

# Best Entertainment in Town

As a student at UPEI in the early 70's, one of my fondest memories is of times spent in the Ice Palace, cheering on our Hockey Panthers. In those days, it was rare that we'd even make the finals. Yet, Panther hockey was enthusiastically followed by university students as a regular social activity. Campus Characters would plot all week planning crowd-pleasing antics, and no one wanted to miss the display. Cheerleaders, musicians, and overall clowns would entertain the masses almost as much as (and occasionally more than) the action on the ice.

Since graduating from UPEI I have become involved with the UPEI Hockey Booster Club. Wow, have things changed for the last few years, not only have we been regularly making the Play-offs, but for most of the time have been ranked nationally. The calibre of hockey is superb, and the fan no longer has to endure the torture of the Ice Palace.

With all the positive changes, one would think the team's supporters would increase in quantities. However, attendance seems to have shifted from a student majority to a following of City residents and Alumni members. I feel this shift can be attributed, to a large degree, to a greater emphasis on academic achievement necessitated by the competitive job market forced by most graduates today, as a university degree no longer ensures employment upon graduation. However, everyone needs a break from the books and what better time than now? Midterms are weeks away, finals are months away, and January is usually such a boring, depressing month. So... how about a little entertainment?

The UPEI Hockey Panthers Booster Club and UPEI Student Union have collaborated to sponsor a Student Night beginning at the Charlottetown Forum, Friday, January 20 at 7:00

pm, when the Panthers host the Mount Allison Mounties. Students, Faculty and friends of the university are heartily invited to join in the fun and frolic of expressing their support of the Hockey Panthers in the noisiest/showiest manner they can think of, and immediately following the game, to join the Panthers in a post-game party at the Panther Lounge. For details on return transportation from the campus to the Forum, consult your Student Union office.

Hope to see you there!
