UAW Comments On GM Strike TORONTO (CP) - The United Automobile Workers (CIO - CCL) said Wednesday the General Motors of Canada strike, now in its 136th day, has been essentially a struggle to raise the company to the level of its Canadian competitors.

George Burt, UAW Canadian director, said in a press statement Canadian workers and the Canadian public have a right to expect more from GM "than brute strength and ultimatums from its Detroit spokesmen that it will not meet its Canadian competition."

He referred to a statement reported by company executives that the company was standing firm on its position that the union would have to bear part of the cost of a health-and-welfare scheme.

The company, one observer said told the union that there is room for movement on some economic issues if the union would relax its demand for a plan fully-paid by the company.

TRANSIT TROUBLES BALTIMORE (AP) - Governor Theodore R. McKeldin said Tuesday night legislation is being prepared to take over the Baltimore Transit Co. and get its strikebound buses and streetcars on the move again. Some 200,000 daily riders in this city of 1,000,000 have been inconvenienced, waiting, pooling cars and using 6 such motor coach services as are available from the city's fringes to get to their jobs since the strike began Monday over a contract dispute.

DAILY CRYPTOQUOTE - Here's how to work it: AXYDLRAXX is LONG FELLOW. One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

Yesterday's Cryptquote: THE CROSS, IF RIGHTLY BORNE, SHALL BE NO BURDEN, BUT SUPPORT TO THEE-WHITTIER.
