

# Al Balding Almost Tossed Out Of Rich Golf Tourney

BOISCHATEL, Que. (CP)—Something of a mild flap blew up Wednesday on the eve of the \$26,000 Open golf tournament when Al Balding of Toronto checked in and found himself all but tossed out of the tournament.

No word had come from Balding and tournament officials were frantically telephoning Toronto to find out what had happened to the 355 CPGA champion, the only Canadian pro to win a major tournament in the United States.

It turned out that Al had missed an early morning plane because he slept in. He managed to get another couple of hours later, changing planes at Montreal. But tournament officials had no knowledge of all this. Registration closed at 5 p.m. Tuesday.

## RAPS BRITISH FACILITIES

Shortly after arriving Balding said he agreed with opinions expressed by Stan Leonard about conditions and arrangements they found at the British Open.

Like Leonard, Balding was critical of the hotel situation they met. "We never expected to run into things the way we did and had no idea they would be like that."

The players got in practice rounds over the Royal Quebec

course, a 6,550-yard layout with par 35-37-72, and acclaimed it. "This is a real nice golf course," said Dave Douglas of Newark, Del., the 1933 Canadian Open champion. "A lot of the boys have been speaking highly of it."

Gerry Kesselring of Toronto, said: "I've been playing the circuit in the States a couple of years and this course doesn't have to take a back seat to any of them. It's a fine, picturesque

The field has a strong array of American pros, including several who did not compete in the Canadian Open last week. Among them are Jackie Burke, Jr., winner of the Masters tournament last year, Tommy Bolt, Jimmy Demaret and Billy Maxwell.

Rodolphe Huot, the hard-working little pro at Royal Quebec said he thinks a score of between 274 and 277 will win the tournament and top prize of \$5,000.

## 4 Royals Win Spots On International All-Stars

MONTREAL (CP)—Four members of the league-leading Montreal Royals have won places on the International League all-star team which will meet Milwaukee July 23 in Toronto, league headquarters announced Wednesday.

International League baseball fans also selected two players from the Toronto Maple Leafs, two from the Miami Marlins, one each from Richmond Virginians and Columbus Jets. The Cuban Sugar Kings and the Buffalo Bisons failed to place a man on the squad.

The four Royals selected were second baseman Sparky Anderson, third baseman Clyde Parrish, outfielder Fred Kipp, and left-handed pitcher Fred Kipp. From Toronto the fans picked atcher Carl Sawatski and right-handed

pitcher Lynn Lovenguth. Ed Bouchée of Miami was picked for first base while teammate Bob Bowman won an outfield berth.

MONTREAL MANAGER The team will be managed by Greg Mulleavy of Montreal, who will select 14 more players before the July 23 game. This is the first year that the fans have selected an all star team.

Pilarcik was the top vote-getter, collecting 11,300 ballots for an outfield position. The closest battle was for the first base job, where Bouchée got 4,993 votes to 4,850 for Joe Cunningham of Rochester.

Lumpe won the starting shortstop job by a small margin, defeating Eddie Kasko of Rochester, 5,192 to 5,011.

## 13 Horses Accepted For Stakes

LONDON (CP)—Thirteen horses, headed by the Italian "wonder" colt Ribot, were named Wednesday as final acceptances for the King George VI and Queen Elizabeth Stakes, run at Ascot July 21.

Ribot, a four-year-old colt by Teneroni out of Romanella, has never been beaten, winning 13 races in Italy and France. His record has frightened off most of the opposition in this 1½-mile event whose purse money of £23,927 to the winning owner makes it Britain's richest race.

Among the British challengers are Her Majesty's High Veldt, one of three horses the Queen has named in honor of Commonwealth countries. High Veldt has a South African connotation. The other two "Commonwealth" horses are Maple Leaf, named for Canada and Sunburned Country, for Australia.

Ribot will be an odds-on favorite for the race, which determines the unofficial championship among European "stayers."

The other acceptances are Kuro, Norfolk II, Hafiz II, Patras and Apollonia from France; Rotar from Ireland; Todrai from Belgium; and Chantelery, Mongol Warrior, Daemon and Cash and Courage from England.

## Expects Thousands To Give Marilyn Bell Big Sendoff

TORONTO (CP)—Thousands of well-wishers are expected to assemble at the Canadian National Exhibition bandshell today to give swimmer Marilyn Bell and her coach, Gus Ryder, a rousing send-off before they leave for Victoria and the greatest swim of her marathon career—the Strait of Juan de Fuca.

For Marilyn, an attempt on the gruelling, icy-cold 18-mile stretch of water between Victoria and Port Angeles, Wash., is the most challenging task of a swimming career in which she has twice captured the hearts of Canada.

In September, 1954, then a 16-year-old schoolgirl, she became the first person to swim Lake Ontario, covering the 32 miles between Youngstown, N.Y., and the ONE waterfront in 20 hours, 56 minutes.

ario's only conqueror.

Last July she became the youngest swimmer to conquer the English Channel, swimming the 22 miles from Cap Gris Nez, France, to the English coast in 14 hours, 36 minutes.

In a practice swim last Saturday for her Juan de Fuca attempt, the petite, blonde swimmer swam 14 miles in six hours.

Marilyn is under contract with the Toronto Telegram and other newspapers associated with Week-end magazine to make this swim for \$30,000 in prize money. She is to get \$20,000 if she makes the attempt and is unsuccessful.

## Replacement On N.Y. Fight Card

NEW YORK (AP)—Ludwig Lightburn of British Honduras, and Orlando Zuleta of Cuba, will box in the 10-round main event in Madison Square Garden Friday night. The bout will be televised nationally.

The fight replaces the Joey Giambra - Rocky Castellani bout, which was postponed until Aug. 3 when Giambra complained of a tender left hand.

CROWDED AREA EGYPT'S Nile delta and valley has a population density of 1,670 persons a square mile.

SOLE ONQUEROR Her victory was less than one month after she finished seventh in Atlantic City's 26-mile marathon swim. She is still Lake Ontario's only conqueror.
