DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto — Market sharply lower; light trading.

New York—Market lower; decline continues.

Montreal — Market generally lower; light trading.

CURRENCIES

MONTREAL (CP)—The U.S. dollar closed at a premium of 8 1-16 per cent in terms of Canadian funds, down 1-32 from Tuesday's close.

Pound sterling closed at $3.04, down ⅛.

NEW YORK

NEW YORK (AP)—The stock market slumped to new lows for the year in active trading Wednesday.

The market was driven down in heavy early selling, then began to rebound, cutting losses and creating some gains as the ticker tape ran late. But it wasn't enough. The list still remained lower on balance. After a period of hesitation another selling drive developed and this battered down prices to their worst of the day by the close.

The Dow Jones industrial average sank 9.20 to 654.70, a new closing low for the year.

Volume rose to 3,670,000 shares from Tuesday's 3,020,000.

The Associated Press average of 60 stocks declined 3.20 to a new yearly low of 241.60.

Wall Streeters noted no particular news to account for the upset, regarding it as chiefly technical. Some remarked, however, that Washington hearings on the securities investigation and the United States administration's further emphasis on a non - inflationary economy, did nothing to help sentiment.

The list of Canadian issues showed McIntyre Porcupine down 1½ and ½-point losses by Aluminium Ltd., Granby Mining, Hudson Bay Mining, International Nickel and Walker Gooderham.

American Stock Exchange prices also retreated. Shawinigan was off ¼, Fargo Oil lost ⅛ and Scurry Rainbow Oil slipped ¼.

TORONTO

TORONTO (CP)—Widespread industrial losses plunged the stock market into its greatest one-day drop in more than two years during light trading Wednesday.

The industrial index toppled more than six points: western oils struck their lowest index level of the year.

Most sections in the main list were hard hit. Lows for the year were touched by Alberta Gas, Algoma Steel, BA Oil and Imperial Oil, all down as much as 1⅜. Steel Company of Canada fell to 20¼—a 1962 low—but recovered to 20⅜, down ⅜.

Moore Corporation fell 2⅜, Abitibi 1¼, Walker-Gooderham ¾ and Aluminium ⅝, while Trans-Canada Pipe Line, Canadian Imperial Bank of Commerce, Massey - Ferguson and Bell Telephone all declined in a ¼ to ½ range.

Royal Bank and Canadian Breweries were among the few gainers, each up ¼. Bank of Montreal rose ¼
