CHEAP AND SAFE LIGHT!

NEWELL'S PATENT

Safety Lamp & Lamp Feeder

Warranted to prevent all accidents from the use of BURNING FLUID, PATENT OIL, ROSIN OIL, CAMPHENE,

And all other explosive compounds used for production of light.

This INVENTION is applied to common Fluid, Solar and Camphene Lamps, Lamp Feeders, Fluid-Holders, Lanterns, &c., &c.

We respectfully invite the attention of the public to NEWELL'S *IMPROVED SOLAR FLUID LAMP*! which gives a steady, brilliant flame, nearest to Gas that has ever been produced. The cost of burning being only ONE CENT AN HOUR! These Lamps are particularly adapted for Churches, Hotels, Factories, Stores and parlours. Oil Solars can be altered, using the same shade. Common Fluid Lamps can be changed to Safety Fluid Lamps.

PORTER'S

Patent Burning Fluid and Camphene,

As cheap and good as can be bought in the market. *Also, Shades, Globes, Lamp Wicking, Entry Hall Lanterns, Fluid Chandeliers, &c.,*

For Sale, Wholesale & Retail, by

Newell, Willard & Co.,
No. 28 Bromfield Street, Boston.

N. B.—*A large deduction will be made* from the former prices of NEWELL'S SAFETY LAMPS, &c.

☞ The following certificates are a sufficient guarantee of the entire safety and efficiency of the Safety Lamp and Feeder.

We have had an opportunity to test the Patent Safety Lamp and Lamp Feeder of Mr. John Newell, of this city, in regard to the measure of protection their construction affords. In the trials to which we subjected them, we endeavored, without effect, to produce explosions of the vapor of the fluid mixed with air, and to burst them by the pressure of the vapor alone. The principle adopted by Mr. Newell is that of the well known Davy Lamp. He has so combined the parts, that we are satisfied that all risk of explosive action is removed.

CHARLES T. JACKSON, M. D,
AUG. A. HAYES, M. D.,
Assayers to the State of Massachusetts.

BOSTON, Aug 30, 1852.

Mr. John Newell, of Boston, has exhibited to me a Lamp, and also containing vessels, furnished with wire gauze protectors, upon the principle of Davy's Safety Lamp for miners He has used both these instruments before me with inflammable fluids, and in both, when set on fire, the flame was arrested by the wire gauze, which is coated with silver. If the instruments are faithfully constructed, and carefully attended to, so that the wire gauze does not suffer injury from corrosion, wear or violence, I am of opinion that the protection will prove effectual against explosion. Nothing short of this conviction would induce me to countenance the continued use of the burning fluids, so called, as I have thought they ought to be entirely discarded, if not prohibited from use; so frequent and dreadful are the accidents occasioned by ignorance and carelessness. In every case, glass lamps should be given up; and those of metal substituted, on account of the danger of fracture.

B. SILLMAN, senior.

NEW HAVEN, Oct. 16, 1853.

I have examined Newell's Patent Safety Lamp and Lamp Feeder. They are constructed upon strictly philosophical principles, having a *tube of silvered wire gauze, with a small perforation in the cap.* If well made, they cannot fail to insure protection against those dangerous explosions to which the vapors of burning fluids and camphene are subject, when mixed with air. Their general introduction, I have no doubt, would prevent many distressing and fatal accidents.

THE MEDICAL ADVISER on the physical decay of the system produced by delusive excesses, infection, the effects of climate, &c.; with remarks on the treatment practiced by the Author with such unvarying success, since his settlement in this country. Rules for self-treatment, &c.

Dr. DE ROOS, from long practical experience in the most celebrated institutions of this country and the continent, has had, perhaps, unusual opportunities of observing the peculiarities relating to the physiology, pathology, and general treatment of the disorders referred to in the above work, and having devoted his studies almost exclusively to this class of diseases, he is enabled confidently to undertake their removal in as short a time as is consistent with safety.

PERSONS IN ANY PART OF THE WORLD may be successfully treated by forwarding a correct detail of their case, with a remittance for Medicines, &c. which will be returned with the utmost despatch, and secure from observation.

The CONCENTRATED GUTTÆ VIVÆ, or Vegetable Life Drops, are recommended to all those who have injured themselves by early excesses, and brought on Spermatorrhœa, Nervousness, Weakness, Languor, Low Spirits, Aversion to Society, Study or Business, Timidity, Trembling and shaking of the Hands and Limbs, Indigestion, Flatulency, Shortness of Breath, Cough, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, &c.

Their almost marvelous power in removing contaminations, Secondary symptoms, Eruptions, Sore Throat, Pains in the Bones and Joints, Scurvy, Scrofula, and all other impurities, must be felt to be believed. 4s. 6d.; 11s.; and 33s. per bottle. The £5 Packages, by which £1 12s. are saved: and the £10 packages, by which a still greater saving is effected, will be sent from the Establishment only, on receipt of the amount per draft on a London house, or otherwise.

PAINS in the BACK, GRAVEL, LUMBAGO, RHEUMATISM, GOUT, Indigestion, Bile, Flatulency, Headache, Nervousness, Debility, Diseases of the Bladder and Kidneys, Stricture, &c.

THE COMPOUND RENAL PILLS, as their name Renal (or the Kidneys) indicates, are the most safe and efficacious remedy for the above dangerous complaints, Discharges of any kind, and Diseases of the Urinary Organs generally, which if neglected, frequently result in stone in the bladder, and a lingering, painful death. They agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and will effect a cure when other medicines have utterly failed. Price 4s. 6d., 11s., & 33s. per Box, through all Medicine Vendors.

GUARD AGAINST the recommendation of spurious or other articles by unprincipled Vendors who thereby obtain a large profit. To protect the PUBLIC against FRAUD, Her Majesty's Hon. Commissioners have directed the words "WALTER DE ROOS, LONDON," *to be printed in white letters on the Stamp affixed to the above, to imitate which is felony.*
