The Great American Hair Tonic.

Bogle's celebrated Hyperion Fluid, for the growth and preservation of the Hair is well known to be without a rival on this continent. Hundreds of imitations have started into an ephemeral existence, since the introduction of this unrivalled Hair restorative, and their doom been sealed, whilst Bogle's Hyperion Hair Fluid, with a popularity never attained by any other article, goes on "conquering and to conquer." There is no malady, which can affect the Hair, but can be cured by this incomparable preparation. To ladies it is invaluable; and on children's heads it lays the foundation of a good head of Hair. It is now patronized by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

Bogle's Electric Hair Dye converts red or grey hair into a beautiful black or brown, the moment it is applied, literally dyeing the hair without staining the skin and leaves the Hair soft and glossy without injuring its texture in the least; a decided superiority over all other Hair dyes.

Bogle's Amole Shaving compound renders that usually unpleasant operation (shaving) a decided luxury.

Bogle's Hebeaiona removes Freckles and tan from the face in the shortest possible time, and is acknowledged to be the very best article for beautifying the complexion.

To be had, wholesale or retail, of W. Bogle, 227, Washington street, Boston, U. S.

And by all Druggists and perfumers throughout the Canadas, United States and Great Britain. W. R. WATSON, Agent for P. E. I.

GILMAN'S HAIR DYE.

The best article ever used, as hundreds can testify in this city and surrounding country. Read! GILMAN'S LIQUID HAIR DYE *instantaneously* changes the hair to a brilliant jet *Black* or glossy *Brown*, which is *permanent*—does not stain or in any way injure the skin. No article ever yet invented which will compare with it. We would advise all who have grey hairs to buy it, for it *never fails*. —*Boston Post*
