REFRIGERATION.
Upon the most modern and red.
Wholesale and retail agents.
Along the coast of the province.
For sharp eye, his longed-for prey.
From his teeth and far away.
The bee with little effort wings.
And then the bee comes darting down,
To sit on an arrow to the loath.
And Fido feels upon his crown
A little that makes with pain.
Poor Fido doesn't look as proud
As usual while flying feet.
Enveloped in a great cloud,
He is flying in the air street.
I'm glad he's stung; I'm sure it's right
Should come to grief for trying to bite
A little too often to be.

DAVY'S ANGEL.
"Davy, oh, Davy, come home;
Mamma wants you."
The mother's call rang out clear and
good naturedly shrill over the long gar-
den where the convolvulus bells were
closing, and the nasturtiums nodded
their yellow heads, and reached the
ears of a little boy who was playing "all
by himself" in the most fashionable
summer-house at the foot of the gar-
den.
"Tummy, mamma," came back the
answer. "Mrs. Pond, Davy's
mother, went back to her pleasant sit-
ting room and the company of a neigh-
bor who had called.
"How strange child, Davy is," said
the mother.
This was no gossip she was talking to
it and it was a relief to speak of Davy's
peculiarities to one who would listen to
her, and aid her by advice or sympathy.
The child's father looked upon his fears
as the expression of rank heresy. His
Davy—his little man, there never was
such a boy in the world, none as bright
and companionable. At the same time
the father knew that his boy was not
quite like other children, or why would
he prefer to play alone rather than with
the little ones of the neighborhood.

ANOTHER DISCOVERY.
Of Interest to Bicycle Riders.
A well known bicycle rider has made
a discovery that will be good news to
all who locomote on the wheel. He
says:
"Since I first began to ride a wheel,
which is several years ago, I have been
subject to more or less itching and
irritation. Sometimes when heated the
itching inside my legs would be so
severe that I would feel compelled to
forego riding for a time. Nothing that
I tried did any material good until my
attention was drawn to an advertise-
ment of Dr. Chase's Ointment for all
itching of the skin. I tried it and al-
most from the moment it touched the
skin the itching stopped. I also find
its occasional use prevents chafing.
Further evidence of the efficacy of this
preparation is given by Chas. Rice, for-
mer Central Press Agency, Toronto,
who was troubled with Itching Skin of
the most aggravated kind. When the
skin became heated during sleep from
too much clothing, would wake up with
absolute pain from digging into the
flesh with his nails. Chase's Ointment
gave relief from the first application
and permanently cured. Price 60c.

GRATIFYING INTELLIGENCE.
Word Received of the Complete Recovery
of Mrs. John Dowdy.
OWEN SOUTH, June 24.—Word has been
received here of the complete restora-
tion to health of Mrs. John Dowdy, wife of a
former well known and esteemed resident
of the town. The intelligence has been
very gladly received as Mrs. Dowdy has
many friends here who are well aware of
the lamentable condition of her health
during the past six or seven years. Her
illness has been found to result from a
severe kidney complaint and she has been
restored to health by the judicious use of
Dodd's Kidney Pills, a remedy which is
now well known to most of the residents
in this locality as having previously affect-
ed some very extraordinary cures.

Science Triumphant at Last.
Miller's Emulsion of Cod Liver Oil is
the outcome of the latest scientific re-
searches. There was always a prejudice
against taking Cod Liver Oil on account of
its disagreeable taste, but Miller's Emul-
sion is agreeable to the palate, and the fact
is one reason why it has become so popular
with the medical fraternity, the hospitals
of the country and the households wherever
consumption or lung troubles prevail. Mil-
ler's Emulsion is the greatest strength-giver,
and blood maker, and cures Coughs, Colds,
Bronchitis, Scrofula and all Lung affec-
tions. In Big Bottle, 50c. and all Lung affec-
tions. In Big Bottle, 50c. and all Lung affec-
