Cottolene

A SHORTENING.

Down the street through the busy way
A lady passed on marketing day.
Who, pausing at a grocery store,
Stepped quickly in at the open door.
With bated breath and anxious mien
She queried: "have you COTTOLENE?"

The grocer, leaving off his work,
Interrogated every clerk;
But none up to that time had seen
An article called "COTTOLENE."

"What is it?" said he to the dame,
"That answers to this curious name.
What is it made of? What's its use?
My ignorance you'll please excuse."

"You're not the merchant for my dimes,
I see you're quite behind the times.
For COTTOLENE, I'd have you know,
Is now the thing that's all the go,
An article of high regard;
A healthful substitute for lard.
Its composition pure and clean;
For cooking give me COTTOLENE."

As from his store the lady fled,
The grocer gently scratched his head—
On his next order, first was seen,
"One dozen cases COTTOLENE."

Important Discovery.

TORONTO, Feb. 20.—Among the surprising strides made by medical science in the last decade perhaps none is of more importance to humanity than the discovery of a cure for Bright's Disease of the Kidneys. That this remedy completely masters this terrible disease as well as all the other diseases which the kidneys are subject to is now an established fact. Every day brings news of the most surprising cures resulting from its use. The case of Mrs. Brown, of Toronto, who, when about to enter the Home for Incurables, given up by the hospital authorities as well as by fifteen prominent medical men, also that of Sam Murray, of Gravenhurst, who was given up by four doctors and who was paid his life disability claims by the Grand Trunk Ry., has attracted widespread attention. Both were completely cured by Dodd's Kidney Pills.

If Afflicted, Try It. It Will Cure You

Malcolm McLean, of Hensington, P.E.I., writes the following:

For five years I suffered from severe Chronic Bronchitis, for which the doctors and numerous patent medicines failed to give relief. My physicians and friends advised a change of climate as my only hope. HAWKER'S BALSAM OF TOLU AND WILD CHERRY was recommended to me, and I am happy to say that I was entirely cured before I had used two large bottles. I consider it to be truly a wonderful medicine, and cheerfully recommend it to all so afflicted.
