Local and Other Items.

BANK EXTENSION.—It is stated that the Merchants' Bank of Halifax will open up a branch in Ottawa in a short time.

LATEST GRIT MOTTO.—Millions for MacKenzie and Mann; chickens feeding stations for the Maritime Provinces.

GOSPEL MEETING.—Remember the gospel meeting in Prowse's new block, Sunday afternoon at 4 o'clock. Strangers always welcome. Lesson, Is 10-9, "I am the door."

A STRANGE CASE.—A man named Henry Ehlers died at Milwaukee, Wis., a few days ago after his nose had bled continuously for nine days. The doctors could do nothing for him.

S. S. PICNIC.—Elliott's Mills is about twenty-eight miles from Charlottetown, with a beautiful grove and a nice fishing stream. It is an ideal place for a day's outing. Grace Church S. S. Picnic Wednesday Aug. 30.

BEFORE AND AFTER.—The question, "Is marriage a failure?" is suggested by the recent embarrassment of Mrs. K. E. Hallett, general dealer of Dalhousie, N. B. While her name was Miss Delaney she carried on a small business for eight or ten years with apparently fair results. About a year or so ago she married, and now, as Mrs. Hallett, is offering creditors 40 cents on the dollar, on liabilities of about \$1,600.

A COMING TREAT.—The home-makers of Charlottetown should fail to hear a woman of whom the following has been said: "The crown of Mrs. Stevenson's life, however, is not her exceptional success as a platform speaker, a writer and an officer, but as a home-maker. She has poured out a large life on a husband worthy of her. No own children call her mother, but thousands of "own mothers" would die to win the worshipful love and fealty with which she is enriched by the three lovely step daughters whom she has willed to her own sweet ways." Y. M. C. A. Hall, Tuesday, the 29th at 8 o'clock.

HARVEST EXCURSIONS.—On August 29th and September 12th the Canadian Pacific Railway will run two Harvest Excursions from points on their line in New Brunswick to all points in the Canadian North-West. Tickets will be second class in each direction and good for return till October 24th and November 11th respectively. The return rates will be as follows:—To Winnipeg, Dorraine, Reston, Estevan, Bismarck, Mooseomin, Cowan, \$28.00; Regina, Moose Jaw, Yorkton, \$30.00; Prince Albert, Calgary, \$35.00; Red Deer, Edmonton, \$40.00. As the above tickets will not be on sale from stations east of St. John, it will be necessary for any one wishing to take advantage of these cheap excursions to purchase local tickets to St. John, N. B. and purchase there from the Canadian Pacific Railway Co.

ON A LINER.

Miss Jessie de Smythe was crossing the Atlantic for the first time. The daughter of a pork packer and sausage trust director of Chicago of she was on her way to Europe to "have a time" as she put it—"to get finished" as her mother would say.

George Branders was a student and football player in English College, on his way home from "doing" America. He was handsome and manly. She was pretty and—American like—vivacious. The boat was not out of sight of Sandy Hook before things had progressed to a degree. And now in mid-Atlantic they were well advanced indeed. It was blowing, a big sea was rolling and every passenger but they two were below, miserably seasick. Miss de Smythe had never been to sea before, though she wouldn't have confessed it, yet she seemed to stand the weather like a veteran.

Branders looked at her admiringly. "And what do you think of we American girls?" she was saying.

"I think they are like the American bicycles," he returned, "they have all the latest improvements."

She laughed.

"Oh! we're no stick-in-the-muds," said she.

"They appear to be excellent sailors, too," said he.

Miss de Smythes miled to herself but made no reply. Things continued to progress.

She smiled to herself again that evening after tea when in the privacy of her own stateroom she took a Dodd's Dyspepsia Tablet.

Dodd's Dyspepsia Tablets are the surest preventives in the world for sea sickness.

Dodd's Dyspepsia tablets are for sale at all druggists at 50 cents a box, six boxes \$2.50, or will be sent on receipt of price by the Dodd's Medicine Co, Limited, Toronto.

Stonhenge For Sale.

LONDON, August 24.—Sir Edmund Antrabus, owner of the estate upon which Stonhenge stands, offers the land to the Government for £125,000. The price is big, but the value of Stonhenge, as an antiquity, may induce the Government to buy.

Healthy happy children make better men and women of us all. A little care and a little planning before birth is often more important than anything that can be done after. On the mother's health and strength depend the life and future of the children. A weak and sickly woman cannot bear strong and healthy children. Most of the weakness of women is utterly inexcusable. Proper care and proper medicine will cure almost any disorder of the feminine organism. Dr. Pierce's Favorite Prescription has been tested in thirty years of practice. It is healing, soothing, strengthening. It is perfectly natural in its operation and effect. By its use, thousands of weak women have been made strong and healthy—have been made the mothers of strong and healthy children. Taken during gestation, it makes childbirth easy and almost painless and insures the well being of both mother and child.

Send 31 one-cent stamps to cover cost of mailing only, and receive free a copy of Dr. Pierce's Medical Adviser. Address World's Dispensary Medical Association, Buffalo, N. Y.
