Fenians at Dungarron, have stationed men of war in the channel to guard against the repetiton of a similar attempt.

BY CABLE.

FLORENCE, June 21st.

Startling intelligence has been received here from Rome. Despatches report that 200 armed men had thrown themselves into the city. It was was supposed with the intention of proclaiming a republic, but the attempt failed and forty of the revolutionists are now in prison.

PROFESSOR HOLLOWAY IN A NEW CHARACTER.

For the information of such of our readers as wish to make consignments of any kind to England, we beg to state that Professor HOLLOWAY will be happy to take charge of the same on the usual terms of commission. The Professor, having at all times large available funds at his command, will make advances if necessary. His long standing and experience are sufficient guarantee that the greatest attention will be paid to the interests of all those who may entrust their business to him, whilst the large sources of information within his reach, by agents distributed throughout the civilized and uncivilized world, will render his advice and interested connection with mercantile transactions invaluable. —*Delhi Gazette*, March 7th, 1867.

CAPT. W. C. BOURKE has resigned the command of the steamer *Heather Belle*, and Capt R. K. McKenzie, of Flat River, has been appointed in his place.—We understand that the *Heather Belle* carries a large quantity of freight between Charlottetown and the Ports of call in King's County.—*Pat.*

The combination of ingredients used in making Brown's Bronchial Troches is such as to give the best possible effect with safety. The Troches are used always with good success, and are widely known as the best remedy for coughs, colds, throat diseases, and Asthmatic troubles.

Holloway's Pills—To Purify the Blood.—With this medicine the discovery of a great principle of guidance in treating the diseased body dawned upon mankind—the necessity of purifying the blood, 'the life of the flesh.' This rational treatment gradually superseded the barbarous bleeding, destructive emetics, and undermining mercurial preparations which has entoiled the profession and public for centuries. Purification of fluids and solids is the noble purpose Holloway's medicine was designed to effect, and wonderfully has it accomplished its end—a truth, at the present day universally admitted and acted upon. In loss of appetite, giddiness, partial failure of memory, bilious attacks, and habitual costiveness, Holloway's Pills exert the most salutary powers in invigorating any organ which is failing through weakness.

## Perry Davis' Pain Killer.

It is a real pleasure to us to speak favorably of this article, known almost universally to be a good and safe remedy for burns and other pains of the body. It is valuable not only for colds in the winter, but for various summer complaints, and should be in every family. The casualty which demands it may come unawares.—[Christian Advocate.

PAIN KILLER, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a Cough and Bronchitis, a few drops on sugar, eaten, will be more effective than anything else. For Sore Throat, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

THEO. DesBRISAY,
General Agent for P. E. Island.

June 19th, 1867. 1m.

Much sickness undoubtedly with children and adults, attributed to other causes, is occasioned by worms. The Vermifuge Comfits, although effectual in destroying worms, can do no possible injury to the most delicate child. This valuable combination has been successfully used by physicians, and found to be safe and sure in eradicating worms, so hurtful to children. Children having worms require immediate attention, as neglect of the trouble often causes prolonged sickness.

Symptoms of worms in children are often overlooked. worms in the stomach and bowels cause irritation, which can be removed only by the use of a sure remedy. Brown's Vermifuge Comfits, or Worm Lozenges, are simple and effectual.

## Cleanse the Blood.

WITH corrupt, or tainted blood, you are sick all over. It may burst out in Pimples, or Sores, or some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities it expels disease and restores health and stimulates the organs of life into vigorous action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as *Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases*, such as *Retention Irregularity, Suppression, Whites, Sterility*, also *Syphilis or Venereal Diseases, Liver Complaints*, and *Heart Disease*. Try AYER'S SARSAPARILLA, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any Sarsaparilla, but often no curative ingredient whatever Hence bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market until the name itself has become synonymous with imposition and cheat. Still we call this compound, "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistable by the class of diseases it is intended to cure. We can assure the sick, that we offer them the best alterative we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered.

AYER'S CHERRY PECTORAL is so universally known to surpass every other medicine for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

Prepared by DR. J. C. AYER & Co., Lowell Mass., and sold by all Druggists and dealers in medicine everywhere.
