

### Gordon Toombs Honored

On Wednesday evening, the Department Managers and Supervisors, and their wives, of Holman's Charlotetown Store met at dinner at the Charlotetown Hotel to do honor to Mr. Gordon Toombs, Hardware Floor Supervisor, on the occasion of his twenty-fifth year with the firm.

Mr. Toombs is the second Charlotetown employee to obtain this length of service and was congratulated by Mr. Alan Holman, Store Manager, in a short address. Mr. Allison Owen, fellow "Twenty-Fiver" and Hardware Department Manager, on behalf of the firm of R. T. Holman Limited, presented Mr. Toombs with a Longines wrist watch, suitably engraved to commemorate this occasion. He also pointed out some of the advantages and disadvantages of becoming an "Old Timer" and pointed out to the assembled guests that Mr. Toombs had had an added bonus in his association with the firm in the fact that his "Life Companion" had been a fellow worker in the store and was now supervisor of Holman's Charlotetown China Department.

In a fitting reply, Mr. Toombs expressed his thanks to management and to the assembled guests for the honor given him.

### In Memoriam

In loving memory of a dear wife and mother, Mrs. Simpson Stetson, Freetown, who departed this life Feb. 11th, 1954.

Her weary hours and days of pain her troubled nights are past. And in our aching hearts we know she has found sweet rest at last. God called her because she was suffering. And we could help her no more. But those who fall asleep in Jesus are not dead. Only gone before.

Sadly missed and lovingly remembered by her husband and daughters, Edith and Florence and son-in-law, Orville.

## Temperance Federation Executive Meets

An executive meeting of the P. E. Island Temperance Federation was held in the Hearts Memorial Hall, Charlotetown, yesterday afternoon, with the president, Colin Waugh presiding.

Dr. E. J. Barrass gave a vivid report of the meeting of the Canadian Temperance Federation held in Winnipeg last November, which he attended as the Provincial delegate. Every province in Canada was represented. Dr. Barrass was grateful for the privilege of representing the Island Federation.

In his report, Dr. Barrass touched on the impressions made by several outstanding speakers, particularly Dr. William Seath, from Chicago, "Skid Row" and Dr. Albin Roy King, of Cornell University. Dr. Seath dealt with his work among men and women who find Skid Row to be the end of the drink trail, "who have found victory through the power of Christ."

Dr. King urged voluntary total abstinence, to be achieved through education and propaganda. A vote of thanks was extended to Dr. Barrass for his excellent report.

Members appointed to serve on committees were: Legislation and law enforcement, Dr. J. A. Clark, chairman, Rev. Howard Christie in relation to improved conditions in domestic and international fields.

While not divulging any of the proposed suggestions or recommendations, that may be dealt with at the coming three day conference, Mr. Shaw stated that matters of outstanding importance stemming from previous committee meetings will be thoroughly discussed and appropriate action taken in relation thereto.

While at Ottawa Mr. Shaw expects to take part in a C.B.C. farm panel discussion on an important farm subject.
