Powerful Maple Leafs

Sandy's Royals just didn't have the legs in Monday night's senior opener at the Forum.

They were a game club against the highly reputable Windsor Leafs for 30 minutes — Maybe too game for their own good. They became so tired they couldn't backcheck and the fast moving Nova Scotians (rather Quebecers and two Nova Scotians) took advantage of quick passing throughout most of the third period and could have scored practically at will.

But looking at the game from another angle, the Islanders would have been foolish to try and out-position and out-pass the visitors. The Leafs just know their business too well.

Windsor has played as a unit through a 70 game schedule, wrapped up their Nova Scotia league playoff series in straight games, and dominated the N.S. league in every department. Persons who saw Monday night's game don't rate them as good as the Amherst Ramblers of a couple of years back. We don't agree. Windsor is a better balanced club than Amherst's was, and we think the Leafs are stronger skaters and but for a few exceptions, better shooters.

The team Windsor is facing in this series is a stronger team than the crew Amherst played when they came to the Island the last time.

Gordie Whitlock and Stan Peardon were on the Royal's line-up Monday night but didn't see action. Their youthfulness and strong skating might have kept the Leafs out of double figures in the wide open third period. Vince Mulligan didn't see as much action on the buleine as he might have.

Billy MacMillan wasn't on track all night. — Not because he wasn't trying, but because the Leafs wouldn't give him room more than enough room to breathe. Besides the time MacMillan got loose for his goal mouth goal in the third period, the only other times he had scoring chances was in the first period when he and Jack Kane battled their way in on teminder Aubry.

As far as the Maple Leafs are concerned, Buddy MacIntyre was the goat of the first game. The tall, Royals forward played a very aggressive game and was handed five minor penalties. Buddy was ready to do battle with any of the Leafs at any time in the game. On various occassions MacIntyre's aggressiveness was so brutal that Leafs players looked at him and pointed at their heads, as if to indicate he was some kind of a nut.

Off The Cuff

PAUL HORNUNG, Green Bay Packer's Golden Boy led the National Football League in scoring three years, said in Miami Beach yesterday that he felt very good about being reinstated to football action following a suspension last April 17 when he and Alex Karras, Detroit Lions tackle, admitted that they had bet on their own games to win and on games in which they were not involved. We bet **GREEN BAY** officials are just as happy as Horung about the reinstatement. The **SUMMERSIDE JUNIOR LEGIONNAIRES**, yours truly included are off to Moncton today for the first game of a best-of-three N.B. - P.E.I. Junior championship series against **MONCTON GELDART'S**. The Monctonians defeated Chatham All-Stars in Chatham Monday night, 4-3, to win the round two games to one. The big gun for Moncton is stockey **RAOUL MELANSON**, who has given the Geldart's 15 goals in five games. He previously played with Moncton Hawks in New Brunswick Juvenile action. **BATHURST PAPERMAKERS** have advanced to the provincial semi-finals by ousting Newcastle, 16-5 in a total goal series . . . **ARNIE EDWARDS**, an old friend of ours from Kentville, N.S., broadcasts the first two games of the Maritime hockey finals back to N.S., via CKEN - CFABN, Windsor-Kentville radio. Arnie, although only pint-sized compared to some of the bruisers who patrol the senior lanes these days, was one of Windsor's top defencemen in the 1940's-50's and has done some refereeing . . . Canada will probably make a bid for the 1967 world hockey championships . . . Head for the Charlottetown Forum tonight and support the **"ROTARY EXHIBITION SEAL HOCKEY NIGHT"** . . . Red Sox manager, Johnny Pesky says **CARL YASTRZEMSKI**, hard hitting American League outfielder, has the potential of becoming a .400 batter.

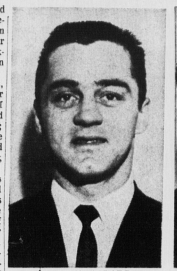
Windsor Blasts Royals Now Leading Series 2-0

Windsor Maple Leafs blasted Sandy's Royals 16-1 in the second game of a best of seven series for the Maritime Senior Hockey Championship in a fixture staged at the Charlottetown Forum last night.

In all fairness to the Royals, they were missing three of their key players in the persons of Bud McIntyre, Junior McLeod and Alfred "Apps" Arsenault; who are all members of the Charlottetown Police Force and are attending a course being held in Halifax.

The Charlottetown team was able to stick with the powerful George Roy coached pucksters in the opening frame of the game as they were capable of handling anything the Windsor lads had to offer in this period. Jacques Allard, prolific scorer of the Leafs, opened the scoring in the game at the 11.55 mark. Young Stan Peardon, playing a stand-out game for the Royals, picked the left corner from about fifteen feet in front of the Windsor cage to give the Royals a one all tie at the end of the first stanza.



JACQUES ALLARD

GEORGE ROY

The Leafs began their process of overpowering the tiring Charlottetown team in the second frame as they banged home four unanswered goals, to skate off with a 5-1 bulge as the siren went to end the second period.

The Windsor pucksters scored pretty well as they pleased in the third period as they outskated the local team badly to wind the game up with a lopsided 16-1 count.

Vince Mulligan, playing with a badly injured hand was a standout on the Royals defence; if there is such a thing as a standout defenceman when your team loses 16-1.

Black Hawks Blank Rangers To Secure First Place

CHICAGO (AP) — Chicago Black Hawks moved into sole possession of first place in the National Hockey League lead Tuesday night by whipping New York Rangers 4-0.

The victory moved the Hawks two points in front of the idle Montreal Canadiens, who still have three games left to play starting with tonight's game against Toronto in Montreal.

Chicago has only one left, Sunday in Boston.

Bobby Hull, the league's leading goal scorer, paced the Chicago attack with his 42nd and 43rd goals of the year.

Stan Mikita, who leads the league in points added his 29th of the year and gained an assist on one of Hull's tallies, to boost his total to 89 points. He leads Hull by three points.

The Hawks' fourth goal was scored by Red Hay, his 22nd of the season.

Both of Hull's markers came on deflections off shots by defenceman Pierre Pilote. The second was scored while New York's Harry Howell was in the penalty box.

Mikita's goal was unassisted. The centre stole the puck in centre ice, beat two Ranger defencemen and went in alone to beat New York goalie Jacques Plante with a 15-footer.

Chicago goalie Glenn Hall made 28 stops while recording his seventh shutout of the season. He remained tied with Toronto's Johnny Bower for second place in the race for the Vezina Trophy. Each has allowed 166 goals to 163 by Montreal's Charlie Hodge.

Marciano Makes Bid To Manage George Chuvalo

TORONTO (CP)—Rocky Marciano, retired undefeated heavyweight boxing champion of the world, has expressed interest in taking over management of Toronto's heavyweight George Chuvalo.

Chuvalo will attempt to regain the Canadian heavyweight championship in Regina tonight when he fights Hugh Mercier for the title left vacant when Bob Cleroux failed to defend.

Marciano, visiting Toronto this week, said he would like to take Chuvalo to Europe to teach him how to fight, but he does not want to foot the bill that would be run up on such a junket.

The "Rock" says that backers are lining up but many details must be ironed out, the most important being that Chuvalo has not indicated if he will sign with Marciano.

With Marciano at the helm, Chuvalo's hopes of getting a fight with reigning world champion Cassius Clay, would be enhanced. Clay promised last year to fight Chuvalo, but instead he fought Sonny Liston and took the title.

Clay is scheduled to be in Toronto later this week to tape two television shows. It is hoped that talks on a proposed bout will be held at that time.

Hornung Is Back With The Packers

By JIM BECKER

NEW YORK (AP)—Halfback Paul Hornung will get a second chance to show his second effort for the Green Bay Packers.

And Alex Karras gets a crack at filling the big hole in the defensive line of the Detroit Lions that he left there last year.

Both Hornung and Karras, set down indefinitely last April 17 for betting on National Football League games, have been reinstated.

NFL commissioner Pete Rozelle, who handed down the suspensions, lifted them Monday, emphasizing that neither man had been charged with betting against his own team or not giving his best in every game.

CONSIDERED CONDUCT

Rozelle added that the conduct of Hornung and Karras was taken into consideration in the lifting of the suspension.

Hornung said he would start in May to get his legs back in shape for the 1964 season. He weighs 221 pounds, about six pounds over his playing weight.

The Packers, three-time Western Conference winners until last season, fell to second behind the Chicago Bears in the 1963 campaign.

Hornung led the league in scoring for three straight seasons and holds the scoring record.

LIONS FELL OFF

The Lions also fell off with Karras out of action. The 250-pound tackle was the standout in what was probably the league's best defensive line. The Lions never did find a replacement.

Karras at first was bitter about his suspension, and he balked at suggestions that he sell his interest in a Detroit bar which police said was a hangout for hoodlums. Eventually he sold, and moved his family to Clinton, Iowa.

"I don't feel like I used to feel about the suspension," he said Monday. "I'll be a real tiger out there on the field this fall."

Hornung was set down for bets made in the period from 1959 to 1961. The bets ranged from $100 to $500. Karras made some six bets in the $50-$100 range during the 1958-1962 seasons.

Souris Downs Montague 7-4

Referees: Clifton MacCarville and Reginald Peters rolled two penalties, one to each team. The winner of this series will advance to the Island finals.

Track, Field Meeting Held

A luncheon meeting of the organizers of the Eastern Canadian Track and Field meet to be held in Summerside July 24th and 25th was held at Linkletter's Motel with Jim Hogan, newly appointed chairman, presiding.

In the course of the discussion it was announced that there will be approximately 300 participants in this meet to be held at the Vocational School complex which will be finished this spring.

Mercier Mullin, head of the provincial command, Canadian Legion, reported that Geoffrey Dyson, sports director for Dominion command of the Royal Canadian Legion, will hold a track and field coaching clinic in Summerside on April 24, 25, 26, and 27. Mr. Mullin also reported that the legion command would look after the cost of awards — trophies, medals, etc. Don LeClair is in charge of these awards.

Carleton scorers were: H. Leard (2), W. Bell (1), W. Smith (1), R. Hammill (1).

Extra Ends, Upsets Mark Mixed Curling

By ALLAN BAILEY

TORONTO (CP)—Three extra-end games and two upsets highlighted the second round of the round-robin national mixed curling championships here Tuesday afternoon.

Manitoba and Saskatchewan top the field with two wins and no defeats, followed by British Columbia, who had the bye in the second round—with one victory.

Dean Miller's Weyburn, Sask., foursome trounced the Kingston, N.S., rink skipped by Karl Stronach, 15-6.

Ernie Boushy's Winnipeg quartet stayed on the winning trail with an 8-7 squeaker over the Quebec rink from RCAF Station, Bagotville, led by W. R. (Bill) Tracy.

In the extra end, Boushy slipped a stone past three Quebec guards in front of the house to take out the eastern rink's counter. Tracy failed to counter with his final rock, having too much weight and sliding it right through the house. Boushy, with the last rock of the game, was not required to throw.

FOUR COUNTERS

Although Miller started out slowly in his match with Nova Scotia, he retaliated with four counters in the fourth end, added two in the fifth and a pair of threes in the seventh and eight ends.

The stronach - skipped crew scored only a single marker in the first end, a double in the third and a triple in the final frame.

Irving Milton's Moncton, N.B., rink upset Will Biron's Sudbury quartet, representing Northern Ontario, 7-5, for its first win of the tournament.

The game was tied 5-5 after nine ends but a pair of N.B. stones in the final end gave Milton the win.

DOUBLE TAKEOUT

A double takeout by Cliff Macdonald, skip of the Charlottetown, P.E.I., entry, gave him a 9-8 victory in an extra end over Ontario's Malcolm White rink. It was Ontario's second straight loss.

The St. John's foursome led by Bill Allen played a see-saw battle with the Glen Gray rink from Edmonton, winning the match in an extra end.

With a stone in the middle of the circle, Allen gambled and threw a perfect guard to foil the western rink.

Tuesday night's third round pits Prince Edward Island and Alberta, New Brunswick and Ontario, Quebec and British Columbia, Nova Scotia and Manitoba and Newfoundland and Saskatchewan, Northern Ontario has the bye.

CONFEDERATES - BEATLES WILL CLASH FOR TIMMY

The Charlottetown Forum will tonight be the scene of some very serious hockey — provided by the best of the province's Pee Wees; and some very comical hockey — provided by a group of the province's best buffoons.

The Pee Wees will of course be the Charlottetown Centennial Pee Wees in an exhibition game against an All-Star squad from Summerside and the RCAF base. Game time for that affair is 8.30 p.m.

The buffoons will be the high flying "Beatle Beats" who will take on the Confederates in an exhibition hockey-type game at 8 p.m. There will be several former Island stars in the lineup and the imported Beatles will be wearing their famous costumes and the Confedrates, top hats, beards and Centennial reglia.

The special attraction of the night will be Roddie Newton of Kentville, N.S., who will be lining up with Centennials in their exhibition hockey game. Roddie is a highly reputed product of the Maritime Summer Hockey School and was a standout at the Quebec International Pee Wee tournament this past year.

Also on the program will be a broomball game between the Lions and Rotary Club's from Charlottetown, 7.30 p.m. And two special presentations to be made by members of the Centennial Pee Wees. Brid. W. Reid will be master of ceremonies.

The most important thing about the whole special night is that it is for Timmy. Sponsored by the Charlottetown Rotary Club, all the proceeds will go toward crippled children's work and for the maintainance of the Crippled Children's Summer Camp at Belvedere Cove.

Come out and help Timmy. It all begins at 7.30 p.m. tonight.
