## PARLIAMENT OF CANADA

### \$257,000 Voted for Intercolonial Railway Extension and Rolling Stock!

OTTAWA, June 28.—Hon. Mr. Blair moved the House into Committee on the vote of \$157,000 for the monthly rental of the Grand Trunk and Drummond Counties Railway. The Minister said that the proposition to extend the Intercolonial to Montreal had got to come and no opposition raised to it would be effective. It was proposed to pay the same rate of rentals as was proposed in the contract rejected by the Senate. This arrangement was made as an experiment.

Hon. Mr. Foster asked whether Mr. Blair expected the House to vote all this money without other explanation than five minutes of threats and declamation and prediction.

After further warm preliminary discussion Mr. Tarte took the floor and got off a diatribe. He then began to talk about himself, assuming apparently that it were a suspicion of a deal in the Drummond scheme he would be supposed to be in it. Though nobody had said a word in the House about Mr. Tarte, he grew greatly excited, calling members of the opposite side of the House the tool of the vice conspirator Armstrong.

Hon. Mr. Foster called Mr. Tarte down for this, and demanded that the words be taken down.

Sir Louis Davies defended the expression; but after some controversy Mr. Tarte withdrew it remarking that Mr. Foster was not consciously influenced by Armstrong.

Hon. Mr. Foster said that he knew nothing of Armstrong and had not heard a word from him.

Hon. Mr. Tarte then went ferociously on, declaring that the Montreal papers had been hired to attack him and attack this contract. He had been hunted and accused of all manner of things. "I knew," he said, "that some of my accusers are men in my own camp." He did not deny that he had given election notes but he did not get a dollar out of the deal nor did he expect any. Before he closed his excited speech Mr. Tarte paid a high tribute to Mr. Greenshields who he said, had been a most active supporter of ours and had acted like a man.

Hon. Mr. Foster, when he again took the floor, made no remarks about Mr. Tarte except to say that the Minister of Public Works seemed to think that his own newspaper and election transactions were the principle issue in this railway transaction. He did not propose to deal with Mr. Tarte but with the measure before the House and went on to argue that the transaction could be of no permanent benefit.

The item passed and also the vote of \$100,000 for additional rolling stock.

## THE METHODIST CONFERENCE.

Sabbath School and Other Returns—Successful Educational Meeting.

FREDERICTON, June 26.—The conference re-opened yesterday morning. A letter from the Dominion Temperance Alliance asking conference to send four delegates to the general meeting of the alliance was referred to the temperance committee, with power to nominate the delegates.

Rev. Job Shenton, conference treasurer, submitted the report of the general conference fund, showing \$224.14 collected. Mr. Shenton was re-elected treasurer.

The conference discussed the report of the evangelistic committee, and by a vote of 64 to 5 decided to employ an evangelist for the next year. The financial matters connected therewith were referred to a committee.

Rev. Messrs. A. Lucas and A. C. Bell and Messrs. Buchanan, W. E. Smith and W. Bryenton were granted leave of absence for one year.

The general conference report showed that the receipts amounted to \$224. Special collections are to be taken on the first Sunday in August.

The Sabbath School returns show 218 schools, 16,719 scholars, and the amounts raised for all purposes \$6,967.

The educational meeting in the evening was largely attended. Dr. Carman spoke clearly and forcibly of the need of high class education, both by laymen and ministers. Colleges were needed to develop the mental and moral strength under Christian influence, for our colleges are more Christian than Methodist.

Dr. Stewart spoke particularly of the moral aspects of the work being done at Mount Allison, and paid a glowing tribute to the ability and fidelity of his fellow-workers. Profs. Paisley and Palmer each addressed the meeting, after which president Allison referred to the unusually interesting character of the recent closing exercises, and made special mention of the excellent services of Rev. Dr. Brecken, Rev. Messrs. Dobson and Sellar, and appealed to all to help them in the work in which they were engaged.

## MILITIAMEN ATTEND CHURCH.

The Militia from Camp Brighton headed by the 82nd Band attended service at St. James' Church yesterday morning. The men were under command of Lieut.-Col. Doherty and presented a fine appearance. Rev. F. F. Fullerton preached an appropriate and eloquent sermon from 2nd Samuel 10-12. "Be of good courage and let us play the men for our peoples and for the cities of our God. The service closed with the National Anthem.

A large number of the militiamen in camp also attended High Mass in St. Dunstan's Cathedral, the greater portion occupying seats in the main aisle. Mass was sung by Father Johnston, and Dr. Morrison occupied the pulpit preaching an able and eloquent sermon. Lieutenant Whar was in command of the men, who presented a fine soldierly appearance.

## LATEST NEWS BY WIRE AND MAIL.

LONDON, June 25.—The St. James Gazette says: We understand that before the colonial premiers depart for their homes they will have conferences with Colonial Secretary Chamberlain in the direction of federation, at which actual proposals to that end will be considered. Canada's tariff proposals will likely be the basis of the fiscal union, and the offer of the Cape Colony to contribute a navy the basis of the defence union.

CHATHAM, June 25.—Mrs. John Maher who was so badly burned while working around a stove yesterday, died today. Her husband was badly burned about the hands and arms trying to put out the flames which enveloped her.
