FLORENCE KENNEDY

BETTY JEAN CALLAGHAN

BERYL MACINNIS

'Miss P.E.I.' Contest Has Six Entries; More Expected Sun.

SUMMERSIDE — Two more contestants were announced yesterday for the title of "Miss Prince Edward Island," bringing the total to six, with several others to be entered in the competition by Sunday night when all the contestants will meet at the Summerside Curling Club for official entry into the contest and information on their participation in the Lobster Carnival events.

The two latest contestants announced were Miss Florence Kennedy, 18, daughter of Mr. and Mrs. Ivan Kennedy of Bradalbane; and representing the Women's Institute of that village; and Miss Katherine Mills, 18, daughter of Mr. and Mrs. Kenneth Mills of St. Eleanors, and representing the St. Eleanors Lions Club.

Other contestants previously announced are Miss Betty Jean Callaghan and Miss Beryl MacInnis, of Summerside; Miss Barbara Compton of St. Eleanors, and Miss Carol Ann Power, of Souris.

Neil Sharpe, chairman of the committee in charge of the contest, said yesterday that it is expected that several other girls from various parts of the Island will be entering the contest by Sunday night, when entries to the "Miss P.E.I." competition will close.

Weekend Camp Is Planned By Island United Church YPU

SUMMERSIDE — The United YPU members from all sections of the Island will meet at Augustine Cove camp site for a weekend of fellowship and recreation on July 20.

"It is hoped," stated Graeme Linkletter, president of central presbytery, "that all young people will make a special effort to come to the camp as a lot of time has been spent on planning for it, and a wonderful weekend is in store for them."

The two main speakers at the camp will be Rev. J. H. Tye, and Rev. Dr. L. P. Archibald.

Mr. Tye will speak on Saturday on the topics of "The doctrine of the United Church," and "The differences of the Protestant churches."

Dr. Archibald will speak on Sunday.

There are also a variety of activities planned such as Bible study, sing - songs, swimming, and recreation, hikes, cook-outs and camp fires.

Any group or person wishing to know more about the camp or wanting registration forms should write to William Wedlock, 280 Church Street, Summerside, chairman of the camp committee.

Other members of the committee are Donald Bell, Borden; Garth Bradshaw, Borden; Edward Pearson, Chelton, and Sheila Simmons, Freetown.

Children's Ball Park Slated For Development At S'side

SUMMERSIDE — A four-acre field behind the Kinsmen playground on Notre Dame Street in Summerside will be utilized for a children's ballpark.

The field, town property, has been given to the Summerside Lions Club for the purpose of constructing the ballpark. The club has not purchased the land.

Some members of the Lions Club met at the proposed site last night with town councillor Herb Schurman and Deputy Mayor George Key, Jr., to examine the property and discuss plans for its development.

The ground will be graded and a backstop erected as soon as the ground is dry enough to work. A tentative date for the opening is Aug. 1.

The ballpark will serve the western section of the town, and being located next to the Kinsmen Park, should provide adequate enjoyment to many youngsters of the area.

In view of the buildings nearby, the group last evening discussed possibilities of erecting a fence around the entire field if balls began flying through windows.

Once developed, the park will be maintained by the parks department of the town and the Lions Club will do all capital work.

Some doubt still exists as to a throughway to the park. One possibility is towards the south to North Market Street. A town well, located there, has been condemned, and a right-of-way may be located there when the well is demolished.

Another possible entrance is towards the northwest, where an old board fence exists near Park Street. If this were torn down, a throughway could be established there.

Justice Of Peace Dismisses Passing On Hill Crest Charge

A charge of passing another vehicle on the crest of a hill against a Summerside driver was dismissed by Justice of the Peace Albert Dinnis in Queen's County magistrate's court last night.

Also dealt with during the evening's proceedings was the case of a woman, charged with failing to stop at a stop sign. The case was adjourned until July 18 at 10 p.m. (advanced summer time) in order to bring in another defence witness.

J. P. Nicholson was the defence counsel in both cases while Alan K. Scales appeared for the Crown.

In the case against the Summerside man, the only evidence heard was that of Cnst. D. H. Bartlett, of the Charlottetown detachment of the RCMP.

During Cnst. Bartlett's evidence he said he was proceeding towards Milton on the Malpeque highway when he saw a truck pass another vehicle approximately 200 yards from the top of a hill. He said he caught up with the vehicle approximately two miles past Milton.

Mr. Nicholson in his summation said that the Highway Traffic Act stated that a driver must have clear vision of approximately 600 feet before passing another vehicle and under these circumstances the case should be dismissed. It was.

Former Resident Buys Bookshop

SUMMERSIDE — A former Summerside man and his wife, Mr. and Mrs. Keith Jelly, have acquired ownership of Farrow's Bookshop, in Waterville, Me., established 30 years ago, and have moved there from their former home in Baton Rouge, Louisiana.

Mr. Jelly, a son of Mr. and Mrs. C. B. Jelly of Summerside, has been chief industrial engineer for the Kaiser Aluminum and Chemical Corp., in their Louisiana, plants, since 1957.

He was employed for several years by the Aluminum Co. of Canada Ltd., and the Brown Co. in New Hampshire, before joining Kaiser.

Mrs. Jelly is a graduate of Acadia University where she majored in English.

Mr. and Mrs. Jelly have two teen - aged daughters, Vaughn Elaine and Katherine Lee.

LATE NOTICES

(Also see announcements in columns adjoining Classified Advertising section.)

CAMPBELL — At Prince Rupert, B.C., July 4, 1962, Norman S. Campbell, formerly of Darlington P.E.I., in his 65th year. The remains are resting at the Cuteliffe Funeral Home until 3.45 on Friday, then to Hartsville Presbyterian Church with service commencing at 2.30 (advanced summer time). Interment in church cemetery.

CAMPBELL — At Victoria General Hospital, Halifax, Wednesday, July 11, 1962, Mrs. Joseph G. Campbell (nee Mary Emily O'Brien) formerly of Bristol, P.E.I., in her 54th year. Her remains will arrive in Charlottetown this evening by train and will be forwarded Saturday evening at 6 o'clock from the Charlottetown Funeral Home to the residence of her sister, Miss Mabel O'Brien, Bristol. Funeral will be held Monday morning leaving the house at 8.45 for Requiem High Mass at the Church of The Little Flower, Morell at 9 o'clock. Interment in the church cemetery.

Sailors Cycling, Sailing To S'side

HALIFAX (CP)) — Six men from the Royal Navy's 6th Submarine Squadron based here, left Thursday on a bicycle trip to Summerside, P. E. I.

The group will join other submariners from HMS Astute in celebration of the annual lobster carnival at Summerside Sunday. Seven other men from the squadron left here July 7 in a whaler for Summerside.

J. M. CAMPBELL

Dal Graduate To Practice

J. Melville Campbell, BA, LL. B., son of Chief Justice Thane A. Campbell, and Mrs. Campbell, of Summerside, has graduated from Dalhousie Law School with his Bachelor of Laws degree.

He will be returning to Summerside next February to join his brother, Alex B. Campbell, in a partnership in the practice of law in Prince Edward Island.

Mr. Campbell received his Bachelor of Arts degree from Acadia University before entering Dalhousie University to study law.

At present he is articled to the law firm of Patterson, Smith, Matthews, and Grant, in Truro, N.S., and expects to join the Nova Scotia bar in February, and then transfer to the Prince Edward Island bar.

Speeder Gets Fine In S'side

SUMMERSIDE — Appearing for trial before Magistrate R.S. Hinton, QC, in Summerside town police court Wednesday, J. Douglas MacKay, stCAF Station Summerside, charged with driving without due care and attention, was found guilty and fined $10 and costs. He was counselled by J. Watson MacNaught.

Both MacKay and the companion in his car at the time of the arrest, Chester Hewery, RCAF Station, Summerside, gave evidence.

Each stated that they had been travelling about 15 or 20 m.p.h. in Summerside when they were arrested for speeding. Both men said the tires of the sports car screeched one time.

Cst. Barry and Cst. Grady of the Summerside police department, the arresting officers, previously had conflicting views on the color of the sports car, one stating it was red, the other white.

In passing down the sentence, Magistrate Hinton stated that police officers sometimes make mistakes, but there was sufficient evidence in this case to warrant a conviction on the charge.

Emmett Yeo, Mount Pleasant, charged with having care and control of a motor vehicle while his abilities were impaired by alcohol, pleaded not guilty, and his case was adjourned to July 16. Bail is set at $100. Yeo is counselled by J Watson MacNaught, QC.

Two men were fined $25 and costs for being intoxicated in a public place.

SEAWAY BRIDGE OPENED

MASSENA, N.Y. (AP) — The $14,000,000 international bridge linking Massena with Cornwall Ont., was open to traffic Thursday. The Canadian half of the mile-long span across the St. Lawrence River was opened Tuesday by Leon Balcer, Canadian transport minister and Clarence D. Martin Jr., U.S. undersecretary of commerce for transportation.

Official Opening Slated For Sherwood Hospital

The new Sherwood Hospital for retarded children will officially open on July 18.

The hospital, situated in a beautiful wooded area along the Hillsborough River near Riverside Hospital, is the first of its kind in the province.

Dr. M. N. Beck, hospital director, feels that it is superior to those in other provinces, because it is the only one implementing the "cottage" system of housing. It is a small building whose home-like atmosphere is enhanced by the presence of "house parents"—husband and wife teams chosen for their personal warmth and understanding for the patients.

These "parents", Dr. Beck stated, are the key figures on the hospital staff; most of the success of the hospital's care depends on them.

IN OPERATION

Although the hospital does not officially open until next week, it has been in operation since March, 1962. There are 14 of the Island's 1,150 retarded children resident patients there, and five are treated under the day-care program. Day care supervisor is Mrs. Dorothy Arnfast. Mrs. Ferne Peake teaches in the classroom for resident children.

The hospital can accommodate 21 resident patients. Its facilities include bedrooms, classrooms, dining-room, living-room, and recreation room.

On the staff are Dr. Beck, director; Mrs. Ella Wood, R.N., executive director; Miss Jacqueline Cummiskey, MSW; four sets of house parents; two classroom teachers: Mrs. Elva O'Connor, housekeeper; consultant pediatricians Dr. J. H. O'Hanley and Dr. K. Ross Parker, and a seven-member admissions and discharge committee. Dr. Beck also hopes for two or three volunteer workers of high school age to help the staff.

Dr. Beck stated in an interview yesterday that, although the new hospital will be a valuable asset in the institutional phase of mental retardation treatment, the work done in the province's seven day training centres and by "home strengthening" services provided by the social worker, is of primary importance. He also stressed the urgent need existing for classes for educable retarded children in public schools.

At the official opening on July 18, Lieutenant-Governor F. W. Byndman will be present to cut the ribbon, while Premier Shaw is to lay the cornerstone. Bert Schmickel, deputy commissioner of health for the state of Connecticut, will be guest speaker.

S'side Lions Hold Picnic For Blind

SUMMERSIDE — The regular July meeting of the Summerside Lions Club was held Wednesday evening at Small's Tourist Home under the chairmanship of its new president, Reginald MacLellan.

Guest speaker was Harold McHeath of the F. W. Horner Co. Ltd., one of Canada's major drug companies.

Mr. McHeath gave a very informative talk on the drug business. He was thanked by Stuart Drummond.

The Lobster Carnival Committee announced that work on the Lions Club float is progressing favorably and that Miss Beryl McInnis has been chosen to represent the club in the "Miss P.E.I." contest.

Construction of a new ball diamond is to be started this week following the ceremony of turning over the site to the club by the Summerside Town Council.

The annual picnic for the blind under the able direction of Robert Banks was held at Dalvay with about a dozen present. Transportation was provided by D. Alex MacDonald Ltd. with Marven Wiley and Harold Carr as drivers.

It was announced that Richard Noonan has been selected as zone chairman for the forthcoming year. Next meeting of the club is scheduled for Aug. 8.

School Patrol At Borden Is Honored

BORDEN — A total of $150.50 has been collected in fines for traffic and liquor offences since the last town meeting, it was reported by Cnst. W. J. Crane, town policeman, to the town council meeting, held Wednesday.

Cnst. Crane also told the meeting that a drive would be made to stop illegal parking in the town.

Mayor Gilbert Bell, and Councillors Reginald McAleer, Chester Lake, Russell Dieghan and town clerk, F. W. Westhaver, attended the meeting.

Prior to the business, Mayor Bell presented Kevin Ranahan, Raymond Arsenault, Terry Arsenault and Brian Currie with cheques for $10 for their services on the school safety patrol, in a brief ceremony.

Mayor Bell reported that work on the new street would continue as soon as the weather permitted and that five new catchbasins would be installed at once.

Fed'l Gov't Turns Over Land To Provincial Gov't In S'side

A plot of land, of approximately seven acres, on Granville Street in Summerside has been turned over to the provincial government, Hon. Hubert McNeill, minister of health, said yesterday.

The area, according to Dr. McNeill, was originally used by an experimental fox ranch but for a number of years has not been utilized.

The experimental ranch originally was made up of three plots, totalling 21 acres — one plot owned by the provincial government, one by the federal government and one by the National Foxbreeders Association.

Dr. McNeill said the federal government had a 99-year lease on the land but broke it and turned seven acres over to the provincial government for any use it sees fit.

The remaining land will continue to be used by the experimental ranch, he said.

Although Dr. McNeill said an announcement would be made later on what the provincial government plans to use the seven-acre plot for, speculation in Summerside was that it would be the site of a new health centre. Dr. McNeill had previously announced that a new health centre would be built in Summerside but had not named a site for its location.

S'side Owner Recovers Car

SUMMERSIDE — A Pontiac car, owned by Mike Schurman, Summerside, was stolen from its parking lot near Schurman's home sometime after midnight Wednesday, and the vehicle was located yesterday behind the Dominion Experimental fur farm on Central Street by Schurman himself, who went out looking for the automobile.

He had left the keys in the car, and there was only a small quantity of gasoline in the tank, which did not permit the thief or thieves to travel far.
