KILLING KINDNESS.

It is feared that Mr. Bayard, the United States Ambassador in London, will be ruined by the kindness of his friends in England.

ANOTHER SHUFFLE FEARED.

Speaking of the school system of Quebec the Montreal Gazette says:

"On the whole the system has worked well; there has been very little friction, and creditable results have been obtained.

A STORE OF WHEAT.

Attention in Great Britain has been directed to a suggestion of the member of Parliament for Chester, England.

PORK AND THE TARIFF.

The Montreal Gazette's market report on pork is significant. It reads: "The local provision market continues to rule very quiet owing to the fact that buyers generally are only taking sufficient stock to fill actual wants."

NOTES AND COMMENTS.

—Montreal Gazette: Remedial legislation indeed, it was killed by the vote of this Province (Quebec) at the last general election.

—A Montreal organ of the Laurier Government proposes a tax on tea. This will not add to the expenses of those who drink hot water.

—A proposal to reduce the indemnity of members of the Quebec Legislature from \$8,000 to \$6,000 a session has been given the sixth month's notice. It is easier to do certain expenditures than it is to reduce them.

—Toronto Mail and Empire: With a difficult and new tax facing it, the Government has had Mr. Tarte passing through the North-West in the "Cumberland" and offering to make new expenditures in all possible directions.

—The Winnipeg Free Press, which has been a fairly steady friend of the Manitoba Catholic minority, advises Archbishop Langevin and his co-religionists to accept the Laurier-Greenway arrangement and make the best they can out of it.

—In London, Ontario, as in Toronto, Hamilton and Brantford the tariff commissioners were met by demands for more protection rather than for less protection.

—Mail and Empire: From the standpoint of the material interests of the country, the rapidly accumulating evidence before the Tariff Commission showing that all classes favor should be a matter of gratification.

—Montreal Gazette: A great deal was said in the Lateral Press a few months ago about the exposures of corruption during the election campaign that would be made when the courts came to try the protests against Conservative members.

—Mail and Empire: Mr. Alex. McNeill's election in North Bruce has been confirmed after a searching trial. This one of the ablest of Canadian Parliamentarians retains the seat he is so well fitted to occupy.

—Do not allow your system to get weak and debilitated. It is easy to keep well and strong by taking Hood's Sarsaparilla.

THE CUBAN TROUBLE.

Weyler's Operations a Failure—Reports of Skirmishes—A Cuban Victory.

Passengers arriving at Key West from Havana report that Weyler's campaign in Pinar del Rio so far is a complete failure.

There are more shocking details of Lopez Coloma's execution. General Martinez Campos is, it is said, indignant at the injustice committed in executing Coloma.

A late dispatch from Havana says the people of that place are still in the dark as to the movements of Gen. Weyler.

According to late advices from Havana the rebels have captured and burned Guanacaca, directly under the guns of Moro Castle and only two miles across the bay from that place.

THE BISHOP'S PROPOSAL.

Sir.—The only objection that has yet been made regarding my remarks on the Bishop's proposal to the School Board, is that of a correspondent signing himself "Onlooker."

I am authorized by the Benevolent Irish Society to sell by public auction, on TUESDAY, DECEMBER 15th, 1896, at 12 o'clock, noon, on the premises, the Lyceum Building and Land, situated on Prince Street, opposite the Methodist Brick Church.

The building is 50x50 ft, with basement 12 ft high, whole length and width, and has a right of way on both sides. This property is suitable for different purposes, such as a public hall, reading room, school building, tenements, etc.

I must further inform "Onlooker" that not a few of these teaching sisters already hold licenses under our school act, and have complied with the regulations of the Board of Education, having passed their examinations and attended the P. C. College and Normal School.
