Coles-MacRae Nuptials

St. John's Anglican Church, Milton, was the scene of a very pretty wedding on Wednesday evening, June 28th at 7 o'clock, when Miss Elizabeth Hunter Coles, only daughter of Mr. and Mrs. Herbert Coles, North Milton, was united in marriage with Mr. Elmer MacRae, Charlottetown, son of Mrs. MacRae and the late Wm. MacRae of Wheatley River.

Rev. W. J. Phillips performed the ceremony.

The church was beautifully decorated in white and green by the friends of the bride and was filled to capacity with guests and interested friends.

To the strains of Lohengrin's Wedding March played by Miss Verna Rodd, the bride entered the church and was given in marriage by her father. She was beautifully gowned in white satin and her veil was held in place by a wreath of lilies of the valley. She carried a beautiful shower bouquet of Briarcliffe roses and maiden-hair fern. She was attended by Mrs. Lois MacDonald, sister of the groom, as matron of honor and little Miss Margaret Coles as flower girl.

The matron of honor was gowned in pink taffeta dress with jacket of net and taffeta and matching accessories and carried a bouquet of pink carnations. The winsome little flower girl, daughter of Capt. and Mrs. James Coles, wore a floor length dress of blue taffeta with poke bonnet to match and trimmings of pink velvet. She carried a basket of spring flowers.

The groom was ably supported by Mr. Eric Coles, brother of the bride.

The bride's mother was gowned in powder blue crepe with navy and white accessories. The groom's mother wore a dress of black crepe with accessories of white and black. Mr. Jack Rodd and Mr. Phillip Matheson were ushers.

During the singing of the register Miss Verna Rodd sang sweetly "Because".

Following the ceremony a reception was held at the bride's home with upwards of one hundred guests present. Congratulations having been extended to the bride and groom a dainty buffet luncheon was served. The decorations were in green and white, and the tea table was centred by a three-tier wedding cake.

The guests were ushered by Miss Margaret Coles and Mrs. Earle Coles. Miss Annie Coles, aunt of the bride, presided over the tea cups and Mrs. Allison McLean cut the ices.

Those serving were Mrs. Percy Hooper, Mrs. Preston Warren, Mrs. Clarence Haslam, Mrs. Wallace Rodd and little Miss Helen MacRae. Others who assisted were: Mrs. Eric Coles, Mrs. Philip Matheson, Mrs. Ernest Coles, Miss Winnie Coles, Miss Lilla Coles, Miss Blanche MacRae, Mrs. Benj. Coles and Miss Erna Coles.

A large and merry band of serenaders gathered to extend best wishes to the popular young couple.

Amid showers of rice and confetti the happy couple left for a wedding tour through the Maritimes, the bride travelling in a rose ensemble with navy accessories and wearing a silver fox scarf the gift of the groom.

On their return Mr. and Mrs. MacRae will reside in Charlottetown where the groom is a partner in the firm of Batt and MacRae.

Jordan, employee of Fraser and Johnstone's canning factory of Murray Harbor, relates the story of finding a United States coin in the gizzard of a chicken which was one of a carload of fowl shipped to P. When Ed. was getting the bird ready for the can he made the find, but had the misfortune of losing the coin over Murray Harbor Bridge.—F.

Foster and members of the finance committee of the City Council, it was learned last night. The report, understood to be quite lengthy would be considered at a general meeting of the Council but the date had not been set, Mayor Foster said. It would not likely be discussed by the Council until after the regular monthly meeting next Monday.

AIRPORT WORK TO BEGIN—Work on the civic airport at Sherwood was expected to begin in about six days, Mayor E. A. Foster said last night. The Storms Construction Company of Toronto has been awarded the contract and preparations were underway for the grading to begin shortly. Work would include completion of stumping, grading and gravelling of runways. No hardsurfacing would be undertaken this year, it was said. The project was expected to employ 50 men and would continue until the end of September. Unemployed from the City's lists would be used entirely, Mayor Foster said. Work in the city was not plentiful at present, it was learned. About 20 men were employed in street patching. Otherwise employment was by private concerns.

NORTH STAR IN PORT—The cruise steamship North Star was in port for two hours and a half yesterday afternoon with 172 passengers from American points. The ship sailed from New York and calls included one at Halifax and at Pictou. From here the ship was scheduled to go to Newfoundland and Gulf of St. Lawrence ports before returning to New York. The ship is scheduled to make five calls at Charlottetown during summer cruises. The next call here will be late in July. Yesterday numbers of the passengers came ashore and were driven to points of interest about the city. The ship was an hour behind schedule in arriving here due to delay in taking on fuel at Halifax it was reported. The sailing schedule was put ahead half an hour the ship leaving at 7.30 p.m. Quite a number of citizens were at the Marine Wharf to see the big white steamship sail. Carvell Bros. are the local agents.

TRAFFIC HEAVY AT BORDEN—Heavy automobile traffic for the time of year has been experienced on the Tormentine-Borden ferry service, it was learned last night. Monday on the late trip of the S. S. Charlottetown every available foot of space was occupied on the car deck as the full load of 45 or more cars made the nine mile trip to this Province. Other trips were somewhat less while yesterday the normal traffic, 20 to 25 cars on each crossing were travelling. The extra traffic late Monday was believed due principally to American tourists leaving for this Province on Sunday. In many cases holidays begin Saturday and travellers "hit the trail" early Sunday. The Hotel Charlottetown here, a Canadian National hotel reported better business than at this time last year. The 1938 traffic was heaviest for several years, reports indicated.

CHELTON COMMUNITY PICNIC

A most enjoyable festivity was held on Friday afternoon, June 30th, at Chelton Shore when the community and pupils gathered to hold their annual picnic. Swimming and races were the order of the afternoon, and then while supper was being prepared the children went clam-digging. At five-thirty, the supper-gong sounded, and soon the youngsters were busy eating their fill. After this the following prizes were presented to the pupils by their teacher, Miss Anne Lowther. Neatest scribblers in Grade I—Edward Pearson and Nora Rogers. Neatest scribbler in Grade II—Gerald Rogers. Neatest scribbler in Grade III—Claude Rogers. Proficiency in Spelling—Charles Schurman, Gladys Gaudet, Eleanor Murphy, Gerald Rogers, Blanche Craig, Ivan McDonald. Highest Average in Grade IV—Joyce Schurman. Highest Average in Grade VI—Olive Rogers. Prize for perfect attendance—Blanche Craig. Then amid much applause Public School Certificates were awarded to John McCardle and Harold Campbell. After this, Frances Rogers on behalf of the pupils presented the teacher with a beautiful chrome-plated boudoir clock, and Mrs. Wilbert Wright gave her a set of lovely book-ends on behalf of the Institute. Miss Lowther thanked them all for the kindness shown to her during the three years she had spent in their district, especially for the co-operation of the parents and the Institute.

Then while the older folks enjoyed their supper, the younger ones had a candy and peanut throw, and later built a huge bonfire on the beach. When all had assembled "the flames ascended high", and later the clams were cooked and eaten amid much merriment, and games were participated in by young and old alike. Then as darkness approached a circle was formed around the fire and the gathering closed by the singing of "Auld Lang Syne," and the National Anthem. Farewells were said to Miss Lowther who plans to teach next year at Long River, and then everyone wended their way homeward declaring that it had been a most enjoyable picnic.

GRETNA GREEN MARRIAGE THING OF THE PAST

LONDON, July 4 (CP Cable) — The House of Commons rang the death knell tonight of Gretna Green marriages, ending an old romantic tradition which united runaway lovers by informal bonds of matrimony just across the Scottish border.

The House passed in third reading its Scottish marriages bill abolishing the Gretna Green Marriages and "similar irregular marriages" and sent it to the House of Lords'

Indirectly the House struck a blow at Scottish blacksmiths. Tradition invariably resulted in the Gretna Green blacksmith performing the unorthodox ceremony by which the lovers had only to declare in the presence of witnesses their wish to be married to become so in fact. The blacksmith will no longer enjoy this special privilege.

Between 1926 to 1935 fully 2,295 unorthodox marriages were performed at Gretna Green, which is the first town across the Scottish border, 9 1-2 miles Northwest of Carlisle. A committee said that tradition had given the Gretna Green ceremony a "spurious air of romance," and that it "opens a wide door to seduction, deceit, fraud and many other evils."
