

# ROSES &

Well, a great deal has happened since I was here last - sickness prevailed last week as my column didn't quite make it to the press - so I would like to comment on some of those things which have happened.

First of all, the Student Union Elections are over and good campaigns run by all of the candidates provided good races which most of us were at a loss to predict. Whether or not the students here at UPEI made the right choices remains to be seen but congratulations to all successful candidates and to the Student body a great big pat on the back for turning out to the tune 50.5% to vote. It shows you care!

I see that the Corporate Cup has come home. What a bright spot this is during an otherwise dismal athletic semester. A big thank-you to all who competed and brought UPEI honour! Let's hope the people in charge of the event are not as small-minded as the rumour that "they might not let us in the event next year" suggests. Also let's be thankful we get more coverage in the "Guardian" for our Intercollegiate teams.

The Engineers are complaining about not getting enough events at the Barn or not being able to have them when they want them. Me thinks they've had their fair share this year and if someone is not in charge to tell

sub-organizations when they can have their events it would just be chaos for all.

### BOUQUET of THORNS

The Engineers for their letter in last week's SUN. I've taken your part a few times before - but not this time.

### BOUQUET of ROSES

Brian Brennan for finally pulling off a truly good one. Terry Crawford was fantastic!!

### PANTHER NOTES

- The exam schedule is up.
- The Corporate Cup has come home.
- Saint Patrick's day Main Event tonight.
