To the Electors of the First District of Prince County.

GENTLEMEN—

HAVING been requested by many Electors of the District, to offer myself as a Candidate for the vacancy in the Legislature caused by the decease of the Honorable James Yeo, I am induced to respond to their call. Attached to no political party, I desire only to be of some little service to the Country in which my lot is cast, and with the sole intention of doing my duty independently, to the best of my judgment, without fear or favor, and irrespective of creeds, persons, or classes, I solicit your suffrages.

And have the honor to be, Your most obedt. servant,

JOHN HUNTER DUVAR, Hernewood, Lot 6, Oct 13, 1868.

To the Electors of the Fifth District of Prince County.

GENTLEMEN—

IN a few days you will be required to elect a Member to represent your District in the House of Assembly. I beg to inform you that I am a Candidate for this honorable position.

Upon the important subject of PUBLIC EDUCATION, which now engages the attention of a large portion of our population, I consider it proper briefly to state my views. I AM OPPOSED to the ENDOWMENT of ANY SECTARIAN INSTITUTION. I, nevertheless, consider it just, that so long as it shall remain the policy of the People of this Island to defray the cost of Educating the Youth of the Colony from funds raised by common taxation, the sum annually voted by the Legislature for Education, shall be apportioned among the Schools in which Education is imparted, and if elected, I shall advocate such amendments to the Laws relating to Public Education as will entitle efficient Schools—if open to the inspection of the Executive Government—to a share of the grant for Education—whether such Schools shall be established and maintained by Religious denominations or by private individuals.

Upon general Political subjects, my opinions are well known to you.

I have the honor to be, Your obedt. Servant,

JAMES C. POPE, Summerside, October 15, 1868.
