez was chased by umpire Jim Duffy in the fifth inning for being ejected because Joe Astroth was called safe at second on Luke Easter's throw to Strickland for an attempted foreout. This was the play on which Strickland was hurt.

Clark, a pinch-hitter, was ejected by plate umpire Charley Berry for protesting a third strike in the ninth.

Ray Scarborough struck Clint Courtney with a pitched ball in the ninth inning with the sacks loaded to force in a run and give the Browns their victory.

The Cubs went into the final stanza tied 4-4.

Pinchhitter Dick Kryhoski opened for St. Louis with a double. Ray Coleman, who ran for Kryhoski, took third as Freddie Marsh beat out an infield hit.

Gordon Goldsberry grounded out, sent Marsh to second, and Scarborough, the Yankee's fourth hurler, walked Vic Wertz intentionally to set up a play at any base.

Then came the pitch that hit Courtney.

Sollie Hemus' bases-loaded double and Red Schoendienst's booming triple were the telling blows for St. Louis as the Cardinals tallied five runs in the ninth-inning rally to defeat Philadelphia Phillies 7-4. The batting splash

Billy Harris Had Outstanding Year

MIAMI, Sept. 9 — (CP)—Steady pitching by Billy Harris of Moncton helped Miami finish first in the Florida International Baseball League last week-end.

Statistics released today showed that during the year in the southern loop, the New Brunswick boy won 25 and lost six, pitching 295 innings. He started in 32 games and completed 29, pitching 12 shutouts.

Harris gave up 176 hits and 96 runs while while striking out 121 and walking 79.

At bat he had a .211 average and came through with two home runs.

Miami won the league pennant with 104 wins and 48 losses for an average of .684. Miami Beach was second with 103 wins and 49 losses for .678.

Softball Game Called In Sixth; Replay Thursday

The City League Softball play-off game between the Sunshine Island Dairy and the Liguorian Youth Club was called yesterday evening in the sixth inning on account of the darkness with the Lyc leading 7-6.

The game will be re-played Thursday evening. Yesterday's game was the fifth and deciding contest in the series. The teams are tied at two games each.

The Dairy men went into a 6-3 lead in the early innings but the Lyc came back in the fifth to go ahead by one run. They had just completed their half of the sixth inning when the game was called.

Ced Ballem started for the Dairy men and was relieved by Brother Art Ballem in the fifth. Jimmy Gauthier started for the Lyc and his place was taken by Wilf Shephard.

Third Game In Island Baseball Finals Today

The third game in the Island Intermediate baseball finals between the Maritime Central Airways and the R.C.A.F. Royals will be played on the airport diamond this afternoon with the game getting underway at four o'clock.

The best of seven series is tied up at one game each. The air men won the opening game last Wednesday with a 5-4 victory in Summerside and M.C.A. came back on Sunday with a 7-6 win to even matters.

Jimmy "Fiddler" MacDonald, the man who made last Sunday's win possible with his pinch hit single in the ninth inning, may be starting on the mound for M.C.A. today. MacDonald, who was one of the best pitchers ever developed in the province, has pitched only three innings of a regular game this year.

If MacDonald does not go to the hill it will be Lefty MacAleer, veteran lefthander who held the air men to five runs last week.

Durocher Fined And Suspended

NEW YORK, Sept. 9 — (AP)—Manager Leo Durocher of New York Giants today was fined \$100 and suspended for two days effective tomorrow, by National Baseball League president Warren Giles as the result of yesterday's "bean ball" epidemic at the Polo Grounds. Fitcher Montie Kennedy was fined \$50 and pitcher Larry Jansen \$25 but Jansen's fine was "remitted" because of his good record.

In a lengthy telegram to the Giant officials, Giles said Kennedy was fined because it was believed under the circumstances that he threw deliberately at Brooklyn batters.

Giles noted that, under his "bean ball" directive of Aug. 15, a manager is held responsible for the action of his pitcher.

Giles wired that the fine to Kennedy and suspension of Durocher were not intended to imply that Durocher gave instructions to throw at hitters.

N.B.A. Reaches Compromise On Maxim Issue

MONTREAL, Sept. 9 — (CP)—The National Boxing Association today disposed of the controversial Maxim-Kearns suspension by reaching a compromise agreement, aimed at keeping unanimity in the boxing world.

The British Boxing Board of Control suspended light-heavyweight champion Joey Maxim and his manager, Jack Kearns, charging failure to go through with a contract to meet Randy Turpin in London.

Kearns, appearing briefly before the Association's 33rd annual convention here, said the only contract he signed was for a match to meet Don Cockell. There was no contract to fight Turpin.

The matter was taken care of when the association passed a resolution agreeing there was a "reasonable difference of opinion between Kearns, Maxim and Solomons (promoter Jack Solomons of London) as presented by the B.B.C." in the British request for backing of the suspension.

Furthermore, Archie Moore had been a logical contender for more than a year and Maxim was ordered to defend his title against Moore within 60 days, with the winner to fight Turpin within 90 days.

Various proposals were made for reaching a settlement but were turned down before Commissioner Abe Greene's proposal was unanimously carried late in the afternoon.

The delegates also decided that middleweight champion Sugar Ray Robinson should defend his title within 60 days. Outgoing president Dave Rochon of Montreal pointed out that Robinson last defended his title in September, 1951, a year ago.
