Perry Wins All-England Singles Title For 3rd Time

DOWN THE BACK STRETCH

H. T. Fulton, whose name has been so long and favorably known in connection with harness racing...

Better Times in his only defeat, which was by Governor Grattan at London, Ontario, forced that horse to go in 2:08 1/4.

Harry O'Brien, Alberton, made a good job of grading and resurfacing in part the Summerside race track.

Alberton races, July 8th, are the next harness event of importance locally.

It is with sincere regret that the horsemen and public generally learn that there will be no races at Northam this season.

Just here the writer would like to pay a tribute to Jimmie for the way he has carried on since the death of his revered father, Edgar Milligan.

Three pacers took new or reduced records at Summerside on Wednesday.

Second Section Schedule Of H.R. Softball League

The official schedule of games for the second section of Holy Redeemer Parish's Softball League was announced yesterday.

Drasgermen, who were winners of the first section, had a slim margin of 2 points over the winners of second place honors.

Alberton Races Big Attraction Wednesday

After the fine horse races staged in Summerside on Dominion Day everyone is looking forward to the Alberton races next Wednesday.

George McIntyre quickly stepped into the breach vacated by Jimmie Pace and now Montague will put on a real bang-up race meet July 15th.

The classes are: 2 1/2 Trot and Pace, 2:24 Trot and Pace, 2:15 Trot. Trotters will be allowed three seconds in the mixed classes.

Quite a number of astute horsemen took more than a second glance at the trotter Peter Worthly, owned by Ouliffe and Craswell of Hunter River.

He looks like an excellent prospect for the Maritime Bred at Charlottetown and the writer understands that several parties including a prominent Western trainer, are negotiating to relieve Mr. Craswell of responsibility in connection with the training and driving of this good prospect.

There were no accidents at Summerside, and the whole meeting passed off very nicely, but there was a driver who did not regard the amenities of the profession too closely.

At The Golf Links Today

On Monday, July 6th, the ladies play their qualifying round for the club championship. Sixteen will qualify, and the first eight to be eliminated will play off for the consolation prize.

7th Inning Rally Wins For Nats

In one of the best played games to date in the Industrial Baseball League Nationals defeated the youthful Anchors last evening at the Park diamond by an 8-2 score. But it was only after being held on even terms for six innings that the winners could overcome the stubborn opposition that the losers had provided. Then it was Captain Joe Foley stealing in from third that started a rally that led to five runs and put the game on ice.

Big "Oogs" McLeod again hurled the Nats to victory with a smart three hit display. His opponent Fultie Pond also served up a nice brand of ball but in the final two frames weakened to allow the winners to slam out four of their seven hits and account for their margin of victory.

Bradley's catch of Worth's liner was the fielding feature of the contest with Jim McLeod and C. Kerwin providing the hitting highlights.

Local Teams Defeat Saguenay

Briton Takes Von Cramm in Three Straight Sets; German Injured In Play

A soft ball team from the H. M. C. S. Saguenay dropped two exhibition games to local teams yesterday 8th Battery winning the opener while Stewarts Bakery squad took the nightcap. Although defeated the "Tars" put up stirring struggles in each contest and went down fighting to the end.

In the first game the Battery had too much batting power for their opponents. They garnered nineteen safe blows in the seven innings to emerge the victors 14-13. As the score indicates the game was close throughout with the outcome always in doubt. The winners were forced to come from behind to cope the verdict and then had to hold off the determined bid of the sailors in the last two frames.

Earned runs: Battery 11, Saguenay 8; two base hits, Landymore, Kane, McQuarrie 2; three base hits, Owen; home run, Currie, Power; his off Kane 14, off Soubriere 19; base on balls, off Kane 2, off Soubriere 1; struck out, by Kane 2, by Soubriere 1.

It was in that game that Von Cramm injured himself although few observers noticed it immediately. Thereafter he was an easy victim and appeared hypnotized as Perry passed him by as much as 10 feet with scorching forehand drives. The third and final set lasted only 11 minutes.

Will Play Dodgers

A baseball team from H. M. C. S. Saguenay will meet the Dodgers in an exhibition game over the weekend. The tars are reputed to have a fast well-balanced squad and indications point to a close, keen struggle.

Baseball Practice

All members of the Dodgers baseball team are requested to attend practice at the Park diamond this afternoon at 3 o'clock. It is important that each player be on hand, on time.

Louis Eager For Comeback Campaign

(A. P. By Guardian's Special Wire) NEW YORK, July 3.—Joe Louis, completely mended in both mind and body, is ready to strike out along the comeback trail he hopes will lead again to the top of the heavyweight division.

The 22-year-old Detroit negro, once known as "the brown bomber" and the "dark menace" among other things, paid a hurried visit to New York today to appear on a radio program and discuss plans for an August comeback bout with promoter Mike Jacobs.

Belting back into the second flight by Max Schmeling only two weeks ago, Louis seemed surprisingly fit and cheerful. His face, cut and badly swollen from Schmeling's pulverizing rights, is normal again and Louis' sprained thumbs give him no more trouble. He says he'll be ready to fight in two weeks and the sooner Jacobs throws him in there, the better he'll like it.

Just who will be selected as Joe's next opponent is problematical. Max Baer, the former champ, would be the no. one choice, but Baer wants no part of Louis unless he is guaranteed at least \$150,000.

Leroy Haynes, Philadelphia negro, also is being considered, as are Al Etore, who holds three decisions over Haynes and Phil Brubaker, the youngster from the Pacific coast.

Personally, Joe would prefer a return go with Schmeling, but he'll not ask for this until the German gets his merited crack at Jimmy Braddock's title.

Without once mentioning his injured hands, the colored boy explained the Schmeling bout with the simple statement he had under-rated Max's ability.
