Music Society

Just a little note from your local Music Society to let you know that we are still in existence this year! With a new and enthusiastic executive and society, we plan to have a very successful year full of educational and social fun. Our newly elected executive consists of:

President:Annette Campbell
Vice-President:Darren Dingwell
Public Relations Officer:Anne Curley
Scholarship Committee Rep:Allison MacPherson
Secretary:Deanne Carey
Treasurer:Chris Wooten

Our goals for the upcoming year include:
*establishment of a scholarship in our name for music students
*awareness of the UPEI Music Society and UPEI Music Department
*development of music appreciation among the general public, particularly university and high school students

Anyone who wishes to support our causes and concerns is welcome to become a member. That could be you! This year, as in previous years, we began our fund-raising with a car wash. Lots of wet and wild fun was had by all ... we even washed a car or two. Ha! Ha! Thanks, guys, for attending. Your support was a great beginning to our year. We have so many events planned this year, we can't fit 'em all in this week's issue. Make sure you stay tuned -- same page, same paper to keep up-to-date. Please feel free to contact any of the executive with your questions or if you are interested in becoming a member. We'd love to hear from ya.
