MANURE FOR

TURNIPS.

THE BAY STATE FERTILIZER

E. T. W. writes:—"Used it with gratifying results. For Turnips it is, unquestionably,
excellent," (used 2000 lbs. in 1885.)

D. H. A. writes:—"Applied 250 lbs. along with 30 loads of barnyard manure, and had,
from one acre, 850 bushels," (used 2250 lbs. in 1885.)

W. M. writes:—"The past three years I have used the Fertilizer, on roots, with great
satisfaction. Would not try to grow a large crop without it. Applied about 300 lbs. per
acre, with a light dressing of stable manure, and always had grand results," (used 1600 lbs.
in 1885.)

A light dressing of Fertilizer for Turnips also benefits the succeeding wheat crop.

DON'T FAIL TO TRY IT.

ABSOLUTE PURITY.

The following analyses (made by the Domini-
on Analyst) of three BAKING POWDERS
sold in this market, should put a stop to the
unjust efforts of the Royal to mislead the public
as to its being the only pure Powder. These im-
portant tests show that other Powders are as pure
and wholesome:

W. SAUNDERS, Dom. Analyst, St. John, N. B.
reports:

Royal—Contains Alkaline Carbonates—a mixture
consisting mainly of Bicarbonate of Soda and
Cream of Tartar—adulterated with about
20 per cent. of Starch.

W. F. BEST, Dom. Analyst, St. John, N. B.
reports:

Pure Gold—Contains Cream of Tartar, Carbon-
ate of Soda—fresh and pure.

(Nov. 16, 1882—Not adulterated;
same as usual.)

WOODILL'S (June 7, 1882—Not adulterated
same as usual.)

(June 4, 1881—Fresh and pure;
same composition as usual.)

MAYNARD BOWMAN, Dom. Analyst, Halifax,
N. S., reports:

WOODILL'S Of good quality; contains nothing
injurious.

WOODILL'S German Baking Powder has
a reputation for purity and wholesomeness now
nearly 30 years.

Methodist Church.

NEW BRUNSWICK AND PRINCE EDWARD
ISLAND CONFERENCE.

(Special Correspondence of the Examiner.)

SACKVILLE, N. B., June 20.

SABBATH SERVICES.

A large number of pulpits were filled by
the ministers attending Conference. Most
of these appear to have been very interest-
ing, and some were attended by large con-
gregations. However, the principal ser-
vices were held in the Sackville Church.

Here Rev. J. W. Taite preached his ordi-
nation sermon at 6.30. Dr. Stewart gave a
most delightful discourse at 11, on the
higher life. It was a season of great power
and profit. At 3 in the afternoon the
Conference love feast was held. On account
of the open air service held at the same
time, the attendance and the interest were
not up to the average. The open air ser-
vice was conducted by Rev. W. W. Brewer.

It was held near the Brunswick Hotel.
Between 200 and 300 people were present.

Revs. A. E. LePage, H. J. Clark, J.
W. Wadman, J. S. Crisp, J. E. Irvine
and J. A. White, taking part. At the
close the people marched to the church
singing hymns. Here a meeting was held
for an hour or more. There were several
forward seeking the Saviour. In the evening
at 7 o'clock Dr. Williams preached.

There was a large congregation. It was
a sermon of great power and beauty. There
was the true ring about the whole service.

After the sermon the Sacrament of the
Lord's Supper was administered. A large
number of ministers, lay members of the
Conference and members of the Sackville
Church commended. During the adminis-
tration of the Lord's Supper a prayer meet-
ing was held in the basement. It was a
season of great blessing. It continued till
after 10 o'clock. Two or three persons
were forward seeking salvation.

ORDINATION SERVICE.

The ordination of Rev. J. W. Taite took
place in the evening. There was a fairly
large congregation. On the platform were
Revs. J. Shenton, R. Wilson, C. H.
Paisley, A. M. After singing, prayer was
made by Rev. H. Daniel. Mr. Taite then
gave an account of his conversion, and call
to the ministry. The following took part
in the laying on of hands: Dr. Williams,
Dr. Stewart, C. H. Paisley, A. M., R.
Wilson, S. F. Teed, J. Read, J. Shenton,
D. Chapman and H. Daniel. Mr. Shenton
then proceeded to give the charge. It was
based on 2 Timothy, 4 Chapter, 1 and 2
verses. The charge was in all respects ad-
mirable and was well received. After
singing the doxology and the benediction
was pronounced, the Conference closed.
June 21.

MORNING SESSION.

Dr. Williams presiding.

After singing, prayer was offered by Rev.
J. Read.

There was a Ministerial Conference from
9 till 10 o'clock.

After 10 o'clock the minutes of Saturday
afternoon were read and confirmed.

On motion of Dr. Pope, the Revs. Dr.
Stewart and Dr. Williams were thanked for
their sermons on the past Sabbath.

Rev. E. Evans read the report of the
Missionary Committee, which was adopted.

Rev. J. Burwash, A. M., read the report
of the Educational Society, which was
adopted.

Rev. R. W. Weddall, N. B., read the
Conference Address, which was received
and ordered to be printed in the *Westonian*.

J. E. Irvine, Esq., suggested that it
should be printed and circulated.

The Secretary explained that it usually
appeared in the *Westonian*, and was read by
the Ministers in their congregations.

Rev. R. Wilson read the report of the
Conference Special Committee.

Session closed by Benediction from Gen-
eral President.

AFTERNOON SESSION.

Conference opened at 4 p. m., the ex-
President in the chair.

Rev. H. Daniel led in prayer.

Rev. J. W. Taite, which was conducted
by the Chairman. Mr. Taite passed a
creditable examination.

On motion of Rev. G. Steel, the Confer-
ence placed Dr. Pickard on the Parsonage
Aid Fund Committee.

Rev. R. Wilson submitted the pro-
gramme of the Ordination Service in the
evening.

Dr. Williams then took the chair.

Rev. L. S. Johnson presented report of
the Children's Fund Committee.

On motion of Rev. G. Steel, report was
laid on the table until the Treasurer pre-
sents his report.

There was a discussion, in which several
took part.

Conference was dismissed by Dr. Stewart
pronouncing the Benediction.

The Suez Canal.

John Cardwell, United States Consul at
Cairo, sends some particularly interesting
figures to the State Department in regard
to American commerce during the past
year. According to these figures, derived
from the records kept at the mouth of the
Suez Canal, it is shown that only three
American vessels entered Port Said during
the year. There are only two other nations
so low in the scale, viz., Denmark three
and Japan two. England leads the list
with 2,730 steamers, then follow France,
298; Germany, 155; Holland, 139; Italy,
106; Austria, 71; Russia, 31; Spain, 26;
Norway, 25; Egypt, 15; Turkey, 10;
Portugal, 5; Sweden, 4. England sent
4,341,702 tons of freight, while America
sent 2,184.

FIFTY pairs pants just received to-day at
L. E. Prowse's, and will be sold at 81.20 a
pair, awful cheap.

LETTERS TO THE EDITOR.

A Repudiation.

DEAR SIR,—I am most credibly informed
that Grits, finding how their own offspring is
injured themselves, are circulating that I am
the author of the "Grand Lodge Political
Platform," and also "Facts for Protestant
Electors." I am authorized to refer those
who are crazy enough to heed this cry, to
Capt. John Evans of the *Protestant Union*,
who promises to testify to all enquirers, that
I have had nothing to do with either.

Yours &c.,
S. G. LAWSON.

Meeting at Murray Harbor Road.

L. H. DAVIES FLOORED.

The large meeting held here on Monday
was a great Conservative success. Evidently
the Grits intended to arrest the Liberal
Conservative speakers. L. H. Davies, D.
C. Martin and William Welsh, Esqrs., had
only to be heard and the Grit cause would
"fourish." They were all heard and so well
met by Mr. A. Martin and Hon. Jas.
Nicholson that they retired from the meet-
ing in very bad humor, and convinced that
the time for loose and extravagant state-
ments was past, that people were
