HORSESHOEING.

HAVING secured the services of MR. WILLIAM TUCKER, a native of this Island, who has had nine years' experience as a Horse-shoer in the United States, I am prepared to supply a long-felt want in this line. Mr. Tucker has reduced horse-hoing to a science, and is prepared to perform all classes of work in a common-sense and scientific manner. I need not inform the intelligent public that the seat of the horse and condition of the feet must be understood to weight a horse properly and to successfully operate thereon. Numerous patrons already attest the merits of his work, performed, and recommend his system of shoeing. Customers can always depend on prompt attention and entire satisfaction.

Harper's Young People.
An Illustrated Weekly.

HARPER'S YOUNG PEOPLE has been called "the model of what a periodical for young readers ought to be," and the justice of this commendation is amply sustained by the large circulation it has attained both at home and in Great Britain. This success has been reached by methods that must commend themselves to the judgment of parents, no less than to the tastes of children—namely, by an earnest and well-sustained effort to provide the best and most attractive reading for young people at a low price. The illustrations are copious and of a conspicuous high standard of excellence.

An epitome of everything that is attractive and desirable in juvenile literature.—Boston Courier.
A weekly feast of good things to the boys and girls in every family which it visits.—Brooklyn Union.
It is wonderful in its wealth of pictures, information, and interest.—Christian Advocate, N. Y.
