EASE AND HEALTH TO THE SICK!

HOLLOWAY'S OINTMENT.

Universal approbation has been awarded to this famous Ointment for its efficacy in removing the skin. For scrofula, scurvy, scald heads, and all eruptions of the skin, both in infancy and mature years, no remedy can be applied which so quickly cures as Holloway's Ointment. In the cancer it should always be first used to ease the most distressing affections to which the majority of children are liable. In all heat and tooth aches, the Ointment is wonderful cooling and curative. To soldiers, sailors, miners and travellers in foreign lands, it is invaluable.

Sores, Wounds, Bad Breasts, Bad Legs. In this class of maladies, an improvement in the appearance of the disease of the patient follows the first dressing with the Ointment. It must not only be smeared on the wound or sore, but be rubbed for some inches round about the diseased swollen or painful parts. It will penetrate to the fibres, venous, arteries and muscles, and even to the bone, and will exercise the most wholesome healing and purifying power over every tissue, requisite for thorough repair. The effect of the Ointment is increased by fomenting with warm water, and the Ointment is rubbed in by wet sponges, which heating, should never be cleaned with a sponge or anything else, as the young and new flesh which appears like a cream would be washed away.

Blood to the Head, Apoplexy. Nothing gives so much ease in these complaints from which so many suffer as Holloway's cooling and healing Ointment. When rubbed upon the spine it acts most energetically in drawing surplus blood from the head, and by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified, and purified by food coming from a clean stomach, and triumphantly mounts the banner of health in the blooming cheek. The following are among the distressing varieties of human disease in which the VEGETABLE LIFE MEDICINES are well known to be infallible: DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind. Flatulency, Hiccoughs, Heartburn, Headaches, Indigestion, Nausea, Vomiting, Lowness, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. CONSTIPATION, by cleansing the whole length of the intestines with a sweet purgative, without violence, all violent purges leave the bowels in a state of irritability, and the system is left in a state of debility. DIARRHŒA and CHOLERA, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative action of the bowels, and restoring the regular circulation. FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of preparation in such cases, and the thorough solution of all intestinal obstructions in others. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder, and by the use of the Vegetable Life Medicines, which have been found to be a certain remedy for the worst cases of Dropsies. Glands, by dislodging from the turnings of the bowels the slimy matter which causes the chronic adhesion. Asthma and Consumption, by relieving the air vessels of the lungs from the mucus which even slight colds will occasion, and which, if not removed, becomes hardened, and produces those dreadful diseases. Rheumatism, Gout, and Gravel, by the perfect purgative which the LIFE MEDICINES give to the blood, and all the humors. Scrofula Eruptions and Bad Complexions, by their alternative effect upon the fluids, that keep the skin, and the morbid state of which occasions all scrofula eruptions, salient, scaly, and other disagreeable complexion. The use of these Pills for a very short time will effect an entire cure of Salt Rheum, and a striking improvement in the complexion of the skin. Catarrhs of the Bladder and Uterus will always be cured by one dose, or two doses in the worst cases. PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES are the most certain and complete recommendation. It is well known to hundreds in this city, that the former proprietor of these valuable Medicines, was himself afflicted with the complaint for upwards of thirty-five years, and that he tried in vain every other medicine, until he discovered the efficacy of the Vegetable Life Medicines. He, however, at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by his human friends. FEVER and AGE. For this scourge of the western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system debilitated, and the patient in a state of prostration; but these are permanent - THEY TEND TO SATISFACTION, AND BE RE-CURED. BILIOUS FEVERS and LIVER COMPLAINTS. General Debility, LOSS OF APPETITE, and DYSPEPSIA OF FEMALES - these Medicines have been used with the most beneficial results in cases of this kind. The VEGETABLE LIFE MEDICINES are the only ones which will cure the most violent and dangerous cases of BILIOUSNESS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PARALYSIS of the LIPS, and all other Diseases, as speedily cured. NEURALGIC PAINS. Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they were used to cure the most violent cases of this kind. A single trial will place them beyond the reach of competition, in the estimation of every patient. CAREFUL OF COUNTERFEITS. Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad. Day of no one will be an unscrupulous dealer. Beware of cheap imitations. Sold by T. DESBRISAY, Charlottetown, General Agent, and by James Pidgeon, New London, John Beer, Bedouque, Garrett and Hudson, do., H. Beer, Southampton, W. H. B. & Co., Charlottetown, J. J. Franck, St. John's, John Frost, Grand River, George Wigginton, Grandport, P. Stephens, Orwell, and R. S. Hildner, Summerside, Wm. Bruce, Cape Traverse, July 17, 1861.

Rheumatism, Gout, Stiff Joints. Every one suffering from these painful affections should use this purifying Ointment, as it has rescued thousands from a life of torture, after years of suffering, and in vain. The Ointment should be well rubbed into the skin at least twice a day, after it has been properly fomented with warm salt and water. The inflammation soon yields, and the patient no longer feels any of the usual agonies of the disease.

Glandular Swellings, Bronchitis, Mumps, Sore Throat, and Diphtheria. To combat these diseases with success, a remedy is required which will have the whole absorbent system under its control. Such a remedy is Holloway's Ointment, when rubbed on the skin, it penetrates to the glands, and over every absorption, which is the source of their healthy action. This Ointment acts on the very main spring of life, for through the glands pass all new matter required for the body's repairation, in all the above classes of cases, the Ointment and Pills used in connection with it, will certainly and certainly act to effect cures in the most deplorable cases.

Fistulas and Piles. All inflammations and alterations of sensitive parts may be presently relieved, and ultimately cured, by the diligent use of this cooling and healing Ointment, applied to the parts in cold water. Immediate ease springs from its use; perseverance is necessary to effect a permanent cure. In these complaints the Ointment should be well rubbed twice a day upon the chest, and between the shoulders, it will penetrate to the lungs, stimulate them to renewed exertions, prevent stagnation of blood, moderate the pulsation of the heart, improve the current of air through the bronchial tubes, and thus effect a permanent cure.

Asthma, Shortness of Breath. Both the Ointment and Pills should be used in the following cases: Bad Legs, Rheumatism, Gout, Scrofula, Scald Heads, Bad Breasts, Ulcers, Sores, Burns, Chapped Hands, Ringworms, Itch, Scabies, Eruptions, Swellings, Dropsies, Catarrhs, Nausea, Vomiting, Indigestion, Heartburn, Headaches, Hiccoughs, Flatulency, Melancholy, Lowness, and all other symptoms of Dyspepsia, Constipation, Diarrhœa, Cholera, and all other diseases of the bowels, and all other ailments of the system.

MOFFAT'S LIFE PILLS AND PHENIX BITTERS.

THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in most every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable. Unlike the most potent poisons which have been administered, the very essence of the medicine is derived from the very essence of an untimely grave, at the end of the desolating agonies of the day had utterly failed, and to many thousands they have permanently secured that uniform enjoyment of health, without which life is but a painful and dreary existence. In great indeed, has their efficacy invariably and infallibly proved that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they are so judiciously and judiciously prepared. It was their manifest and sensible action in purifying the springs and channels of life, and inducing them with renewed tone and vigor, that they were infelicitous for their name.

Blood to the Head, Apoplexy. Nothing gives so much ease in these complaints from which so many suffer as Holloway's cooling and healing Ointment. When rubbed upon the spine it acts most energetically in drawing surplus blood from the head, and by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified, and purified by food coming from a clean stomach, and triumphantly mounts the banner of health in the blooming cheek. The following are among the distressing varieties of human disease in which the VEGETABLE LIFE MEDICINES are well known to be infallible: DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind. Flatulency, Hiccoughs, Heartburn, Headaches, Indigestion, Nausea, Vomiting, Lowness, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. CONSTIPATION, by cleansing the whole length of the intestines with a sweet purgative, without violence, all violent purges leave the bowels in a state of irritability, and the system is left in a state of debility. DIARRHŒA and CHOLERA, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative action of the bowels, and restoring the regular circulation. FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of preparation in such cases, and the thorough solution of all intestinal obstructions in others. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder, and by the use of the Vegetable Life Medicines, which have been found to be a certain remedy for the worst cases of Dropsies. Glands, by dislodging from the turnings of the bowels the slimy matter which causes the chronic adhesion. Asthma and Consumption, by relieving the air vessels of the lungs from the mucus which even slight colds will occasion, and which, if not removed, becomes hardened, and produces those dreadful diseases. Rheumatism, Gout, and Gravel, by the perfect purgative which the LIFE MEDICINES give to the blood, and all the humors. Scrofula Eruptions and Bad Complexions, by their alternative effect upon the fluids, that keep the skin, and the morbid state of which occasions all scrofula eruptions, salient, scaly, and other disagreeable complexion. The use of these Pills for a very short time will effect an entire cure of Salt Rheum, and a striking improvement in the complexion of the skin. Catarrhs of the Bladder and Uterus will always be cured by one dose, or two doses in the worst cases. PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES are the most certain and complete recommendation. It is well known to hundreds in this city, that the former proprietor of these valuable Medicines, was himself afflicted with the complaint for upwards of thirty-five years, and that he tried in vain every other medicine, until he discovered the efficacy of the Vegetable Life Medicines. He, however, at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by his human friends. FEVER and AGE. For this scourge of the western country, these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system debilitated, and the patient in a state of prostration; but these are permanent - THEY TEND TO SATISFACTION, AND BE RE-CURED. BILIOUS FEVERS and LIVER COMPLAINTS. General Debility, LOSS OF APPETITE, and DYSPEPSIA OF FEMALES - these Medicines have been used with the most beneficial results in cases of this kind. The VEGETABLE LIFE MEDICINES are the only ones which will cure the most violent and dangerous cases of BILIOUSNESS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PARALYSIS of the LIPS, and all other Diseases, as speedily cured. NEURALGIC PAINS. Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they were used to cure the most violent cases of this kind. A single trial will place them beyond the reach of competition, in the estimation of every patient. CAREFUL OF COUNTERFEITS. Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad. Day of no one will be an unscrupulous dealer. Beware of cheap imitations. Disorders of the Skin. Universal approbation has been awarded to this famous Ointment for its efficacy in removing the skin. For scrofula, scurvy, scald heads, and all eruptions of the skin, both in infancy and mature years, no remedy can be applied which so quickly cures as Holloway's Ointment. In the cancer it should always be first used to ease the most distressing affections to which the majority of children are liable. In all heat and tooth aches, the Ointment is wonderful cooling and curative. To soldiers, sailors, miners and travellers in foreign lands, it is invaluable.

Sores, Wounds, Bad Breasts, Bad Legs. In this class of maladies, an improvement in the appearance of the disease of the patient follows the first dressing with the Ointment. It must not only be smeared on the wound or sore, but be rubbed for some inches round about the diseased swollen or painful parts. It will penetrate to the fibres, venous, arteries and muscles, and even to the bone, and will exercise the most wholesome healing and purifying power over every tissue, requisite for thorough repair. The effect of the Ointment is increased by fomenting with warm water, and the Ointment is rubbed in by wet sponges, which heating, should never be cleaned with a sponge or anything else, as the young and new flesh which appears like a cream would be washed away.
