Street Names Sought For New Development

Requests from City Hall for possible names for some dozen or more streets to be included in the new development area have to date gone begging. City Clerk John Butler said yesterday that not one single name suggestion has as yet been received.

The area concerned is bounded roughly by Brighton Road on the South, North River Road on the east, the North River on the West and Kirkwood Drive on the north.

Street names have usually been chosen because of some historical significance, some geographical location or some natural surroundings.

In the proposed area there are many natural elements that could inspire a name. The area is fairly heavily wooded and this might suggest the names of trees for the streets such as pine, beech, spruce, oak, etc.

However, civic officials point out that no name will be used that might cause confusion with the name of an existing street.

If an historical outlook were taken then there are names of Fanning, Coles, Whalen, Cartier, Cabot and others. Some variation of designation could be heights, bluff, lane, avenue, court or crescent.

All names of course will not be used, but the city is anxious to have a list from which they can draw when the area is developed.

A map of the proposed development is available for inspection should any citizen have intentions of submitting a street name.

One street in particular will offer plenty of room for imagination. It is the shore drive which runs parallel to the bank of the North River. When completed, this street should be one of the most scenic in the city.

War 'Amps' Elect Slate

The annual meeting of the War Amputations of Canada was held at the Charlottetown Hotel Dec. 1st, with 17 active members and their wives in attendance.

Two minutes silence was observed in memory of fallen comrades, grace was said by Charles E. MacInnis. At the close of the dinner President G.E. Sherren proposed the toast to the Queen.

The ladies then retired to the lounge, and a business meeting was held. Minutes of the last annual meeting were read and approved.

The president's address covered the work done during the past year and the treasurer's report on finances was approved. Charles MacInnis reported on the dominion convention at Windsor, Ont., giving special attention to the resolutions brought before the convention and the action taken on them.

The officers for the coming year are: president, Keith E. Murray; vice-president, Richard J. Lawlor; sec. - treas., John C. Caswell; Dominion representative, Charles P. MacKenzie, executive, J.D. Shepherd, J.C. Toole, C.E. MacInnis.

NEW LAND POSES PROBLEM

The City of Charlottetown has a piece of land that poses a problem for its future use.

The land in question about 48 foot frontage and 100 foot depth is located at the western end of Richmond Street and is in effect a by-product of the backfill of the seawall along West Street.

Previously there used to be a slip at the end of the street but with the addition of 100 feet of fill at this point in the wall, the city now becomes heir to this strip of land between the residence of Mrs. George D. DeBlais and Miss Harriet MacCallum.

One way of settling the matter would be to deed half the property to either of the residents on either side. Or a second suggestion is to make the area small as it is, into a scenic garden.

Whatever is done with "the baby on its doorstep," the council will most likely decide next Monday night at its regular meeting.

The minutes of the last zone meeting, which was also the annual meeting, were read by the secretary and approved.

A letter from the secretary of the Provincial Command was read asking information from each branch relative to their activities during 1958 and 1959, to be sent in prior to Jan. 8, so as to be forwarded to Dominion Command for publication in the Canadian Legion Year Booklet. It was considered that even with the relative short notice, each branch should make every effort to co-operate as far as possible with the request.

Hamilton Douglas, Mount Stewart, provincial sports chairman, gave a report on the sports meet in Toronto sponsored by Dominion Command in connection with

the C.N.E. Mr. Douglas said he was not entirely satisfied with the way in which representatives were selected and suggested that each zone might have a representative on the committee to assist with the selection.

Bert Blaquiere, North Rustico, suggested that the Legion should have a five-year program, beginning with the youngster at an early age and continue to develop his talents during the period. Mr. Douglas stated that his program was already in existence and that as sports chairman, he would be prepared to visit any branch and explain the program.

The organization of a cribbage tournament for this year was discussed and it was decided that each branch which intended to

Rainfall Below Average For '59

According to the Dominion Experimental Farm, records show that .68 inches of rain have fallen this month, most of it over the last weekend.

The month of November produced .633 inches and October showed .640 inches. With all this, however, we still lack about 5 inches to maintain the average for the 11 month period.

Farm records show that the record rainfall was recorded in 1942, when 6.45 inches fell on Sept. 22nd, and a record 12.40 inches fell in that month.

Sinclair Cutcliffe was elected vice-president; Gordon Williams was elected treasurer and Frank MacDonald secretary. Reports showed a very successful year for the club's dairy bar in Victoria Park. Lawson Jenkins reported satisfactory results from the chocolate bar project. The club anticipates a visit from the newly-elected Lieutenant-Governor of Kiwanis, C. A. Moir of Dartmouth, N.S., in the new year.

R.L. Burge Named To Governing Bd.

According to an announcement received yesterday from informed sources, R. Louis Burge, St. Peter's Bay, has been appointed to the Board of Broadcasting Governors. He replaces Hon. J. David Stewart, who announced his retirement from the post following his election to the Provincial Legislature.

Mr. Burge has been very active in political life, running for election since the 1935 elections. He was first elected to the Prince Edward Island Legislature in 1947 as a Progressive Conservative member.

He is on the Board of Governors of the Charlottetown Hospital, and is a member of the P.E.I. Potato Marketing Board.

A prominent farmer and produce dealer, Mr. Burge is also one of the oldest Holstein breeders in the province and is on the national executive of Holstein breeders.

Married, he has seven children, Dr. J.L.F. Burge, Charlottetown, Alban, working in Moncton; Sister Louis Marie, on the teaching staff at St. Dunstan's University; Mrs. John Mulally Souris; Mrs. Alfred Rossiter, Edmonton, Alta.; Sister Marie, Sisters of St. Martha, Charlottetown and Michael who resides at St. Peter's Bay.

pleasure that the management of Eastern Fisheries had seen fit to waive priority in order that individual fishermen should get the first boats built.

Board chairman, A. W. Gaudet of Charlottetown, said that he and the other members were delighted with the prospective increase in the Province's deep-sea fishing fleet which was contributing so much to the Island economy.

Mr. Gaudet suggested that every citizen of the Province should take time to visit Souris and see for themselves the "truly amazing" fishing industry that has developed there.

"It is a very interesting and enlightening experience to get a true on-the-spot glimpse of this important phase of our Island economy," he said.

Charles H. Black Dies In Ill., Funeral Here On Friday

The death of Charles H. Black occurred Monday at the home of his daughter, Mrs. H.O. Folkins in Crystal Lake, Illinois. He was in his 88th year.

A resident of this city for 50 years, Mr. Black moved from his native Pughwash, N.S., during the first decade of the present century to open a chinaware business in Charlottetown.

He later became associated with the Mutual Life Assurance Company and for many years carried on as a life underwriter in the province. He was active in the Life Underwriters' Association and was the holder of a chartered life underwriter's degree.

The late Mr. Black was first and foremost a Christian gentleman. He was associated with many organizations throughout the city but his main interest was at Trinity church where for many years, he was senior presiding elder.

Besides Mrs. Folkins, he is survived by a daughter Dorothy (Mrs. John Sylvester) of Gand, Nfld., and two sons, Fred and Harold in Ottawa. His wife, the former Jean Moore, predeceased him five years ago.

The funeral will be held from Trinity Church, Friday afternoon at 2 p.m. Interment will be in Sherwood Cemetery.

ANCIENT SITE

The first church at Wells in Somerset, England, is said to have been founded in 704 AD.
