

Overworked Women.

For worn-out, run-down, debilitated school teachers, milliners, seamstresses, house keepers and over-worked women generally, Dr. Pierce's favorite prescription is the best of all restorative tonics. It is not a cure-all, but admirably fulfills a singleness of purpose, being a most potent specific for all those chronic weaknesses and diseases peculiar to women. It is a powerful, general as well as uterine, tonic and nerve, and imparts vigor and strength to the whole system. It promptly cures weakness of stomach, indigestion, bloating, weak back, nervous prostration, debility and sleeplessness, in either sex. Favorite prescription is sold by druggists under our positive guarantee. See wrapper around bottle. Price \$1 a bottle or six bottles for \$5.

CHARLOTTETOWN BOOT AND SHOE FACTORY. SPRING, 1887, SPRING. WE must thank our friends and the public generally for their ever increasing patronage since we have commenced business. Our Boot & Shoe Factory, in starting, had many difficulties to overcome, and we are glad that to-day those difficulties have been surmounted, and we are now well able to compete with the best Boot and Shoe Factories abroad. Some of the advantages purchasers have in buying from us are, saving of freight, ordering goods when you want them (not six months before), getting them without delay—which saves carrying a large stock which deteriorates on the shelves. Our leathers are bought directly from the tanneries, thereby saving commissions which many factories have to pay. We are more determined than ever to give the

BEST OF SATISFACTION and to merit the whole of the Island's patronage. We hope to see many new industries arise, thereby increasing the prosperity of the "Gem of the Sea." DORSEY, GOFF & CO. Ch'town, March 15, 1887.—cod & wky
