

BIG NEWS IN THE CAR MARKET!

AUCTION

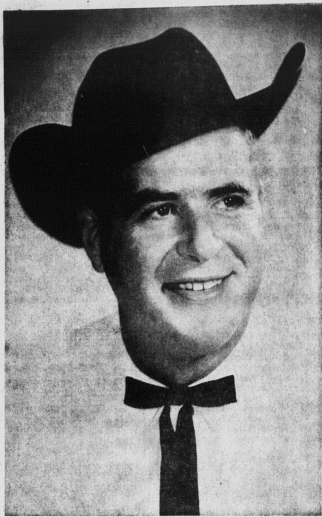

The Men With The Hammer Are Here In Charlottetown

... GOING ... GOING ... GONE !

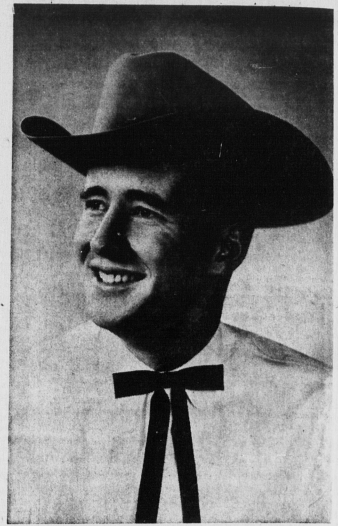

And A-W-A-A-Y They Go !

We are not bothered about prices . . . it is our job to clear the lot at your price. We are known the length and breadth of the North American continent as the price wreckers and this auction is no exception! We won't be undersold . . . We can't be bothered with markups . . . We do insist on the customer being 100 percent satisfied.

Confidentially, Goodspeeds Auction for '63 has all the pre-sale elements of a great day for the buyer in quality since we sold a quarter million dollar stock in Vancouver, B. C., at prices that had the owners wailing! Come out Saturday and see for yourself!

70 FINE USED CARS and TRUCKS - - 1962 MODELS and DOWN

A WORD FROM DON GOODSPEED:

Having sold my dealership in Charlottetown, I have engaged Armstrong Auctions Ltd. of Edmonton, Alberta to dispose of my entire inventory of used cars and trucks—1962 models and down—These cars and trucks must be sold regardless of sacrifice—it's in the contract. I cannot carry this inventory any longer—the lots must be cleared—absolutely no reserve—you set the price—The price you bid is the price you pay—it's indoors. Come to Goodspeeds this Saturday for the buy of a lifetime!!!
