

Bureau Given Assurance Of Additional Assistance

Tangible evidence of the public's interest in the Protestant Family Service Bureau, as a result of its recent appeal for additional funds in the face of an anticipated deficit, was shown this week, when several Charlotteville churches made it known that they were giving serious attention to the need by substantially increasing their contributions.

Additional contributions have also been received from several individuals and business houses, and a special contribution which particularly pleased the directors, was one of \$10.00 received from the Women's Aid of St. John's Anglican Church at Crapaud.

SATYAGRAHA

There is an Indian word made famous by Mahatma Gandhi which signifies the way to lose one's life so that it is found again. The word is "satyagraha", and it means the firmness born of truth which is also love; the soul force which comes to fruition because of its inherent rightness, without violence.

This was the force which made the cross, symbol of ignominy, into the symbol of triumph. It is the force which more than 150 years ago, moved a band of Christian Foreign Bible Society, so that all men might have the Word of God in their own language and it is the same force which today carries the "Word" to the far places of the earth.

We show some of this spirit of "satyagraha" when we support the great work of the Bible Society with our prayers and material gifts. On Prince Edward Island we also assist when we purchase material at the Bible House in Charlottetown, an enterprise of the Society.

THOUGHTS FOR OUR TIME

BY HIS EMINENCE CARDINAL MCGUIGAN

BE AT PEACE WITH ONESELF FIRST

Never before, perhaps, in the history of the world have there been so many remedies suggested to bring peace to a warring social order.

THE CHRISTIAN BELIEVES THAT PEACE CANNOT BE UNDERSTOOD, MUCH LESS ATTAINED, UNLESS WE UNDERSTAND SOMETHING OF THE SPIRITUAL STRUCTURE OF MAN. IT IS IMPOSSIBLE, FOR EXAMPLE, TO UNDERSTAND A PHYSICAL INTEGRITY AND WHEN IT IS DAMAGED, TO LABOR SUCCESSFULLY FOR ITS RESTORATION, UNLESS SOMETHING IS KNOWN ABOUT THE STRUCTURE OF THE HUMAN BODY.

HEALTH, PEACE

In the physical body, the result of physical integrity is health. In the soul, the result of spiritual integrity is Peace. When each of the members of the human body is functioning normally, then the physical body is in health. Likewise, when all the powers of the human soul are functioning normally, that is, under the control of the human reason, then there is perfect spiritual health, or peace.

WE LEARN SOMETHING OF THE RICHNESS AND FERTILITY OF THIS CONCEPT FROM ST. AUGUSTINE'S DESCRIPTION OF IT: "Peace is the tranquillity of order." When each part or member of any complicated mechanism, be it man or machine, is performing its proper task and working in harmony and order with every other part, then we can say that that man or machine is at peace. To be at peace, then, does not mean that one cannot work at top speed. Peace, in this sense, applies also to all sections of society.

WE CHRISTIANS HAVE TO RECOGNIZE THAT WE ARE IN A WORLD WHICH IS LARGELY UN-CHRISTIAN, ONE THAT

Precious Cargo... handle with care

Remember the day you brought that tiny bundle of joy home from the hospital? It was a great moment. You were determined nothing would mar the happiness of the days ahead.

It is quite natural for the mature young man to think seriously about the unforeseen... to think about family protection through life insurance.
