DRIED APPLES AT BEER & GOFF'S.

DRIED APPLES 6 cents per pound at "The Confectionery."

The steamship "Prince Edward" sailed this afternoon for Pictou, where she will take in her bunker coal and return to Charlottetown to load cargo of oats for Europe.

The first practice of the Charlottetown Philharmonic Society will be held in the Y. M. C. A. Hall on Thursday, the 8th inst., at 8 o'clock, p. m., sharp. Any lady or gentleman not having been waited on by the committee or Mr. Earle, will please attend the meeting.

The steamer Worcester arrived from Boston on Tuesday evening, with a cargo of general merchandise and the following passengers: Mr. Herbert Hall, Mrs. John Hayden, Miss Sarah Kellaher, Mr. M. N. Bremmoch, Mr. J. W. Bremmoch, Mr. D. Kellaher, Mr. McCormack.

REMEMBER the sale of household furniture to-morrow, Thursday, commencing at 11 o'clock, a. m., at the residence of E. O. Faulkner, late travelling auditor P. E. Island Railway, Dorchester Street, opposite old City Hotel. This furniture is almost new and in good order.

At the Stipendiary Magistrate's Court this forenoon, Michael Purcell, arrested on complaint of his father for being drunk and disorderly, was sentenced to one month's imprisonment. Geo. E. Full summoned for cutting down a tree before the residence of Mrs. Stamper, was fined \$16 and costs for the offence.

On Monday, as an employe of Prof. Hand's Pyrotechnic Factory, Hamilton, Ont., was filling a rocket, it exploded in his hand. Dropping the rocket, it set all the fireworks in the building off, causing a terrible explosion, demolishing the building, which was of frame and detached, and shaking the surrounding buildings considerably. Strange to say, no one was hurt. Prof. Hand's loss is about \$2,500.

MILITIA.—We understand that our Militia force in Charlottetown are deprived of the privileges of the Kensington Shooting Range for practice. If our Deputy Adjutant General wishes the Volunteers of this Island to make any show in the competition at Ottawa for the Wimbledon team, he had better provide for them a range to practice at, as we understand they are entitled to one from the Dominion Government.

A DISPATCH of the 5th inst., from St. Peter's, C. B., reports that the brig Zinga, two hundred and ninety-eight tons, Capt. McLeod, owned by Messrs. Peake Bros. & Co., of Charlottetown, forty days from Liverpool, England, for Charlottetown with a cargo of salt, struck a reef near Cape Hogan (Arichat), on Sunday morning, and came off leaking badly, was kept afloat until ran ashore, at the entrance of the canal.

NO MORE CANADIANS NEED APPLY.—La Minerve, of Montreal, publishes the following card, dated at Holyoke, Mass., 25th April.—"Canadians who may wish to emigrate to the United States should know that there are 400 Canadians, newly arrived, who are without employment and without comfortable habitations in the town of Holyoke, State of Massachusetts; and that others coming here would only increase the number of sufferers in this place—Joseph LeBoeuf, Advocate."

THE Supreme Court is now sitting for the purpose of trying appeals, hearing motions, etc. Yesterday the case of Sturdy appellant and Monaghan respondent, was dismissed and judgment affirmed, as was the case Weatherbie appellant and Gillis respondent, and Nelson appellant and Janet McDonald respondent. In re Marchbank's estate, an appeal from the Surrogate Court, the judgment of the Surrogate was sustained. In the case of the Queen vs. Lynch, for bigamy, a motion for a new trial was granted, and the defendant released on his own recognizance.

We are pleased to see that Messrs. McDonald Bros., David Keefe and Felix McGirr, enterprising cattle dealers of St. John, N. B., are about to engage in a speculative exportation of cattle to Great Britain, in order to see if they cannot work a portion of the business to St. John. The cattle trade of the Dominion has hitherto been in the hands of the Upper Province people, but if this speculation succeeds, the business will not be entirely theirs in the future.

We have been asked several times to-day for a report of an investigation by the Stipendiary Magistrate, of several charges brought against the retained policemen. As the members of the force decline to supply any information regarding the matter, and as the investigation was held with closed doors, it is as yet impossible for us to obtain a strictly authentic report. The facts, as far as we can learn, are: One of the officers recently notified of his dismissal, adopted the "cut behind policy," and yesterday morning brought several charges against the retained officers. The charges, we learn, were serious, but, being locked in the bosom of the officer who made them from the time the offences were committed to the present, the effect which they should produce was materially lessened. The result of the investigation, it is rumored, was the firing of Sergeant McGregor, \$14; officer Hugh McGonnel, \$8; Marshal Flynn, \$5, and the suspension of officer Bradley for two months. What the offences of the officers were we have yet to learn.

OTTAWA, May 6.

Hon James McDonald introduced a resolution in the House of Commons making the salaries of the County Court Judges of Prince Edward Island equal to the salaries of similar judges in the other Provinces, viz: \$2,000 for three years, and \$2,400 thereafter.

Mr. Brecken regretted that the Government did not think fit to put the Supreme Court Judges of P. E. Island on the same footing as the Supreme Court Judges of other Provinces. He pressed the matter very strongly and said that he felt sure the Government would soon do justice in the matter.

The resolution passed, and a bill was introduced.

ROME, May 4.

Reports of the progress of Catholicism in the United States have induced the Pope to arrange a complete organization of the hierarchy and more intimate union with Rome. New Bishoprics will shortly be created and establishments of the Society of Jesus more satisfactorily organized.

The Spanish senatorial elections resulted in the choice of 165 Ministerialists and 15 Liberals.

CALCUTTA, May 4.

Nearly a million pilgrims assembled at Hurdwar fair. There is cholera in various directions. An outbreak is reported from several places. There are some cases among the European troops. It is reported that of 80,000 who went to the fair from Cumstan, a quarter are missing. The mortality was caused by a police order forcing them to travel the desert tracks. It is probable that the story is exaggerated. Great distress is imminent in Deccan from the failure of crops. Five thousand famine stricken refugees from Kuttywar entered Bombay.

LONDON, May 5.

General Roberts told the native chiefs that the British Government only intends to secure the frontier by giving it command of the passes leading to Cabul, and officially announces that Russia agreed to surrender Kuldja to China, in return for the revision of treaties relative to the frontier and other concessions.

CAPE TOWN, April 16.
