Whereas there is much work to be done on residential and business premises within this City, and skilled and unskilled workers are now available to do that work promptly and well;

And whereas the National Employment Service is conducting a campaign to alleviate seasonal unemployment.

Now Know Ye that the Mayor and Council call upon the Citizens of Charlottetown to ascertain what repairs, remodelling and construction are desirable on their respective properties and urge them to have the same done without delay.

This is a case where good citizenship is good business. We can have the work done with the least possible delay and help to maintain a constant rate of employment to the benefit of all.

By order, John J. Butler, City Clerk.
