Morning Stock Letter

(Received over Pittfield and Co's Private Wire) NEW YORK, June 2—The Senate will begin to debate on the Tax Bill today. Opposition is expected from a minority group. Senate yesterday passed the Reilly Bill and if the Tax Bill passes quickly there is a possibility that Congress may adjourn at the end of this week or early next week. It is reported that the treasury offering has been all sold. There are a number of dividend meetings today among which are, American Cynamid, Ann. Mailing, Anchor Cap, General Am. Trans- portation, Intl. Shoe, Kruffmann Dept. Stores, Mack Truck, J. C. Penney, Sunshine Mining, L. S. Young Spring and Wire. We would look for further irregularity today but if volume does not increase on the downside, we would be willing to make new commitments in credit companies stocks, railway equipment, heavy steels, and some of the rails.
