"Covers Prince Edward Island Like The Dew"

CHARLOTTETOWN CANADA, SATURDAY, DECEMBER 7, 1957

Occasional rain; milder; southerly winds 20 shifting in the evening to west 15. Low-high at Charlottetown 30 and 45.

NOT MORE THAN FIVE CENTS

Death this Morning Of Hon. Dr. W.J.P. MacMillan

Hon. Dr. W.J.P. MacMillan, 76, appointed lieutenant governor of the Province on Nov. 22, died this morning in the Charlottetown Hospital. He entered hospital Nov. 26. Death came at about 1:45 a.m.

It was only a few days ago that Dr. MacMillan had received the highest honor the gift of the Crown. Prime Minister John Diefenbaker announced his appointment as Lieutenant-Governor of the Province to be effective December 16th.

Dr. MacMillan's entire life was devoted to public service from the time that he entered politics as a member of the Provincial Legislature for Charlottetown in 1923 to get a grant for the Red Cross Society, one of his favorite charities.

He was Premier of the Province from 1933 to 1935 after having been acting premier for a year previous to that. He was Leader of the Opposition for five years and served as a member of the Legislature continuously from 1923 until 1955, with the exception of 1935 to 1939 when the Liberals held a solid block of 30 seats.

He was the first minister of Health and Education in the province.

HIGHLY HONORED For his outstanding social work and devotion to the work of his church, he was honored by His Holiness Pope Pius XII who in 1948 created him a Knight Commander of the Order of the British Empire.

Dr. MacMillan was born at Clermont March 24, 1881. An honor student at Prince of Wales College, he won the coveted Holmes Gold Medal at McGill University where he graduated in Medicine. The medal goes to the member of the graduating class who is a class leader during the course.

Highly regarded by fellow members of his profession he was chairman of the Medical Board of the Charlottetown Hospital for many years. He also served for long periods as President of the Children's Aid Society, City Health Officer, member of School Board, President of the Red Cross Society, the Cancer Society, Anti-Tuberculosis League and other organizations. He was a long time member of the Charlottetown Rotary Club, held high office in the Knights of Columbus and was honorary chairman of the Caledonian Club.

A former President of the Prince Edward Island Medical Association, Dr. MacMillan was a member of the Canadian Medical Council for twenty-two years. He was elected a member of the Board of Governors of the American College of Surgeons in 1945 after having been a fellow member of the college for more than twenty years. He was also a fellow of the Royal College of Surgeons and a fellow of the International College of Surgeons which was established in 1955.

THE LATE HON. DR. MACMILLAN

INSPIRING SPEAKER Dr. MacMillan was regarded as one of the most effective speakers of the House where time after time he maintained the rights of Prince Edward Island as they related to Federal Tax Rental agreements.

When he took over the office of Premier, the Province was faced with two of the greatest fire losses in its history. Within a month Falconwood Hospital and Prince of Wales College were levelled. With characteristic energy, he was instrumental in having the two buildings restored.

Perhaps his greatest achievement was his success in securing from the Carnegie Foundation at Princeton the rights of Prince Edward Island as they related to Federal Tax Rental agreements.

Cars Will Be Cheaper

WINDSOR, Ont. (CP)— Chrysler of Canada announced Friday night that prices of its 1958 Canadian-built models will be reduced to the "full extent" of the 7 1/2 per cent reduction in the federal excise tax.

In the case of some of the Plymouth and low-priced Dodge models this will represent a saving of approximately \$42. For the more expensive Chrysler and DeSoto models the reduction will amount to approximately \$70.

C. O. Hurley, vice-president in charge of sales, said "It should be borne in mind that the tax was levied on the manufacturer's selling price to the dealer rather than at the retail level."

Eisenhower Is Disappointed

GETTYSBURG, Pa. (AP)— President Eisenhower Friday expressed disappointment over failure of the Vanguard satellite launch and asked the defence department for a full report.

Press Secretary James C. Hagerty reported Eisenhower's reaction after talking to him at his farm home.

Hagerty's request for a report on — as Hagerty put it — "what happened" at Cape Canaveral, Fla., was relayed to the defence department by an aide on national security matters, Brig. Gen. Andrew Goodpastor.

When Hagerty first was asked for comment on the launching failure, he replied neither he nor Eisenhower's reaction, the press secretary said.

"The president expressed disappointment and asked the defence department for a full report."

Says Fleming Should Have Resigned Post

OTTAWA (CP)— Social Credit leader Lord said Friday night that Finance Minister Diefenbaker should have resigned his post as a result of the government's failure to meet its budget at this session of Parliament.

Speaking in Commons debate on taxation changes announced by Mr. Fleming, Mr. Lord quoted a statement by the minister assuming office June 21 that he intended to produce a budget.

Lord added, "Finance Minister Diefenbaker had advised to the contrary, or what I called Mr. Fleming to change his mind."

"But once the minister of finance had said that he intended to present a budget this session he should have gone ahead and done so."

"The government was generally in agreement with his leader he should have done so."

"The country was entitled to a balance sheet, which would show the government's financial position. The House was entitled to a budget. The government was generally in agreement with his leader he should have done so."

Excise Tax on Cars Cut Construction Contract Awarded Work on Naval Barracks Expected to Start Monday

OTTAWA (Special)— Official confirmation that the contract for the naval reserve division building, "HMCS Charlottetown" is awarded to the Atlas Construction Company of Montreal for \$21,000 came Friday when Fisheries Minister MacLean was informed that the Treasury Board had examined and ratified the contract.

It is expected that actual construction of the naval barracks will begin on December 9.

The contract was awarded earlier to the York Structural Steel Company of Fredrickton in order that the contract company would have all the material on hand and work could begin without delay.

Pressure by Prince Edward Island members of Parliament for construction of the new naval barracks has been applied to government.

Mr. MacLean said the government will make an annual \$178,000-most of it in a delayed instalment cut in personal and corporation income taxes starting next Jan. 1.

The new tax rate is 7 per cent more which will cost the federal treasury an estimated \$200,000 a year.

The biggest benefit announced at the minister's statement — in effect a budget speech although the government said it wouldn't be passed to individual income tax payers.

Mr. Fleming spread an annual \$80,000 tax abatement thinly to help them all by paying the tax rate on the first \$2,000 of taxable income.

He gave up another \$60,000 a year to benefit some 1,750,000 taxpayers by boosting the basic exemption for children and other dependents by \$100.

Some 2,000,000 taxpayers will benefit from a \$100,000 annual reduction in the tax rate on income over \$10,000. Taxpayers filing returns for 1957 will receive their 1957 incomes which will pay at the old rates.

Those were the only major tax changes. Although the minister said he plans to introduce — for consideration at the next session of Parliament — a new provision of the Succession Duty Act which will boost the basic exemption on estates left to widows and children.

Mr. Fleming forecast he will raise the tax rate on income over \$10,000 in the current fiscal year.

700 Canachians Reach Halifax From Overseas

HALIFAX (CP)— The liner Halifax docked — here Friday with 700 of the 2,700 Canadian NATO troops and their families due in Canada this weekend after two years service in West Germany.

The liner Queen Frederica is expected here, Sunday, and the Empress of France is due in Saint John, N.B., Sunday night. They carry a total of 2,000 and dependent soldiers.

Six ships will make 25 crossings before the rotation program is completed.
