MAYNE—In loving memory of our little granddaughter, Janice Catherine, who passed away December 13th, 1956.

This day we do remember
And loving thoughts we give
To one no longer with us
But in our hearts still lives.

Ever lovingly remembered by Grandma and grandpa Mayne.

MAYNE—In loving memory of our darling little daughter, Janice Catherine, who passed away December 13th, 1956. age 3 years.

She was a flower too sweet for earth
Sent here but for a while
God marked her when he gave her birth
And took her with a smile.

There was an angel band in Heaven
That was not quite complete
So God took our darling Janice
To fill that vacant seat.

Lovingly remembered by mother, daddy, sister and brothers.

MAYNE—In loving memory of our dear little niece Janice Catherine, who passed away Dec 13th 1956.

Jesus has taken a beautiful bud
Out of our Garden of Love
When he took our dear little Janice
Home to the angels above.

Always rememberd by Aunt Elsie and Uncle Fenton.

CRANE—In loving memory of my dear mother, Mrs. S. Ward Crane, Riverton, who died one year ago today, December 13th 1956, age 66 years.

Ever remembered by daughter Betty and Roddy and grandchildren.

CARR—In loving memory of L. Cpl. Stanford W. Carr, killed in action in Italy on December 11-12, 1944.

Call not back the dear departed
Anchored safe where storms are o'er.
On the border land we left him
Soon to meet and part no more.

Far beyond this world of changes,
Far beyond this world of care,
We will meet our loved one
In our Father's Mansion fair.

Ever remembered by wife and son, Ruth and Kenneth.

IN MEMORIAM

WENDELIN MORRISSEY

On Tuesday morning, October 8th, the death occurred in East Royalty of Wendelin Morrissey in his 68th year.

He was the youngest son of the late Walter Morrissey and Catherine MacInnis, life long resident of Earnscliffe. In 1919 he married Frances MacDonald of Orwell and after living for two years in Earnscliffe they moved to East Royalty where he spent the remaining years of his life engaged in farming and horse raising.

He always enjoyed good health until the past few years during which he silently suffered from a heart condition then in the silence of the night he died peacefully and went back to his creator. Rt. Rev. R.V. MacKenzie administered the Sacrament of Extreme Unction, the last rites of the Holy Catholic Church.

Possessed of a kind and genial disposition Wendelin leaves many relatives and friends to mourn his death.

Besides his sorrowing widow he is survived by eleven children, Florence (Sr. St. Frances Claire) Tignish, Walter, North Sydney; Zita (Mrs. Allison Stewart) Dunstaffnage; Ursula (Mrs. John B. MacDonald) Pleasant Grove Orwell, St. John; Myron, Norwood Road; Cyril, Charlottetown; Claire (Sr. St. Zita A.A.D.) Montreal; Pauline, (Mrs. Lewis McCabe) East Royalty, Lorraine, (Mrs. Kennth Morrison) Pleasant Grove; Leona C.A.D. Montreal, and two sisters Mrs. Emma Dowland, Providence, R.I., and Florence, Dorchester, Mass, who came to attend her brother's funeral; also sixteen grandchildren.

The funeral was held Thursday morning, October 10th from his late residence to St. Pius X Church, Parkdale, where Solemn Requiem High Mass was celebrated by his Pastor, Rt. Rev. R.V. MacKenzie, Deacon and Subdeacon were Rev. Francis Corcoran and Rev. Preston Hammill. Present in the Sanctuary were Rev. K.C. MacPherson, Rev. L.P. Callaghan and Rev. Sylvere Gallant.

The pall bearers were John Walsh, Andrew MacRae, Wilfred Holmes, Joseph MacIsaac, Marcellus MacDonald and Walter J. Morrissey. Interment was in the Catholic Cemetery where the burial service was conducted by Rt. Rev. R.V. MacKenzie and all that was mortal of a kind and loving husband and father was laid to rest to await the Great Reunion.

How sweet to sleep where all is peace
Where sorrow cannot touch the heart,
Where all life's idle throbbings cease
And pain is lulled to rest.

CARD OF THANKS

Mrs. Wendelin Morrissey and family wish to extend a message of deep appreciation to Rt. Rev. R.V. MacKenzie, Dr. J.L.F. Burge and to all those who helped in any way during their recent bereavement and very grateful thanks for the numerous Mass cards, flowers, letters and messages of sympathy and telegrams received.

Island Ayrshires Ahead Of Average For Canada

That Ayshire cows in Prince Edward Island are more than holding their own with the rest of Canada is seen in the report of R. C. Parent given yesterday at the annual meeting of the Ayshire Breeders' Association of Prince Edward Island.

He said a total of 91 Island Ayrshires had been listed in the Ayrshire Review (The official organ of the National Association) as having produced over 120 per cent of the breed class average. Fifteen of these produced higher than 151 per cent. Twelve produced between 141 and 150 and 64 between 120 and 140.

These 91 cows represent approximately 6 per cent of the Ayrshire cows on R.O.P. test in Canada whereas the Island herds represent only three per cent of the Ayrshires herds on R.O.P. test in Canada. In other words Prince Edward Island Ayrshires have stood as high as the national average.

FINE SHOWING

Those appearing on the Island list with the number of times in brackets were: A.B. and F.T. MacRae (18), Experimental Farm (13) A. MacRae and Son (12), Col. F.I. Andrew (11), A. Wood and Sons (8), Earl MacRae (5), W.E. Moase (4), Willard Prowse (3), Brenton Stead (3), N.W. MacLeod and Sons (3), Earl MacRae (2).

In the election of officers which followed the meeting, Arthur MacRae of A. MacRae and Son was elected president. Brenton Stead of Souris R.R. was named vice president. Mrs. R.A. Baldwin was re-elected secretary of the club. Directors were as follows: Kings County, Brenton Stead; Queens County, Wallie Wood; Prince County, Ed Boswell. Directors at large are, Andrew MacRae, Sterling MacRae, Gavin Reid, Arthur MacRae. R.C. Parent is immediate past president and ex-officio member of the executive.

At noon the breeders and their wives gathered at Birch Court where they partook of a bounteous luncheon seved by the ladies of the Parkdale Women's Institute. During the dinner Mr. Parent read a letter from Edward Boswell expressing his appreciaion for the club's thoughtfullness toward him during a recent illness. The bredeers were pleased to learn that Mr. Boswell is regaining his health steadily.

RED & WHITE SHOW

The meeting decided that the Red and White show in 1958 would be held at the Crapaud Exhibition. In order to qualify for the bonus from the National Association, the show must have at least five exhibitors and a minimum of 40 animals. Assistance will also be given to the fairs to be held at Souris, Dundas, Egmont Bay and Alberton.

It was decided to increase the amount for promotional work among 4-H clubs from $500 to $625. It was also agreed to make available the sum of $150 for promoting interest in the Amherst Fair.

Mr. Parent made reference to the large number of Ayrshire exhibitors at the Island Fairs and at Amherst. He made special mention of the fact that Major MacRae and Son made a cerditable showing at the Royal Winter Fair where one of their heifers brought a high price at the Sale of Stars.

ARTIFICIAL INSEMINATION

Dr. George Fisher told the Ayrshire breeders that to date this year, 11,000 cows have been bred artificially on Prince Edward Island. He said P. E. I. was the first Province in Canada to make the semen of all breeds available to breeders.

Dr. Fisher said the Ayrshire sires in the Artificial Breeding Unit had the highest average of non-return of any other breed. He said this was three per cent above the provincial average.

The fact that Prince Edward Island is now a disease free area in so far as Brucellosis is concerned was emphasized by Dr. Fisher. He said he once favoured a full scale calfhood vaccination policy but now felt that such a policy would be inadvisable.

PANEL DISCUSSION

A feature of the evening was a panel discussion chaired by Wallie Wood. The subject was, "Is the Ayrshire cow of today as good as she was 20 or 30 years ago?"

The general opinions expressed would indicate that the cow is as good or better in so far as type and production is concerned. However it was felt that a bigger type of animal was desirous since the export market was on the search for the animals of a larger size.

Taking part in the panel discussion were F. T. MacRae, Gavin Reid, Keith Boswell, Earl Ings and Heber MacPhail.

Andrew MacRae of East Royalty invited the breeders to hold their field day at his farm in the summer of 1958.
